Sex Tourism in Africa -

Wanjohi Kibicho 2016-04-01

Illustrated by in-depth empirical research from Kenya - one of the most popular country destinations in Africa for sex tourism - this book gathers much-needed statistics and data, and then critically examines the features of tourism and the sex trade, contextualizing this in relation to tourism development. It addresses the conditions which

generate this 'social problem' and, while not taking a potentially problematic moralistic stance it questions whether this trade is exploitative in nature, particularly in cases of child sex tourism. It then critically evaluates the current policies in place to regulate the sex tourism industry and provides suggestions for future direction.

Questions about Sex - Linda Goldman 2010-02-15
What does sex mean? Where do babies come from? Why is my body changing? Sex is never an easy subject for discussion and adults often struggle to find the right words when talking about it with children. This book explores children's thoughts and feelings on the subject of sex and provides parents and other caring adults with guidance on how to respond to difficult questions. The author explores some of the most common questions children ask about sex and provides sensitive yet candid answers, phrased in a way that children will be able to understand and relate to. Each chapter is devoted to a particular issue, such as how babies are made, relationships, and the differences between boys and girls. The book recognizes the emotions and reactions of children and family members and includes separate conclusions for adults and children. This guide offers useful advice for parents and carers and will also be of

interest to counsellors and other professionals working with children.

Sexpertise - Robin Sawyer 2008-04-22

"Let's get one thing very clear - there are no stupid questions in sex." Ever since Adam and Eve ate the forbidden fruit, people have been curious about sex: Do women really care about size? Is there any truth to the blue balls rumor? Could I get HIV from someone performing oral sex on me? Why do guys like to watch porn so much? In *Sexpertise*, Dr. Robin Sawyer, who teaches human sexuality at the University of Maryland, takes the most-asked questions about sex from his enormously popular course and provides scientifically accurate yet honest, entertaining, and most of all, useful answers. From flirting and fetishes to staying power and STDs -- no topic is too embarrassing or off-limits to explore. Whether read cover to cover or as a go-to guide when particular questions arise, *Sexpertise* delivers all the knowledge you need to

separate the truth about sex from its myths and urban legends, and in turn become a true sexpert.

Sex Education - Florin

Constantinescu 2020-09-14

What is sex education? Is sex education important? Why should people know things they haven't shown interest in yet? Is sexuality good? It is bad? Is it allowed? Isn't it

allowed? Here are some of the hundreds of questions that populate every person's mind, especially during puberty, adolescence and youth.

Questions unknowingly left unanswered by a society obsessed with hypocritical and schizoid behaviors, a society that condemns things that are absolutely natural but is extremely tolerant of things that spring from the darkest behaviors. What are the sources of information about sexuality and sex education? Well, in the order of interest shown by young people, they are the media (television and the Internet), discussions with friends, syrupy books, discussions with parents and

explanations at school. The smartest know that television is incredible, the Internet is full of untalented actors who play extremely poorly defined roles, friends talk more from what they hear and from their own imagination, it is difficult to discuss with parents, both out of reluctance as well as their lack of time, and at school there are some notions of the anatomy of the reproductive system absolutely without salt and pepper, sterile information presented pompously under the name of Sex Education. And then how can a young man who wants to be well informed know something about such a nebulous field of sexuality? Of course, the bravest and without too many pretensions of prudence rush fearlessly into the real exploration of this sexuality, and too many of them end up in hospitals, with consequences for life, premature parents or with souls torn into thousands of pieces. For this reason we believe that correct information, free of prejudices and false modesty can save the

life and future of any young person. It is important to know that sex life involves certain dangers and pitfalls, like any other aspect of our lives, and it is desirable that these difficulties be overcome, because information always means power. This paper tries to answer some of the questions of young people, questions that address a wide range of interests and topics, all related to sex education. The reader will find short and succinct answers, without unnecessary and tedious details, about the questions that trouble him. We hope that the reader will find the information interesting and will become more educated and better prepared for the trials of life, after completing this paper.

Intimate Questions - Miracle Stella M 2020-08-24

There is a hidden world that is all about emotional reactions. Emotional reactions we don't consciously control. The truth is, falling in love is not something we choose to do. It's more like getting thirsty. You

don't choose to get thirsty. You just notice it. And the stronger your thirst becomes, the harder it gets to ignore. As we grow, so do our curiosity about the stage we are in life and also in our relationship with others. We want to know why things happen the way it does. We find ourselves searching for someone we can trust with our love, relationship, sex, and marriage secret problems to get help from them in one way or the other. This book is titled INTIMATE QUESTIONS because it comprises of questions about love, relationship, sex life, and marriage both single and married needs to have a clear answer on. It has sold over 100,000 copies offline, helped everyone that had a copy of it and I'm sure it will help you too. With the help of my profession as a certified sex therapist, relationship coach, and marriage counselor, I have helped many people overcome their relationship dark days and resurrect their marriage dead ends. Don't die in silence and stop thinking those

