The Power Naomi Alderman 2017-10-10 In this stunning bestseller praised as "our era's Handmaid's Tale," a fierce new power has emerged—and only women have it (Washington Post). In *The Power*, the world is a recognizable place: there's a rich Nigerian boy who lounges around the family pool; a foster kid whose religious parents hide their true nature; an ambitious American politician; a tough London girl from a tricky family. But then a vital new force takes root and flourishes, causing their lives to converge with devastating effect. Teenage girls now have immense physical power: they can cause agonizing pain and even death. And, with this small twist of nature, the world drastically resets. From award-winning author Naomi Alderman, *The Power* is speculative fiction at its most ambitious and provocative, at once taking us on a thrilling journey to an alternate reality, and exposing our own world in bold and surprising ways.

"Captivating, fierce, and unsettling...I was riveted by every page. Alderman's prose is immersive and, well, electric." —New York Times Book Review

A Lady's Guide to Selling Out Sally Franson 2018-04-10 With “elements of *The Bold Type*, *Mad Men*, and *The Devil Wears Prada*” (Entertainment Weekly), a young woman navigates a tricky twenty-first-century career—and the trickier question of who she wants to be—in this savagely wise debut novel Casey Pendergast is losing her way. Once a book-loving English major, Casey lands a job at a top ad agency that highly values her ability to tell a good story. Her best friend thinks she’s a sellout, but Casey tells herself that she’s just paying the bills—and she can’t help that she has champagne taste. When her hard-to-please boss assigns her to a top-secret campaign that pairs literary authors with corporations hungry for upmarket cachet, Casey is both excited and skeptical. But as she crisscrosses America, wooing her former idols, she’s shocked at how quickly they compromise their integrity: A short-story writer leaves academia to craft campaigns for a plus-size clothing chain, a reclusive nature writer signs away her life’s work to a manufacturer of granola bars. When she falls in love with one of her authors, Casey can no longer ignore her own nagging doubts about the human cost of her success. By the time the year’s biggest book festival rolls around in Las Vegas, it will take every ounce of Casey’s moxie to undo the damage—and, hopefully, save her own soul. Told in an unforgettable voice, with razor-sharp observations about everything from feminism to pop culture to social media, *A Lady’s Guide to Selling Out* is the story of a young woman untangling the contradictions of our era and trying to escape the rat race—by any means necessary. Maid Stephanie Land 2020-01-21 NEW YORK TIMES

BESTSELLER *Evicted* meets *Nickel and Dimed* in Stephanie Land's memoir about working as a maid, a beautiful and gritty exploration of poverty in America. Includes a foreword by Barbara Ehrenreich. At 28, Stephanie Land's plans of breaking free from the roots of her hometown in the Pacific Northwest to chase her dreams of attending a university and becoming a writer, were cut short when a summer fling turned into an unexpected pregnancy. She turned to housekeeping to make ends meet, and with a tenacious grip on her dream to provide her daughter the very best life possible, Stephanie worked days and took classes online to earn a college degree, and began to write relentlessly. She wrote the true stories that weren't being told: the stories of overworked and underpaid Americans. Of living on food stamps and WIC (Women, Infants, and Children) coupons to eat. Of the government programs that provided her housing, but that doubled as halfway houses. The aloof government employees who called her lucky for receiving assistance while she didn't feel lucky at all. She wrote to remember the fight, to eventually cut through the deep-rooted stigmas of the working poor. *Maid* explores the underbelly of upper-middle class America and the reality of what it's like to be in service to them. "I'd become a nameless ghost," Stephanie writes about her relationship with her clients, many of whom do not know her from any other cleaner, but who she learns plenty about. As she begins to discover more about her clients' lives-their sadness and love, too-she begins to

find hope in her own path. Her compassionate, unflinching writing as a journalist gives voice to the "servant" worker, and those pursuing the American Dream from below the poverty line. Maid is Stephanie's story, but it's not her alone. It is an inspiring testament to the strength, determination, and ultimate triumph of the human spirit.

Laughs & Love Amaya Lewis 2022-02-23 Nya is a senior in high school in an environment where there are not many students who look like her as a Black Latinx woman but she finds her balance in the imbalance. She has made a very difficult decision, believing that in order to fit in and in order to be accepted by her white counterparts she must, "put on a show." She laughs at jokes that are racially motivated when she knows that they're inappropriate. She laughs when her "friends" ask her questions about being Black or being Latinx. She never corrects them when they say things that are offensive to her personally and they will say these things with her in the room and with no shame, she laughs. It isn't until her senior year when she must do a family tree for a history assignment that she realizes what she's doing undermines her family, that she loves. It's the first time in her life that she's ever actually sat down and had a conversation with her mother who was from the South and her father who is from South America. It

is through these conversations that she realizes just how deep the blood in her veins runs and the decision is made that when she presents this family tree to her classmates, she is also going to present to them a new form of education. One that explains the things that are acceptable and the things that are not when they are speaking to her and about people like her. A very challenging story about how difficult it is for teenagers to belong in spaces that they don't feel like they can thrive in. Hopefully, this will educate students, teachers and parents alike. Having a sense of belonging for a teenager may be more important than what those of us on the outside looking in can conceive. A story of truly finding and accepting your identity even if that means that you find yourself standing alone, isolated, on an island. Finally having that sense of self for Nya makes it all worth it.

I fell in love with you and I cried Rachel Hill 2022-04-02 I fell in love with you and I cried is a spiritual, personal and travel memoir of a year in India and Southeast Asia. In April 2017 my husband and I asked ourselves, what would we do if we could do anything? We decided to sell up, leave our jobs and go travelling, along the way unpicking the conditioning of property, career and security and exploring what a life with less stuff would look like. We gave away most of our possessions and in March 2018 we went to India, where we spent seven months in all, then Thailand, Tokyo, Nepal, Cambodia and Vietnam. My book documents the trip through the eyes of a relatively inexperienced traveller. The sights, sounds and colours of India and Southeast Asia as well as the physical and emotional challenges of a year of travel. This was a pre Covid19 trip of a lifetime; making connections with local people and fellow travellers and putting beliefs about minimalism into practice by living out of a small backpack for a year of slow travel.

