

My Fathers Child Help And Healing For The Victims Of Emotional Sexual And Physical Abuse

Healing the Scars of Childhood Abuse - Gregory L. PhD Jantz 2017-08-01

The deep pain of childhood abuse--whether physical or emotional, whether a child was neglected or wished nothing more than to be left alone--doesn't just go away. There's simply no just getting over it. Even if no physical scars remain as evidence of the victim's suffering, the deep wounds on their minds, hearts, and souls are still there. But it is possible to become whole and happy. Author of the successful *Healing the Scars of Emotional Abuse*, Dr. Gregory Jantz now helps readers understand the effects of childhood abuse on their emotional, intellectual, physical, relational, and spiritual health. He then outlines the steps to lasting healing, including grieving what was lost, learning to balance emotions with intentionality, regaining a positive relationship with one's own body and mind, and coming to an understanding of God not as a frightening authority figure like the abuser or an accusing judge, but as a loving creator, redeemer, and friend.

Free to Be Me! - Mark A. Pearson 2001

A guide to understanding how personality type affects emotional healing, relationships, and spiritual growth.

My Father's Child - Lynda Elliot 1990-08

Selected Resources on Emotional Abuse of Children - Billie H. Frazier 1993

Beauty from Ashes - Toni Buchanan B.A,M.A,M.ed 2020-04-20

Sixty-Eight percent of children are abused by a family member in the United States according to the National Statistics on Child Abuse. Child Abuse can have a lasting effect on into Adulthood whether it was Neglect, Psychological, Physical or Sexual. As a Therapist for the last Eighteen Years, I have counseled with Adults, Youth and families who have experienced some type of Trauma in their childhood or present day lives. *Beauty from the Ashes* will examine in detail Celebrity Case Studies of Trauma and Abuse as well as dysfunctional character traits like Codependency, Attachment Disruption and Abandonment Syndrome. *Beauty from the Ashes* will provide several roads to healing and self-affirmation. Many of the Celebrities discussed in this book rose from the ashes of their past and created something beautiful from it and we Celebrate their accomplishments. One can choose to remain a victim and allow pain to transform you into a bitter resentful Individual who harbors self-hatred. The guilt, humiliation and shame from abuse especially sexual abuse causes you to blame yourself but it is not your fault. In essence, you try to rationalize with yourself thinking maybe I could have stopped them or told someone and my life would have turned out differently. *Beauty from the Ashes* will expose all the insecurities experienced as a result of childhood Trauma and abuse and help the reader begin a path of wholeness and healing. Something Beautiful can be birthed from your pain if you decide to become a victor instead of a victim. God has given you the power to transform and live out your purpose on Earth.

Special Reference Briefs - 1983

When Dad Hurts Mom - Lundy Bancroft 2005-03-01

Written by a therapist who specializes in abusive men, this guide reveals how abusers interact with and manipulate children—and how mothers can help their children recover from the trauma of witnessing abuse. Can my partner abuse me and still be a good parent? Should I stay with my partner for my children's sake? How should I talk to my children about the abuse and help them heal? Am I a bad mother? Mothers in physically or emotionally abusive relationships ask themselves these questions every day. Whether it's physical or "just" emotional abuse, whether it's aimed at them or you, whether they see or hear it, your kids need you. This book, the first ever of its kind, shows mothers how to:

- Protect children and help them heal

emotionally • Provide love, support, and positive role models, even in the midst of abuse • Increase their chances of winning custody • Help their kids feel good about themselves "A must-read for every mother who has been abused...it offers the knowledge women need to protect their children and help them heal."—William S. Pollack, Ph.D., author of the national bestseller *Real Boys*

