Naked Relationships - Jan Denise 2002-03-01

Stop the cycle of bad breakups by getting naked! For many of us, the fabled search for true love never seems to find a happy ending. We bounce from relationship to relationship, whether married or single, blaming the other person when things go sour, though never truly

knowing what went wrong, never certain if it will work out next time. *Naked Relationships* is a smart, fun, and practical guide to building healthy, lasting relationships. Jan Denise, whose newspaper column offers weekly advice on the finer points of love and life, shows you how to take nakedness to a whole new level, physically, mentally, and spiritually. You'll begin to understand relationships in a way you never did before. And you'll come to know that there really is a recipe for perfect love. Best of all, you'll acquire tools to perfect the most important relationship of all--your unconditional love of self--so that the real you emerges, beautifully naked, ready for an honest relationship with a partner. *Create Intimacy... in As Little As 8 Seconds a Day!* - Wayne Ottum 2012-11-01

What do you crave in your relationship? More sex, appreciation, understanding, connection, romance, passion? All of the above? Whatever IT is, it begins with INTIMACY! Intimacy is the foundation of a trusting, loving, romantic and passionate relationship and you can have more of it in as little as 8 seconds a day! It's true! Regardless of your age, gender, or sexual orientation, or how many years you have been together it is possible to create more intimacy in your relationship right now. It starts by answering two little questions... What does intimacy mean to you? What does intimacy mean to your partner? It doesn't matter how anyone else defines it, YOU get to choose your own definition. The simple process introduced in this book respects your individuality and your unique needs as a couple. The only right answers are the answers that are right for you, your partner, and your relationship. By discovering and sharing your personal definition of intimacy, you unleash the power to give AND get more of what you need in your relationship - more love and respect, clear communication, strong connection, and deep understanding - while building a solid foundation that will stand the test of time. Imagine the relationship of your dreams, one with renewed energy, the love you desire, the sex you crave, the fun and laughter you long to share... It begins with intimacy and it starts right now! Everyone has 8 seconds to give, especially when the reward is so great; a lifetime of romance and passion with the one you love! Create

Intimacy... in as little as 8 seconds a day will show you how to ignite and enhance the intimacy in your relationship, one easy, fun and confident step at a time!

Happily Ever After...and 39 Other Myths about Love - Linda Bloom
2016-03-11

Bust the Myths to Build a Great Relationship According to bestselling authors and relationship counselors Linda and Charlie Bloom, accepting common myths such as “couples with great relationships don’t fight” or “little things aren’t worth getting upset over” can prevent you from building the strong relationship you hope for. This book offers compelling stories and valuable suggestions for replacing myths with realistic expectations, equipping you with behavior and communication guidelines that will enhance and strengthen your intimate relationship. With the Blooms’ strong yet flexible approach to love, you’ll discover a new openness in which mutual understanding can thrive.

Visions of the Night - Kelly Bulkeley 1999-09-16

This wide-ranging exploration of the spiritual and scientific dimensions of dreaming offers new connections between the ancient wisdom of the world's religious traditions, which have always taught that dreams reveal divine truths, and the recent findings of modern psychological research. Drawing upon philosophy, anthropology, sociology, neurology, literature, and film criticism, the book offers a better understanding of the mysterious complexity and startling creative powers of human dreaming experience. For those interested in gaining new perspectives on dreaming, the powers of the imagination, and the newest frontiers in the dialogue between religion and science, *Visions of the Night* promises to be a welcome resource.

Exploring Communication Theory - Kory Floyd 2017-06-14

This text presents and explains theories in communication studies from the epistemological perspectives of the researchers who use them. Rather than representing a specific theoretical paradigm (social scientific, interpretive, or critical), the author team presents the three major paradigms in one text, each writing in his or her area of expertise. Every theory is explained in a "native" voice, from a position of deep understanding and experience, improving clarity for readers. The text also provides insights on using communication theory to address real-life challenges. Considering that theories are developed to guide scholarly research more than to provide practical advice, this feature of the book helps students create realistic expectations for what theories can and cannot do and makes clear that many theories can have practical applications that students can use to their advantage in everyday life. Offering a comprehensive exploration of communication theories through multiple lenses, Exploring Communication Theory provides an integrated approach to studying communication theory and to demonstrating its application in the world of its readers. Online resources also accompany the text. For students: practice quizzes to review key concepts; for instructors: an instructor's manual featuring chapter outlines, lists of key

terms, discussion questions, suggested further readings, and both in-class and out-of-class exercises, as well as lecture slides and sample essay test questions.

Talking with Teens about Sexuality - Beth EdD Robinson 2021-02-16

When Dr. Robinson asked her freshman psychology students what today's parents need to know about teens and sex, they said parents do

not have a realistic view of the world their children live in. A healthy sexual identity requires more than just a list of what not to do. In today's culture of sexual identity confusion, ubiquitous pornography, and #MeToo, teenagers need to know how to protect themselves as well as how to treat others. Talking with Teens about Sexuality will help you understand your teen's world and give you effective strategies in the midst of cultural pressures. Drs. Robinson and Scott provide scientifically reliable and biblically based information about gender fluidity, types of intimacy, online dangers, setting boundaries, and much more. Along the way, the book provides useful conversation starters and insightful guidance. Don't let fear keep you from engaging in vital conversations. Learn how to talk to your teen with knowledge and confidence, guiding them toward a sexually healthy future.