questions arising from the problems you are facing in your love life may seem not to matter again someday. This book comprises of questions, answers and best advice in the category of: The foundation of true love. And that's just the tip of an iceberg! Under these topics, you will find a lot of questions coming from people facing different kinds of problems like yours. Not just questions, but also answers and best advice which will broaden your knowledge, perhaps, provide the help you need to improve every aspect of your relationship. THIS BOOK IS FOR; Teenagers who wouldn't like to become a victim of heartbreak, who want to have a better understanding of love and relationship. Single men and women who want to experience a better version of love, who are in a quest of finding true love. Dating partners who need to understand their partner better, discover new ways to make their relationship work. Married couples who are facing challenges of all sorts. Be it in

their sex life, trust issues, health, and other related problems. If you love your marriage and probably want the best out of your partner intimately, then make sure you read this book. ABOUT THE AUTHOR Miracle Stella M. is a certified sex therapist, relationship coach, and a marriage counselor. The inspiration behind INTIMATE QUESTIONS arrived with the help of most questions she has been asked over the cause of her career. Over the years, she has helped many young people find their place in the world of true love, rebuilt quite number of broken relationships and marriages. Also, she has coached hundreds of people into finding a happy and long-lasting relationship.

Big Questions Book of Sex & Consent - Donna Freitas
2020-09-15

What this book is NOT: The fear-based How-To on sex and consent, oversimplified and focused on technicalities, that represents so much of our sexual education today. What this book IS: A journey into the Big Questions that will turn you into a thinking person about sex and consent, with the ability to wrestle towards the answers that work for YOU and continue to wrestle towards them for the rest of your life. What is the meaning and purpose of sex? How does it

intersect with who I am? Why are people so afraid of it? What does a healthy and joyful approach to sex look like for me? Why is consent so much more than a yes or no question? Who this book is FOR: Everybody!! No matter your sexuality, gender, religion, or race. What could be more essential?

Questions You Can't Ask Your Mama About Sex -

Craig Gross 2009-08-30

This is not your typical birds-and-the bees discussion. Inside this book is an exploration of the real questions you have about sex and your sexuality—all the ones you're too afraid to ask out loud (especially to your parents. Shudder.). Drawn from actual questions and with totally honest answers about what is and isn't okay to look at, think about, and do, this book breaks down what God really has to say about keeping your clothes on. Let's face it, the sex talk you got and the messages you hear at church aren't always that helpful when it comes to what is really going through

your mind (or bothering you elsewhere) in real life. And asking those questions is not exactly easy when you want a real answer instead of, “You’ll go blind.” But in these pages, no topic is off-limits, and the answers you’ll see are a real discussion of what you want to know (and exactly what the Bible does and does not say on the topic), or even what it means if you’ve already experimented. From pre-marital sex to masturbation to the temptations of porn and what it means to be a technical virgin—and questions about homosexuality—Questions You Can’t Ask Your Mama About Sex is a go-to handbook for the things you need to know but don’t want to ask out loud. Questions You Can’t Ask Your Mama About Sex: comes from authors with decades of experience on the topics of relationships and sex, who have been featured on The TODAY Show, Good Morning America, The Daily Show, Anderson Cooper 360, as well as in The New York Times and BuzzFeed uses a straight-

forward approach to answer over 50 questions teens have asked goes beyond “how far is too far?” to look at the nuances and real things you wonder about and face—done though straight-forward and honest discussion

Gender and Sexual Diversity in Schools - Elizabeth J. Meyer
2010-06-16

Issues related to gender and sexual diversity in schools can generate a lot of controversy, with many educators and youth advocates under-prepared to address these topics in their school communities. This text offers an easy-to-read introduction to the subject, providing readers with definitions and research evidence, as well as the historical context for understanding the roots of bias in schools related to sex, gender, and sexuality. Additionally, the book offers tangible resources and advice on how to create more equitable learning environments. Topics such as working with same-sex parented families in

elementary schools; integrating gender and sexual diversity topics into the curriculum; addressing homophobic bullying and sexual harassment; advising gay-straight alliances; and supporting a transgender or gender non-conforming student are addressed. The suggestions offered by this book are based on recent research evidence and legal decisions to help educators handle the various situations professionally and from an ethical and legally defensible perspective.