The Publishers Weekly - 1988

The Advocates - Theresa Westbrook 2011-04

World-wide published author, John Borgstedt, has done it again in this new co-authored book, *The Advocates ... Of the Abused and Silent*. Mr. Borgstedt, along with his co-author Theresa Westbrook, has created a book that will both move you and motivate you to be the voice of change for the children of our nation. Because of the enormous success of Mr. Borgstedt's first book, *I Love You Mom - Please Don't Break My Heart*, his personal story of surviving and overcoming unspeakable child abuse is now available in the docudrama entitled *I Love You Mom - Please Don't Break My Heart*. "When you are in the presence of a 'real' person, you know it. They are the ones who inspire you for the better and genuinely share their lives with others. Theresa Westbrook is genuine and I am pleased to work together for the purposes of ending child abuse, helping victims and positively influencing troubled youth." John Borgstedt * * * *The Advocates ... Of the Abused and Silent* is an excellent addition to author Theresa Westbrook's first book, *A Strand of Pearls*, endorsed by nationally known author, Frank Minirth MD. *A Strand of Pearls* is widely used by counselors and others who help victims and treat offenders of child sex abuse, and *The Advocates ... Of the Abused and Silent* will be a welcomed resource. Using unique fictional televised settings, co-authors John Borgstedt and Theresa Westbrook blend facts, true stories, their exemplary lives and wit into this power-packed, no-holds-barred, ingenious book. "I am encouraged by John Borgstedt's remarkable story and relentless efforts to bring awareness and change in the lives of abused children and troubled youth. Combining our personal experiences and knowledge of physical and sexual child abuse, we become a dynamic duo delivering a one-two punch to knock out child abuse in society." Theresa Westbrook

The Wounded Heart - Dan Allender 2014-02-27

For those who have experienced childhood sexual abuse and those who love and care for them, *The Wounded Heart* offers a tender, compassionate window into the psychological effects of abuse and the theological foundations for healing. Thirty years ago, with great courage and vision, Dan Allender brought Christians to the table to acknowledge, understand, and help victims heal from their experience of the evil of sexual abuse. His work continues to help victims and those who love them to honestly acknowledge their abuse, understand the unique challenge of repentance for victims of abuse, and learn to love boldly in defiance of their trauma. Ultimately Dan offers the bold assurance to sexual abuse victims that even they can find their way to joy and hope in the comforting embrace of a good God. *The Wounded Heart* has sold over 400,000 copies and has been the first book family, friends, counselors, pastors, and victims have turned to in search of Christian answers to the calamity of sexual abuse. With a new introduction reflecting on the ongoing importance of the book, and a companion workbook for personal and group recovery, *The Wounded Heart* continues to offer an urgently needed word of grace in a world ravaged by sexual abuse.

Biblical Counsel - 1993

There's Healing in the Garden - Carla Rae 2011-06-29

There's Healing in the Garden is a collection of journals written over a ten-year period. Separately, they look at my life and how I survived physical, sexual, and emotional abuse from infancy to the age of ten; they share my experiences as a lost teenager and a victim of rape; finally, the journals reveal the step-by-step process which led to [and through] my spiritual healing. Collectively, the journals reveal the awesome

power of the Almighty God and the healing counsel that can only from our Lord, Jesus Christ. I wrote this book for my own emotional and spiritual healing, but also with hopes that any woman [at any age] who has suffered from abuse might find some comfort in my journey; that she might feel hope through a common ground, and find strength to begin her own journey to healing.

The Deepest Wound - Linda Crockett 2001-10

"Accompaniment means to walk with those who suffer. I learned how to accompany refugees in war zones in El Salvador, offering protection against military attack with my physical presence. I learned how to be accompanied when my work in Central America became the catalyst for my own healing from years of emotional, sexual and physical abuse, primarily at the hands of my mother." Linda Crockett Combining the personal narrative of a survivor of incest with stories from El Salvador's bloody civil war in the 1980s, *The Deepest Wound* demonstrates that victims of sadistic childhood abuse share common ground with survivors of political torture. It explores the social conditions that foster private and public war zones, and the cultural dynamics that impede healing from individual and collective trauma. Offering the concept of "accompaniment" as a new paradigm for healing, Crockett challenges readers to consider complex issues such as touch within the therapeutic alliance, the delicate and dangerous dance of relationship between survivors and supporters, and the difficulty inherent in accepting even basic medical treatment. Teaching those who accompany her lessons absorbed from Salvadoran peasants about healing from trauma, Crockett offers new hope for survivors and for those who walk with them.

Religion and American Culture - David G. Hackett 2003

Religion and American Culture challenges the religion's traditional emphasis on older European, American, male, middle-class, Protestant, northeastern narratives concerned primarily with churches and theology. Breaking through the field with multicultural tales of Native American, African Americans and other groups that cut across boundaries of gender, class, religion and region, David Hackett's anthology offers an illuminating and comprehensive overview of the most exciting work currently underway in this field.

