**Hills of Han - A Romantic Incident** - Samuel Merwin 2017-06-17

On a day in late March, 1007, Miss Betty Doane sat in the quaintly airy dining-room of the Hotel Miyaka, at Kyoto, demurely sketching a man's profile on the back of a menu card. The man, her unconscious model, lounged comfortably alone by one of the swinging windows. He had finished his luncheon, pushed away his coffee cup, lighted a cigarette, and settled back to gaze out at the hillside where young green grasses and gay shrubs and diminutive trees bore pleasant evidence that the early Japanese springtime was at hand. Betty could even see, looking out past the man, a row of cherry trees, all afoam with blossoms. They brought a thrill that was almost poignant. It was curious, at home—or, rather, back in the States—there was no particular thrill in cherry blossoms. They were merely pleasing. But so much more was said about them here in Japan. The man's head was long and well modeled, with a rugged long face, reflective eyes, somewhat bony nose, and a wide mouth that was, on the whole, attractive. Both upper lip and chin were dean shaven. The eyebrows were rather heavy; the hair was thick and straight, slanting down across a broad forehead. She decided, as she sketched it in with easy sure strokes of a stubby pencil, that he must have quite a time every morning brushing that hair down into place. He had appeared, a few days back, at the Grand Hotel, Yokohama, coming in from somewhere north of Tokio. At the hotel he had walked and eaten alone, austere. And, not unnaturally, had been whispered about. He was, Betty knew, a journalist of some reputation. The name was Jonathan Brachey. He wore an outing suit, with knickerbockers; he was, in bearing, as in costume, severely conspicuous. You thought of him as a man of odd attainment. He had been in many interesting corners of the world; had known danger and privation. Two of his books were in the ship's library. One of these she had

already taken out and secreted in her cabin.

**Philosophy Through Video Games** - Jon Cogburn 2009-09-10

How can Wii Sports teach us about metaphysics? Can playing World of Warcraft lead to greater self-consciousness? How can we learn about aesthetics, ethics and divine attributes from Zork, Grand Theft Auto, and Civilization? A variety of increasingly sophisticated video games are rapidly overtaking books, films, and television as America's most popular form of media entertainment. It is estimated that by 2011 over 30 percent of US households will own a Wii console - about the same percentage that owned a television in 1953. In *Philosophy Through Video Games*, Jon Cogburn and Mark Silcox - philosophers with game industry experience - investigate the aesthetic appeal of video games, their effect on our morals, the

insights they give us into our understanding of perceptual knowledge, personal identity, artificial intelligence, and the very meaning of life itself, arguing that video games are popular precisely because they engage with longstanding philosophical problems. Topics covered include: \* The Problem of the External World \* Dualism and Personal Identity \* Artificial and Human Intelligence in the Philosophy of Mind \* The Idea of Interactive Art \* The Moral Effects of Video Games \* Games and God's Goodness Games discussed include: Madden Football, Wii Sports, Guitar Hero, World of Warcraft, Sims Online, Second Life, Baldur's Gate, Knights of the Old Republic, Elder Scrolls, Zork, EverQuest Doom, Halo 2, Grand Theft Auto, Civilization, Mortal Kombat, Rome: Total War, Black and White, Ailyn Chronicles

**Love X Dilemma T01** - Kei Sasuga 2018-08-16  
Natsuo, lycéen, est secrètement amoureux de Hina, sa professeur d'anglais, qui a beaucoup de succès. Lors d'une soirée « group dating », il rencontre Rui, une fille que sociable, avec laquelle il couche tout de go pour palier l'ennui ! Peu de temps après, son professeur lui annonce qu'il va se remarier avec une femme ayant deux filles... qui ne sont autre que Rui et Hina ! La cohabitation sous un même toit s'annonce compliquée et mouvementée. Entre non-dits et sentiments malmenés, les héros devront apprendre à gérer une situation peu commune...

*The Origin of Consciousness in the Breakdown of the Bicameral Mind* - Julian Jaynes 2000-08-15  
National Book Award Finalist: "This man's ideas may be the most influential, not to say controversial, of the second half of the twentieth century."—Columbus Dispatch  
At the heart of this classic, seminal book is Julian Jaynes's still-controversial thesis that human consciousness did not begin far back in animal evolution but instead is a learned process that came about only three thousand years ago and is still developing. The implications of this revolutionary scientific paradigm extend into virtually every aspect of our psychology, our history and culture, our religion—and indeed our future. "Don't be put off by the academic title of Julian Jaynes's *The Origin of Consciousness in the Breakdown of the Bicameral Mind*. Its prose is always lucid and often lyrical...he unfolds his case with the utmost intellectual rigor."—The New York Times  
"When Julian Jaynes . . . speculates that until late in the twentieth millennium BC men had no consciousness but were automatically obeying the voices of the gods, we are astounded but compelled to follow this remarkable thesis."—John Updike, *The New Yorker*  
"He is as startling as Freud was in *The Interpretation of Dreams*, and Jaynes is equally as adept at forcing a new view of known human behavior."—*American Journal of Psychiatry*

**The Gospel According to St. Mark** - Henry Barclay Swete 2006-04-14

Excerpt from *The Gospel According to St. Mark: The Greek Text with Introduction Notes and Indices*  
The earliest of extant commentators on St Mark urges as his apology for undertaking so serious a task the neglect which that Evangelist appeared to have suffered at the hands of the great teachers of the Church. While each of the

other Gospels had received separate treatment, the Gospel according to St Mark, so far as he could discover, had been passed by, as if it needed no elucidation or none which could not be gathered from expositions of St Matthew and St Luke. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at [www.forgottenbooks.com](http://www.forgottenbooks.com) This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.

*Sex, Love, and Friendship* - 2022-07-18

This collection joins together sixty essays on the philosophy of love and sex. Each was presented at a meeting of The Society for the Philosophy of Sex and Love held between 1977 and 1992 and later revised for this edition. Topics addressed include ethical and political issues (AIDS, abortion, homosexual rights, and pornography), conceptual matters (the nature, essence, or definition of love, friendship, sexual desire, and perversion); the study of classical and historical figures (Plato, Aristotle, Spinoza, Kant, and Kierkegaard); and issues in feminist theory (sexual objectification, the social construction of female sexuality, reproductive and marital arrangements). Authors include Jerome Shaffer, Sandra Harding, Michael Ruse, Richard Mohr, Russell Vannoy, Claudia Card, M.C. Dillon, Gene Fendt, Steven Emmanuel, T.F. Morris, Timo Airaksinen, and Sylvia Walsh. The editor, who is the author of *Pornography* (1986), *The Structure of Love* (1990), and *Sexual Investigations* (1996), has also contributed six pieces and an Introduction.
