**S. Sylvan Simon, Moviemaker** David C. Tucker 2021-01-21 He was Red Skelton's favorite director, and mentored Lucille Ball in the art of physical comedy. In his 15-year Hollywood career, S. Sylvan Simon (1910-1951) directed and/or produced more than 40 films, with stars like Lana Turner, Abbott and Costello, and Wallace Beery. Though he loved to make moviegoers laugh, he demonstrated his versatility with murder mysteries, war stories, and musicals. After a decade at MGM, he moved to Columbia, where he produced his own projects, including the Western melodrama *Lust for Gold*, and popular slapstick comedies like *The Fuller Brush Girl*. As head of production, reporting to irascible Harry Cohn, he produced the award-winning *Born Yesterday*, and was working on *From Here to Eternity* when his life ended tragically at the age of 41. This first-ever account of Simon's life and career draws on interviews with family and colleagues, genealogical records, archival materials, and his own annotated scripts to tell the story of a stage-struck boy from Pittsburgh whose talent and tenacity made him a Hollywood success. The filmography provides production histories, critical commentary, and excerpts from published reviews. An appendix covers books written or edited by Simon, including his anthologized plays for amateur groups.

Georgie wouldn't trade her exciting new life for anything in the world, including marriage. **In the Days of Simon Stern** Arthur Allen Cohen 1973 Nathan, a blind Jewish scribe, tells the story of the coming of the Messiah in the person of one Simon Stern -- from his birth on the Lower East Side, through his career as a millionaire dealer in real estate, to his building of a refuge for the Jewish remnant of World War II. Cynthia Ozick wrote in the NY Times Book Review: "This book ensnares one of the most extraordinarily daring ideas to inhabit an American novel in a number of years. For one thing, it is that risky devising, dreamed of only by the Thomas Manns of the world, a serious and vastly conceived fiction bled out of the theological imagination. For another, it is clearly an 'American' novel--altogether American, despite its Jewish particularity: it is not so much about the history of the Jews as it is about the idea of the New World as haven ... In its teeming particularity every vein of this book runs with a brilliance of Jewish insight and erudition to be found in no other novelist. Arthur Cohen is the first writer of any American generation to compose a profoundly Jewish fiction on a profoundly Western theme."
