

# Love For All Seasons Four Inspirational Historical Romance Novellas

*The Four Winds* - Kristin Hannah 2021-02-02

"The Bestselling Hardcover Novel of the Year."--Publishers Weekly From the number-one bestselling author of *The Nightingale* and *The Great Alone* comes a powerful American epic about love and heroism and hope, set during the Great Depression, a time when the country was in crisis and at war with itself, when millions were out of work and even the land seemed to have turned against them. "My land tells its story if you listen. The story of our family." Texas, 1921. A time of abundance. The Great War is over, the bounty of the land is plentiful, and America is on the brink of a new and optimistic era. But for Elsa Wolcott, deemed too old to marry in a time when marriage is a woman's only option, the future seems bleak. Until the night she meets Rafe Martinelli and decides to change the direction of her life. With her reputation in ruin, there is only one respectable choice: marriage to a man she barely knows. By 1934, the world has changed; millions are out of work and drought has devastated the Great Plains. Farmers are fighting to keep their land and their livelihoods as crops fail and water dries up and the earth cracks open. Dust storms roll relentlessly across the plains. Everything on the Martinelli farm is dying, including Elsa's tenuous marriage; each day is a desperate battle against nature and a fight to keep her children alive. In this uncertain and perilous time, Elsa—like so many of her neighbors—must make an agonizing choice: fight for the land she loves or leave it behind and go west, to California, in search of a better life for her family. *The Four Winds* is a rich, sweeping novel that stunningly brings to life the Great Depression and the people who lived through it—the harsh realities that divided us as a nation and the enduring battle between the haves and the have-nots. A testament to hope, resilience, and the strength of the human spirit to survive adversity, *The Four Winds* is an indelible portrait of America and the American dream, as seen through the eyes of one indomitable woman whose courage and sacrifice will come to define a generation.

**The Rogue** - Claire Delacroix 2013-02-08

Dear Reader— Seductive and mysterious, Merlyn was the laird of Ravensmuir—never had a man so stirred my body and soul. I gave myself to him—willingly, trustingly, passionately—and we soon wed. Then a horrible revelation emerged, shattering my innocence and my marriage... Five years later, Merlyn returned to my doorstep, desperate for my help. The scoundrel swore he was haunted by memories of me, that a treasure locked in Ravensmuir could clear his name. Yet I could not surrender to his will again. Now he is said to be murdered and Ravensmuir has fallen into my hands. But even as I cross the threshold of this cursed keep, I hear his whisper in the darkness, feel his caress in the night, and I know that Merlyn has told me but part of his tale. Should I do as is right and expose his lair? Or dare I trust my alluring but deceptive spouse—the rogue who destroyed my heart? —Ysabella \* \* \* "A beguiling medieval romance from Delacroix...readers will devour this rich and compulsively readable tale."—Publishers Weekly "An engaging tale of lost love found!"—Booklist "Merlyn is a delightfully charming rogue, Ysabella an admirable heroine, and the mystery just intriguing enough to keep you interested. Ms. Delacroix evokes the era, providing us with an accurate portrait and an enchanting tale—just what readers expect from this talented author."—Romantic Times Bookclub "Claire Delacroix always manages to create spellbinding magical stories that enthrall readers and keep them coming back for more. With her newest release, *The Rogue*, she does it again. If you loved Claire Delacroix's *Bride Quest* books, then you don't want to miss reading *The Rogue*. If you have never read a Claire Delacroix book before, this is the perfect book to start with. It will add a little spice and romance to your life this holiday season and have you wondering where Claire's books have been all your life."—Writers Unlimited "The *Rogue*, a gothic medieval romance, is an intriguing tale of deception upon deception with all the ingredients to make for a delightfully spooky read."—Romance Reviews Today "Rich historical details, unusual plot-line, witty repartee, simmering romantic tension and violent intrigue surrounding the hunt for a mysterious and priceless treasure - all contributed to make this book one inspiring and exciting read! A gripping story with fascinating characters, lush sensuality and a page-turning plot! A gem!"—ARomanceReview.com "This tale of secrets, the lies told to perpetuate those secrets, and the ultimate outcome when all truths are revealed, is deep, complex and well-written."—Old Book Barn Gazette "Powerful medieval drama...highly recommended!"—WordWeaving.com "Very, very beguiling. *The Rogue* has almost a gothic feel to it, a throwback to historical romantic mysteries that mystified and beguiled readers with little effort (but much cunning on the author's part). No forgery this: religious artifacts may oft have questionable provenance, but Ms. Delacroix's roguish heroes are compellingly genuine...and just a little bit dangerous to know."—Heartstrings "Ms. Delacroix is extremely gifted in creating wonderfully three-dimensional characters, as well as intriguing plots and sub-plots. And *The Rogue* offers that and a myriad of themes for the reader in this tale of long ago love. Within the pages, the reader finds mystery, love gained and lost, then found again, and feels the weight of the burden of guilt and deceit, not matter how well intentioned. A perfect mix of dialog and narrative give this wonderful tale its momentum and an excitement that doesn't let up until the very end."—The Road to Romance \* \* \* Claire has written numerous books featuring the Lammergeier family and set in her fictional medieval Scottish realm of Ravensmuir, Kinfairlie and Ravensmuir. The Christmas Heirloom - Karen Witemeyer 2018-10-02

In Kristi Ann Hunter's "Legacy of Love," Sarah Gooding never suspected returning a brooch to an elderly woman would lead to a job . . . and introduce her to the woman's grandson, a man far above her station. In Karen Witemeyer's "Gift of the Heart," widow Ruth Albright uses the family brooch as collateral for a loan from the local banker. But the more she comes to know the man behind the stern businessman, the more she hopes for a second chance at love. In Sarah Loudin Thomas's "A Shot at Love," Fleeta Brady's rough-and-tumble childhood means she prefers hunting to more feminine activities. She never expected her family's brooch might be how a fellow hunter turns her attention from competition to romance. In Becky Wade's "Because of You," Maddie Winslow has spent years in love with a man whose heart was already spoken for. When a church Christmas project brings them together and she stumbles upon an old family brooch, might it finally be her turn for love?

The horrid weather is making Willem Wakefield wish he were still in the East Indies. But he's on a diplomatic mission to deliver some important documents to Princess Charlotte, who'll be attending the Howard's Yuletide celebration. Except on the way there, he comes across an overturned carriage and finds a beautiful woman on the verge of freezing to death. Once he has her safely in his coach, he realizes his only option is to take her to the Howard estate with him. But it isn't long before he realizes that he'd like nothing more than to keep his Lady Frost all to himself. And for much longer than just the holidays . . .
