The Body Language of Dating - Tonya Reiman 2012-01-03

Primal instinct meets the power of choice in this go-to guide to getting the guy. The last time you locked eyes with a gorgeous, manly specimen across the room or took a detour past the object of your affection, fluffing your locks on your way to the powder room, you probably didn't think you were performing an ancient mating dance. Whether the fashion of the day is miniskirts or mammoth hides, the knowing glances, chest puffing, hair tossing, and backside brandishing are all part of a complicated ritual choreographed over epochs and designed for your very survival. Thankfully, evolution has taken care of the hard part, leaving today's woman with the sometimes daunting task of deciphering the intriguing, often infuriating signals of modern man. In this smart, funny, and invaluable book, nationally renowned body language expert Tonya Reiman decodes the complicated dating game. While some of us seem to have been born with a razor-sharp "sexual instinct," the rest of us could use a little practice. Luckily, the formula for dating success is easy to learn. Within these pages, you'll discover how to display the body language necessary for making solid connections with potential mates, uncover the mysteries of man himself, and find handy new tricks for your attraction arsenal. Not only that, The Body Language of Dating will teach you how to: Whether you feel like you couldn't attract a fireman with your head ablaze or just want to give your seasoned connection-rejection ratio a boost, Tonya Reiman will help you shave time, effort, and heartbreak from your mating quest. She didn't make the rules, but she sure can teach you how to use them. * Read a guy's facial expressions, gestures, and posture for clues to his state of mind. * Tell long-term mates from short-term dates. (Hint: You can often tell just by looking at him!) * Send silent messages that tug on your hottie's heartstrings. * Save yourself from losers like Not-Interested Nate and Stalker Steve and get straight to Mr. Right (or Mr. Right Now). * Wield the science of scent in any social situation. Whether you feel like you couldn't attract a fireman with your head ablaze or just want to give your seasoned connection-rejection ratio a boost, Tonya Reiman will help you shave time, effort, and heartbreak from your mating quest. She didn't make the rules, but she sure can teach you how to use them.

Captivate - Vanessa Van Edwards 2017-04-25

Do you feel awkward at networking events? Do you wonder what your date really thinks of you? Do you wish you could decode people? You need to learn the science of people. As a human behavior hacker, Vanessa Van Edwards created a research lab to study the hidden forces that drive us. And she's cracked the code. In Captivate, she shares shortcuts, systems, and secrets for taking charge of your interactions at work, at home, and in any social situation. These aren't the people skills you learned in school. This is the first comprehensive, science backed, real life manual on how to captivate anyone—and a completely new approach to building connections. Just like knowing the formulas to use in a chemistry lab, or the right programming language to build an app, Captivate provides simple ways to solve people problems. You'll learn, for example... · How to work a room: Every party, networking event, and social situation has a predictable map. Discover the sweet spot for making the most connections. · How to read faces: It's easier than you think to speed-read facial expressions and use them to predict people's emotions. · How to talk to anyone: Every conversation can be memorable—once you learn how certain words generate the pleasure hormone dopamine in listeners. When you understand the laws of human behavior, your influence, impact, and income will increase significantly. What's more, you will improve your interpersonal intelligence, make a killer first impression, and build rapport quickly and authentically in any situation—negotiations, interviews, parties, and pitches. You'll never interact the same way again.

Cues - Vanessa Van Edwards 2022-03-03

It's not enough to have great ideas. You also need to know how to communicate them. What makes someone charismatic? Why do some people captivate a room, while others have trouble managing a small meeting? What makes some ideas spread, while other good ones fall by the wayside? Cues - the tiny signals we send to others 24/7 through our body language, facial expressions, word choices and vocal inflection - have a massive impact on how we, and our ideas, come across. Our cues can either enhance our message or undermine it. In this entertaining and accessible guide to the hidden language of cues, Vanessa Van Edwards teaches you how to convey power, trust, leadership, likability and charisma in every interaction. You'll learn: - Which vocal cues make you sound more confident - Which body language cues assert, 'I'm a leader, and here's why you should join me' - Which verbal cues to use in pitches, branding and emails to increase trust (and generate excitement about interacting with you) - Which visual cues you are sending in your profile pictures, clothing and professional brand Whether you're pitching an investment, negotiating a job offer or having a tough conversation with a colleague, Cues can help you improve your relationships, express empathy and create meaningful connections with lasting impact. 'A must-have guide to becoming an unstoppable force' - Mel Robbins 'Packed with invaluable strategies for maximizing your message, Van Edward's energy will inspire you to become the best possible version of yourself' - Nir Eyal

