has social skills she'd never dream of having in person. She's possibly even cool. If Isaac can just get to know her, he'll see how amazing she is. But then a spontaneous road trip throws Rosie and Isaac together, and their virtual and in-person lives collide. (Eleven hundred miles in a seventy's era VW hatchback? What could possibly go wrong?) Much to Rosie's surprise, she doesn't constantly humiliate herself. Conversation is easy, and their chemistry? It's pretty much off the charts. But every road trip is bound to hit a speed bump or two. Will Rosie's secret identity be the thing that brings them together? Or the thing that tears them apart?

**Pretend You're Mine** Fabiola Francisco 2019-12-18 Fake relationship - Small town drama - Country music I've gotten into my fair share of awkward situations... Although, asking a random stranger to be my fake boyfriend is by far the worst. In my defense, it was an act of desperation. An act I hope will keep away the men in town who see me as their ticket to becoming the mayor's son-in-law. But I have a plan. 1. Date my fake boyfriend long enough for the news to spread across town. 2. Have a very public breakup that leaves me too heartbroken to move on. 3. Continue living my happily single life. There's only one problem... Harris wasn't supposed to be the kind of man I've always wanted. There's no denying the sparks that fly between us. Just when I'm about to give him my heart, he does the one thing I can't forgive. Our breakup is public all right, and the heartbreak is real.

*The Spanish Love Deception* Elena Armas 2022-02-08 A wedding. A trip to Spain. The most infuriating man. And three days of pretending. Or in other words, a plan that will never work. Catalina Martín, finally, not single. Her family is happy to announce that she will bring her American boyfriend to her sister's wedding. Everyone is invited to come and witness the most magical event of the year. That would certainly be tomorrow's headline in the local newspaper of the small Spanish town I came from. Or the epitaph on my tombstone, seeing the turn my life had taken in the span of a phone call. Four weeks wasn't a lot of time to find someone willing to cross the Atlantic from NYC

and all the way to Spain-for a wedding. Let alone, someone eager to play along with my charade. But that didn't mean I was desperate enough to bring the 6'4 blue eyed pain in my ass standing before me, Aaron Blackford. The man whose main occupation was making my blood boil had just offered himself to be my date. Right after inserting his nose in my business, calling me delusional, and calling himself my best option. See? Outrageous. Aggravating. Blood boiling. And much to my total despair, also right. Which left me with a surly and extra large dilemma in my hands. Was it worth the suffering to bring my colleague and bane of my existence as my fake boyfriend to my sister's wedding? Or was I better off coming clean and facing the consequences of my panic induced lie? Like my abuela would say, que dios nos pille confesados. The Spanish Love Deception is an enemies-to-lovers, fake-dating.

*Pretend To Love You: A fake relationship, grumpy-sunshine, sister's best friend, small town romance* Julia Jarrett 2023-06-21 From bestselling author Julia Jarrett comes a steamy, fake dating, grumpy / sunshine, small town romance about a former NHL star and his little sister's best friend who will heal more than his injured leg... My all-star hockey career is over. All because of a busted leg from one too many hits into the boards. Coming home to Dogwood Cove to heal and figure out my next steps feels like the best option I've got. Then somehow the first step I take is to wind up in a fake relationship with my physical therapist, who also happens to be my little sister's best friend. It starts out simple enough. Lily needs a date to a family wedding, one that promises to be more torture than celebration. Now, thanks to an overbooked hotel with only one bed, two gossiping bridesmaids, and a three minute slow dance... the entire town, including our families, thinks we're dating. To save face we decide to keep the ruse going. There's just one problem: What I'm feeling for Lily is anything but pretend. Falling for her wasn't part of the plan, but she's a ray of light that pierces through the dark clouds surrounding me. She thinks my future is still in hockey, but I know differently. My future is with her.