The Swan Diptych Ian Thomson 2015-12-01 The Swan Diptych A diptych is a painting or carving (often an altarpiece) on two panels, hinged like a book. The two stories in The Swan Diptych are likewise hinged, sometimes obviously, sometimes more subtly. Both depict the consequences of the folly and overweening pride of those who are clothed in 'a little brief authority'. In the year 1387, King Richard II visits the thriving cathedral city of Lincoln and presents a ceremonial sword to the Mayor. There is a local legend that if the swans ever leave the pool at the foot of the steep hill where the cathedral stands, the building will fall. During the celebrations the Dean believes himself to be insulted

by one of the swans and vows to avenge himself. How the Dean Angered the Swans is a fable which exposes the arrogance of man and his refusal to recognise his proper place in a world which is in his custody. The Patronal Feast is set in St Stephen's College, Cambridge, in Tudor times. During the annual feast in honour of the saint's name, members of the college are permitted to eat roast swan by an edict of Richard II called the King's Writ, which is read out as the dish is served. Before the night is over, a macabre ritual murder is discovered, the Writ has disappeared, and a kitchen boy has been abducted. Paolo Giovio, internationally renowned scholar, and friend of Erasmus, is sent for. He uncovers a dark train of events, involving men of power and high station. This is a tale of ambition and betrayal over three turbulent decades. Ian Thomson is the author of *The Mouse Triptych*. He was educated at Downing College, Cambridge and lives in Lincoln.

Unorthodox Deborah Feldman 2012-10-02 Traces the author's upbringing in a Hasidic community in Brooklyn, describing the strict rules that governed her life, arranged marriage at the age of seventeen, and the birth of her son, which led to her plan to leave and forge her own path in life.

Desire and Consent in Representations of Adolescent Sexuality with Adults Maureen Turim 2023-09-29

This book presents an innovative comparative view of how the issue of adolescent sexuality and consent is differently treated in various media. Analyzing teenage sexual encounters with adults across a variety of media, including films, television, novels, and podcasts, the volume takes a positive stance on the expression of teenage sexuality, while remaining sensitive to the power of adults to abuse and manipulate. The anthology treats these representations as negotiations between conflicting forces: desire, sexual self-knowledge, unequal power, and the law, the latter both actual legal statutes and internalized law in the philosophical and psychoanalytic sense. Questions of unequal power inherent in such relations are theorized. The authors examine variations of this configuration of sexual relations between teenagers and adults from different perspectives, to consider how various forms of expression rework it formally. These essays are attuned to both nuances of presentation and contexts of reception, and they consider how aesthetics play a role. Contributing to the general debate about the ways that societies construct and regulate adolescent sexuality, this book will be of great interest to scholars and students of media studies, cultural studies, film studies, television studies, sociology, and gender studies

The Reservoir David Duchovny 2022-06-07 A former Wall Street veteran, quarantined by the coronavirus, becomes consumed with madness—or the fulfillment of his own mythic fate. "A lonely ex-financier stuck in his apartment during the Covid-19 pandemic becomes obsessed with the Central Park Reservoir and slowly goes mad." —New York Times Book Review "[Duchovny's] novella The Reservoir, set in New York City, probes how pandemic isolation has changed us." —The Boston Globe "A new, pandemic-inspired, Rear Window-esque thriller." —Village Voice "Evocative, chilly prose that wouldn't be out of place in a late Don DeLillo novel. Like his previous novels Bucky F*cking Dent and Miss Subways, it's a love letter to Duchovny's native New York. But it's also a smart story about obsession. A slim, compelling tale of a man on the brink." —Kirkus Reviews The Reservoir follows an unexceptional man in an exceptional time. We see our present-day pandemic world and New York City through the eyes of a former Wall Street veteran, Ridley, as he looks back upon his life in his enforced quarantine solitude, wondering what it all means and who he really is. Sitting and brooding night after night, gazing out his huge picture window high above the Central Park

Reservoir, Ridley spots a flashing light in an apartment across the park as if a lonely quarantined person is signaling him in Morse code. His determination to find out who this mystery woman is leads him on an epic quest that will ultimately tempt him with either delusional madness or the fulfillment of his own mythic fate. Is he a dying man going mad or an everyman metamorphosing into a hero? Or both? We accompany Ridley as he leaves the safety of his apartment window to save the Fifth Avenue femme fatale and descends into a dangerous, increasingly surreal world of global conspiracies, madness, and sickness of this viral time. As Ridley's actions grow more and more uncharacteristic, he realizes the key to all the mysteries of now, and even all of history, seem to lie deep beneath the freezing waters of the reservoir. The Reservoir is a twisted rom-com for our distanced time, when the merest touch could kill and conspiracy theories propagate like viruses—a contemporary union of *Death in Venice*, *Rear Window*, and *The Plague*.

Baby Reindeer Richard Gadd 2019-10-07 I looked at her, wanting her to laugh. Wanting her to share in the joke. But she didn't. She just stared. I knew then, in that moment - that she had taken it literally... Edinburgh Comedy Award winner Richard Gadd has a chilling story to tell about obsession, delusion and the terrifying ramifications of a fleeting mistake. This powerful and engaging monologue play portrays a man brought to the edge by the actions of a chance encounter which takes a toll on all aspects of his life. In doing so it asks important questions about victims, the justice system and how one decision has the ability to change your life.