Body Language Mastery - John Rogers 2020-06-09

Despite your wild hopes, this book has nothing to do with mind reading. Let's just shoot that myth out of the water right now. If you want to read minds, check out the science fiction section, I'm sure it's nearby! Skillful interpretation of nonverbal communication will help to pick out underlying attitudes, moods, intentions and emotions of men. This book will teach you a real skill that requires real practice to perfect. You will soon understand which men are right for you and which are wasting your time. Body language isn't a topic that can be fully grasped by reading an article titled, "Top Ten Tips for Reading Body Language." Too often have I come across gossip magazines claiming to reveal secrets to understanding men's body language in a few easy steps. It doesn't work like that. People are complicated. The brain is complicated. Our motivations are complicated. Claims like these are attention grabbers and are designed to make sales, not teach psychology. There are reasons people behave the way they do. A fundamental process in the brain controls our body's interactions with the environment. You must have an accurate understanding of this process before you can understand all of the fascinating ways men behave.1.) The main goal of this book is to teach you how to read the body language of attraction. You will do this by learning specific gestures. When you understand why these gestures are used you will then understand attraction body language.2.) The second goal is to help you recognize alternative meanings of gestures. Magazine articles often focus on only one meaning of a gesture and often only describe the most extreme and unusual way a gesture is used. Many times one gesture has multiple meanings. The English language also has similar words with very different meanings. Take for instance the words there, their, and they're. They all sound the same but have different meanings. To accurately observe body language you must understand different uses of each gesture. When you understand the mental process that drives body language and the knowledge of how each gesture can be used, you will accurately interpret attraction in the body language of men. 3.) Lastly, I also hope to instill a solid foundation for you to begin verbally and nonverbally responding to people in your life, be it the man of your dreams or a group of friends. Many books teach how to read body language, but fail to address what you then do with the observations you make. Reading body language is only half the battle. You will find that you cannot fully understand the attraction body language of men without understanding body language as a whole first. You cannot learn a part of body language and see the whole accurately, just as you cannot learn part of a language and speak it fluently. You must first learn the language fluently, then you will understand attraction fully. Let's begin by defining body language and why it works.

A world renowned anthropologist explores the nonverbal signs, signals, and cues human beings exchange to attract and keep their mates. As a medium of communication, Love's silent language predates speech by millions of years. Today, we still express emotions and feelings largely apart from words. The postures, gestures, and facial cues of attraction are universal, in all societies and cultures. According to Dr. Givens, courtship moves slowly through five distinct phases: attracting attention, recognition phase, conversation phase, touching phase, making love. Since potential mates "test" each other before uniting as one, courtship is a choreographed give and take of signs granting physical and emotional closeness. Love Signals is part ethnography and part how-to. Dr. Givens documents the little courting rituals witnessed in elevators, on subways, and in the workplace. He examines the essential role the face plays in courtship and how it can be optimally displayed. He decodes the body to find silent messages given off by shoulders, neck, arms, hands, waist, calves, ankles, feet, and toes. Dr. Givens analyzes expressive shapes, colors, and markings encoded in arm wear, shoulder wear, leg wear, and shoes. He deciphers the background messages of spaces, places and interiors to learn how environs help or hinder in the meeting process. Chemical cues emanating from aromas, tastes, steroids, sterols, and hormones strongly shape a partner's feelings, so they are explored as well. The book suggests ways to gaze, ways to read eyes across a room, and ways to sit, stand, align, walk dress, and lift a drink to participate in the fascinating adventure of finding, winning, and keeping a mate. Knowing the unspoken vocabulary of love signals will give readers an edge. What this means for courtship is that the reader becomes able to read unspoken motives, emotions, and feelings with great clarity and precision. The more readers know about the nonverbal idiom of attraction, the more likely they will find a loving, lasting partner. *ALPHA MALE DATING The Essential Playbook* - Sean Wayne

☐There's no reason in the world why you can't have that fine woman on the other side of the room. If you were aware of her body language and had you been prepared mentally, you'd know exactly how to seduce her☐ If you had read Alpha Male Dating The Essential Playbook, you wouldn't be across the room right now, not way over there, staring at her like an imbecile. You'd know exactly what to do and you'd have all the confidence to turn a lonely night into an exciting evening, or a long-term relationship. No woman is too good for you. You've watched her, observed her moves and know exactly what to do. Now she's in your sights. What's more, she's unaware that you're about to sweep her off her feet. You know all these things because you've been reading her body language, and you're aware she's into you because you've been reading her like a book. Here's just an excerpt of what you'll discover inside: ☐ There's no mystery how you're going to make initial contact, scoop her up and take her to the night of her dreams. ☐ You carry yourself like a

man, like an Alpha Male, confident, assured and with purpose. ☐ There's no stutter step or miscue. She's simply astonished at how you came into her presence and maneuvered your way expertly into her full attention. ☐ You speak eloquently and you're respectful through and through. ☐ You're dressed well, full of interesting things to say. ☐ She's never met a man like you, a man who listens with intent and responds smartly. ☐ Moreover, you're respectful, know your boundaries and you know how to keep her attention. You're irresistible. ☐ You know all this because you know the Law of Attraction and Love Hypnosis. That's how you were able to sweep her off her feet then and now that you've been dating, she still can't get enough of you. All this because you read this essential playbook on dating and you are fully aware how to keep your relationship and take it to the next level; marriage ...if you want. Your relationship is full of confidence and awareness of her. She couldn't have been luckier that night, when you walked across the room and into her life. You've done all this because you know how an Alpha Male builds a relationship. You know all this because you know her interests and nobody makes her feel more like a queen than her king, you. But you didn't do this by being an alpha bully, you did all this by being aware and knowing how to compromise without ever compromising yourself. Because you read this playbook, you know how to take your dating game to the home game that is never dull or without passion. ☐ You're her King and you make her feel like a Queen. ☐ You're not jealous, but confident, always. ☐ You're passionate but you don't overwhelm her. ☐ You know exactly how to touch her, reach her hot spots and after years of being together, making love to you is always fresh, fun and new. ☐This is how an Alpha Male dates and builds his game into a long-term relationship, if he chooses, with confidence. You know what you want. You know how to get it. You know because you've read Alpha Male Dating The Essential Playbook☐ Don't Hesitate! ☐Scroll Up, Click "Buy Now" and Invest In Yourself Today!☐