**A Perilous Marriage (a hero pretends to be in love with the heroine Regency romance)** Ruth Ann Nordin All Eris wants is a love match... Miss Eris Tumilson longs for a love match.

Unfortunately, being a wallflower who spends most of her time reading and doing embroidery isn't the kind of thing that attracts gentlemen. But, at long last, the spinster gets her chance. Her brother arranges a marriage for her with the Duke of Jowett. When her new husband dies on their wedding night, her hopes are dashed. There will be no love match. There's not even the prospect of a child on the way. Though a widow, she might as well still be a spinster. Then Mr. Charles Duff comes along to visit her, and something begins to stir up within her that she was determined to put behind her once and for all: the desire for a love match. All Charles wants is to prove his friend was murdered... Charles would rather focus on his investments than take a wife. But when his friend dies on his wedding night, he knows it's not from natural causes. His friend was murdered. And he's sure Eris did it. The problem? He has to prove it since no one believes him. So he comes up with a plan to make Eris believe he's fallen in love with her. Little does he realize that as soon as he steps through the doorway of her townhouse, he'll start to discover that this shy wallflower is a hidden gem among ladies...and it'll be difficult to tell the difference between pretending to be in love and really being in love. \*Charles originally showed up in Kidnapping the Viscount. Eris originally showed up in The Reclusive Earl.

But not as depressing as being told by his mother that he looks like Humpty Dumpty - after the accident. With a face that not even his own mother can love, it's hardly surprising that he'll try anything to get a woman to go out with him, even if it's only for a single date. With little interest in anything other than his quest for a woman and a nice bit of cod and chips, Jason needs to think outside the box if he's going to find someone who'll give him a chance. Along with Barry - his best mate - Jason comes up with the only thing he thinks will work: dating a blind woman. However, to do that, he needs to pretend he's blind himself, which is a lot harder than you might think ... especially when guide dogs are so hard to come by. Eventually Jason's efforts pay off and he meets Emma, a pretty professional with a host of friends. When he takes her out, they instantly hit it off. But will Jason be able to fool both Emma and her best friend Jerry into thinking he's blind? *Pretending I Love Lucy* Julie Christianson 2022 "The first rule of being a winner? Never lose your heart. People think it's easy being Felix Dodd III. And sure, the legacy and inheritance aren't exactly terrible. But the name comes with so many strings, my hands feel permanently tied. Like I'm stuck following in my father's footsteps. Like I can't trust peoples intentions. Like my grandmother wants me settled down before my thirtieth birthday. I've got less than zero interest in marriage, ever since my one attempt at love crashed and burned. But Grams won't let me access my trust until I'm engaged. Which means I need a fiancée. Someone who's looking for quick cash and a quicker getaway. Someone like Lucy Devlin. She's got less than zero interest in me. But if I can get her to play along - just long enough to fool my grandmother - Lucy will be whole lot richer, Grams will be none the wiser, and I'll stay heartbreak free. As long as I remember the new rule: Don't love Lucy for real." -- page 4 of cover.

**PRETENDING** Adrian Gabriel Dumitru All my writings are kind of a ... self therapy And i was writing on and on and on .... defining my feelings and thoughts ... But it was a little bit funny realizing the contradiction between what i thought, what i felt deep inside of my soul ... and how i was acting on the stage of life. ... analyzing and defining myself ... the one that i thought i was ... deep into my soul ... and the one from the outside world ... i was realizing it's such a huge difference. And still ... i was trying to be better ... but all i was doing was ... pretending ... on and on and on. But why?! Why ... this huge different between my inner self and the one from the stage of life?! I knew the theory ... and knew all i had to do ... and i was really pretending ... i was doing the right thing, but ... Well .... most probably my real problem ... which was a huge one .... was probably that i was disconnected from my inner self. I knew about that self. I knew it exists ... and i had to be one with it ... and even if i was pretending i was doing the right thing ... it was all a lie. I was lying myself ... pretending ... on and on and on ... Why?!
