

Playboy Advisor On Love And Sex

The Conclusion of the Sexual Revolution - Wylark Day

2004-05-18

This is a book about sexual morality. Not a morality based on shame or tradition, however; but one based on combining the most up-to-date findings of sex researchers, with the most ancient teachings of the Judeo-Christian Bible. In this book, you will find that: Private masturbation and public nudity are the two Pillars, upon which all healthy attitudes towards Sex must be based. Faithful heterosexual monogamy is God's Plan for Sex, but a minority who deviate from this Plan (such as homosexuals) are nonetheless necessary for a whole society. And that Virgin Sex for young adults - which means enjoying sex play while rejecting intercourse - is the

Key to: true romantic passion, equality between the sexes, and even to the very Future of Humanity. At last! A book that tells the truth about Sex and God.

Human Sexuality - Craig A. Hill
2008

"Human Sexuality: Personality and Social Psychological Perspectives presents the topics typically covered in human sexuality courses, rooting the presentation in a strong psychological

perspective. Author Craig Hill focuses on personality and social psychological theory to provide students with a conceptual understanding of the psychological factors involved in sexuality, and he encourages students to build upon that foundation by challenging them to think critically about the material in various ways. He also emphasizes the scientific investigation of sexuality, offering a solid review of the research literature."-- Publisher's description.

365 Ways to Improve Your Sex Life - James Petersen
2004-12-28

Written with wit and style, 365 Ways to Improve Your Sex Life is an exciting source book for the bold and the spirited. From "Slow Hand" and "The Butterfly Kick" to "Blue Confessions" and "The Erotic Tool Kit," this arousing array of sexual secrets from America's liveliest libidos offers turn-ons for reading and, most importantly, for doing. "Buy this book and share it with someone you love . . . Exactly like sex at its best--

stimulating, wide-ranging, funny, and full of pleasant surprises."--Marty Klein, sex therapist, author of *Your Sexual Secrets: When to Keep Them, How to Share Them* "Who else but the Playboy Advisor could come up with so many irresistibly creative ways to enhance sex? 365 Ways to Improve Your Sex Life has forever changed my view of mangos, paintbrushes, Q-tips, and crème de menthe. As for the Venus Butterfly techniques, all I can say is thank you."-- Michael Castleman, author of *Sexual Solutions: For Men and the Women Who Love Them* [American Book Publishing Record](#) - 2006

Christians Under Covers - Kelsy Burke 2016-02-09

married, heterosexual couples to have satisfying sex lives. These evangelicals maintain their religious beliefs while incorporating feminist and queer language into their talk of sexuality--encouraging sexual knowledge, emphasizing women's pleasure, and justifying marginal sexual practices within Christian marriages. This book complicates boundaries between normal and subversive, empowered and oppressed, and sacred and profane"--Provided by publisher.

Sizzling Sex for Life -

Michael Castleman 2021-01-12
Michael Castleman, the world's most popular sex expert, has written the most comprehensive, authoritative, reassuring, and practical guide to lifelong pleasure for men and the women who love them. Library Journal calls him "one of the nation's top health writers." Medical journalist Michael Castleman has answered more than 12,000 sex questions throughout his career, including on his

website GreatSexGuidance.com, through his "All About Sex" blog on Psychology Today, or even when he used to answer all the sex questions for Playboy's "Advisor" column in the '90s. From his numerous years of experience comes this, the most thorough consumer sexuality guide ever written. It's full of state-of-the-art sex information and sage advice, all written by a decades-long trusted sex author. Sizzling Sex for Life addresses men, but is exquisitely sensitive to women's sexual sensibilities. While it focuses on sexual enhancement and the resolution of individual and couple sex problems, it transcends similar books by delving into social/political sexual issues, including school sex education and pornography—and in today's fraught #MeToo environment, prevention of sexual assault and harassment. This compelling, sex-positive guide will benefit men and women, from the teen years to old age. It offers an in-depth

investigation of sexual issues throughout the lifespan, based on 2,500 studies published over the past seventy years—more source material by far than any other sex guide. This book truly does it all, and does it respectfully. It reassures men that their sexual concerns can usually be happily resolved with self-help or brief professional therapy: penis size issues, premature ejaculation, orgasm/ejaculation difficulties, arousal problems, and erectile dysfunction. It comforts women that they can rediscover lost libido, have orgasms every time, and cure their sexual pain. It assures couples that their leading sexual complaint, desire differences, can usually be resolved to mutual satisfaction. It reassures parents that they can maintain their sex lives, provide effective sex education to their children, and survive today's young-adult hook-up culture. It informs the elderly and those with chronic illnesses and disabilities that great sex is still possible. It reassures sexual minorities

that they are psychologically normal and that LGBT sex, BDSM, and consensual non-monogamy are more popular than most people believe. Whether for procreation, relationship affirmation, or just for fun, lovemaking is normal, healthy, nurturing, often therapeutic, and usually emotionally satisfying. Whether you're looking to learn more, have a specific question, or just want to spice things up between the sheets, this is your ultimate guide to better enjoy one of life's top pleasures.

Christopher Angelo Lento's experience. While his Family relocated to Hunterdon County, NJ, in his late teens, high school graduation and a brief stint at Rutgers University was nowhere near enough to quench his thirst for adventure. An attempted career in modeling and acting took him around the world, yet the position of bartender and bar manager paid the bills along the way. Relocating to different cities and abroad landed him in Hollywood.. An actor by trade and bartender by night give this barkeeps memoir an edge and truth into the underworld of bartending not seen before. This is the memoir the industry craves, yet doesn't dare write.