Lived Religion in America - David D. Hall 2020-09-01

At once historically and theoretically informed, these essays invite the reader to think of religion dynamically, reconsidering American religious history in terms of practices that are linked to specific social contexts. The point of departure is the concept of "lived religion." Discussing such topics as gift exchange, cremation, hymn-singing, and women's spirituality, a group of leading sociologists and historians of religion explore the many facets of how people carry out their religious beliefs on a daily basis. As David Hall notes in his introduction, a history of practices "encompasses the tensions, the ongoing struggle of definition, that are constituted within every religious tradition and that are always present in how people choose to act. Practice thus suggests that any synthesis is provisional." The volume opens with two essays by Robert Orsi and Danièle Hervieu-Léger that offer an overview of the rapidly growing study of lived religion, with Hervieu-Léger using the Catholic charismatic renewal movement in France as a window through which to explore the coexistence of regulation and spontaneity within religious practice. Anne S. Brown and David D. Hall examine family strategies and church membership in early New England. Leigh Eric Schmidt looks at the complex meanings of gift-giving in America. Stephen Prothero writes about the cremation movement in the late nineteenth century. In an essay on the narrative structure of Mrs. Cowman's Streams in the Desert, Cheryl Forbes considers the devotional lives of everyday women. Michael McNally uses the practice of hymn-singing among the Ojibwa to reexamine the categories of native and Christian religion. In essays centering on domestic life, Rebecca Kneale Gould investigates modern homesteading as lived religion while R. Marie Griffith treats home-oriented spirituality in the Women's Aglow Fellowship. In "Golden- Rule

Christianity," Nancy Ammerman talks about lived religion in the American mainstream.

How to Rise Above Abuse - June Hunt 2010-09-01

With nearly 150,000 books sold, Christian counselor June Hunt has fast become a favorite for readers seeking biblical counsel for their problems. In *How to Rise Above Abuse*, June offers compassionate, practical guidance for the tough issues of verbal and emotional abuse, spouse abuse, childhood sexual abuse, rape recovery, victimization, and spiritual abuse. Readers will learn the definitions, characteristics, and causes that, once understood, empower them to take steps toward lasting solutions. They'll find out how to... identify and deal with unresolved anger, grief, or pain rely on Christ for strength when they have none forgive their offender and help other victims regain confidence, hope, and peace for the future place complete trust in God at all times Only the Lord Jesus Christ can heal broken hearts. This book for counselors and counselees will show how those who are hurting can yield to His care.

The Courage to Heal - Ellen Bass 2002

Based on the experiences of hundreds of survivors & partners, this book profiles victims who share the challenges & triumphs of their personal healing processes. It offers mental, emotional & physical support to all those who are rebuilding their lives.

Father, Forgive My Father - Sandra G. Lee 2005-10-05

Why did you write the book? everyone wanted to know; Why would you put yourself through that all over again? I tell them that it was a promise that I had to fulfill; I was driven by that promise to: 1) inform the general public of a serious social problem of epidemic proportion; 2) help the victims of sexual child abuse better cope with their problems through Christian principles and methods, assuring them that they are not alone in their struggles, 3) bring the perpetrators to a realization of what they are doing; why they are doing it; leading them to seek help and forgiveness, and 4) lead the victim through steps to total healing through forgiveness. I have just completed the book by Sandra G. Lee, *Father, forgive my Father*. What an awesome book and life story to be told. The author shared all aspects of the history of child abuse through her eyes as a child and as an adult. More people should share as Sandra Lee has and the world would be a better place. Hats off to Sandra for being a strong and dedicated Christian to face adversity with non Christian individuals or those in denial of an epidemic worth sharing. There should be more people such as her to keep the world in a better place.

Victimization - June Hunt 2021-04-18

Does a crisis from your past still affect you? Is it hard to dismiss demoralizing experiences, such as the embarrassment over having an alcoholic parent, the moneymaking scheme that bankrupted you, or the lingering effect of a spouse's unfaithfulness? Past experiences can leave lasting scars, deteriorate your self-worth, or leave you feeling victimized, isolated, or inferior—powerless and paralyzed from moving forward. June Hunt understands. As an abuse survivor and someone who has been helping abuse victims for decades, she knows healing is a process. If left unchecked, the victim mentality can paralyze your heart and mind for a lifetime. For lasting change to occur, you must rely on the truth of God's Word—truth about His mercy, and truth about your worth. God wants to set you free from the past with His transforming power to become all He created you to be! This pamphlet will help you Identify emotional, physical, and mental side effects of victimization Recognize codependent tendencies of a victim Know your true self-worth Conquer irrational fear Establish and maintain good boundaries Let June guide you through the healing process as she points you to the true source of freedom, Jesus Christ.