The High School Sex Pot - Mrs. R 2005-04-20

Did you ever wonder what your teens wanted to know about sex (without asking)? Do you need a book to jump-start your discussion of sex with your teen? Mrs. R. has been able to generate discussion in her classroom by having her students anonymously submit questions each class period that she would answer. The questions that the students submitted were blunt and honest. She attempted to answer all questions submitted,

and tied the answers to the physiology of human sexuality and the maturity needed for responsible decision-making. The frank and innocent questions are contained in the book, and her candid, informative and sometimes humorous answers are captured in the pages. The *High School Sex Pot* gives readers the opportunity to get inside the minds of teenagers today. Mrs. R. has compiled sex-related questions that she has anonymously received from teens over the past several years and has answered them scientifically, humorously, and with a frankness that puts adults and teens at ease about today's sexual issues. This book is a must-read for teens, parents, and educators. Everyone is bound to learn something and may come away inspired to more frankly discuss sexuality with those closest to them.

Questions of Gender - Dina L. Anselmi 1998

A collection of reading on various topics related to the intersection of gender studies and psychology. Topics covered include: defining sex and gender; cross cultural perspective on gender; gender identity; and gender and relationships.

Sex and the Sexual during People's Leisure and Tourism Experiences - Neil Carr 2010-05-11

Sex and the sexual have for far too long been consigned to the dark corners by social scientists in general and tourism and leisure scholars in particular. Sex and the Sexual During People's Leisure and Tourism Experiences seeks to begin to rectify this situation by bringing the position and nature of sex and the sexual into the light of academic debate. As such, this book is designed to highlight cross-disciplinary emerging work on

sex and the sexual in leisure and tourism and provide the readers with insights into this social realm. It encompasses a broad array of sex-related issues and tourism and leisure environments from across a variety of countries. The book should appeal to researchers and students across the humanities and social sciences both for the value of the research in its own right and the ability of it to be used as a lens through which to view the position of sex and the sexual as well as tourism and leisure in today's world. Overall, it is argued that sex and the sexual should play a part in the academic discourse, especially if we wish to describe what is actually happening out there as far as tourism and leisure are concerned.

Asking About Sex & Growing Up - Joanna Cole 2009-11-24

Joanna Cole's Asking About Sex & Growing Up is the perfect book to provide answers to preteens' questions about sex. Writing especially for kids ages 8-12, the author uses a question-and-answer format to

*Downloaded from

offer straightforward information on a wide variety of subjects related to sex and puberty. Information about sex is everywhere. But what kids learn from TV, movies, the internet, and friends is not always a healthy or accurate view of sexuality. Now revised and updated with current facts, *Asking About Sex & Growing Up* is a safe, honest, friendly resource to share with preteens. The book is appropriate for both boys and girls. With the approachable, nonjudgmental Q&A format, this is a book that a preteen can read on his or her own. It's also likely to open up healthy, positive conversations with parents and caregivers.

What Teenagers Want to Know about Sex - Robert P. Masland
1988-01-01

Provides information, in a question and answer format, on all aspects of male and female sexuality including puberty, hygiene and health, menstruation, conception, sexual identity, contraception, variations in sexual behavior, rape, sexual abuse, and other

related topics.

The Family Guide to Sex and Relationships - Richard Walker
1996

Explains the biology of human sexuality, and discusses puberty, pregnancy, contraception, sexually-transmitted diseases, human sexuality, and menopause

Women's Work, Men's Work
- National Research Council
1986-02-01

Even though women have made substantial progress in a number of formerly male occupations, sex segregation in the workplace remains a fact of life. This volume probes pertinent questions: Why has the overall degree of sex segregation remained stable in this century? What informal barriers keep it in place? How do socialization and educational practices affect career choices and hiring patterns? How do family responsibilities affect women's work attitudes? And how effective is legislation in lessening the gap between the sexes? Amply supplemented with tables, figures, and

Downloaded from
legacy.opendemocracy.net
on 2021-05-07 by guest

insightful examination of trends and research, this volume is a definitive source for what is known today about sex segregation on the job.

Sex and Gender - Hilary M.

Lips 2020-04-10

Are sex and gender really two different things? How malleable is gender identity? Do both gender and sex have to be conceptualized as binaries—as having two distinct but complementary categories? Should we emphasize gender differences, or is that the wrong question? When should we call a gender difference “small”? Are women really “nonaggressive” or does that label stem from

stereotyping? How does subtle or “modern” sexism work on its targets? Scholarship on these and other gender-related questions has exploded in recent years. Hilary Lips synthesizes that research for students in an accessible and readable way. Concepts on sex and gender are presented with the social context in which they were developed. As in previous editions, Lips takes a multicultural approach, discussing the gender experiences of people from a wide range of races, cultures, socioeconomic statuses, and gender and sexual identities. She emphasizes empirical research but takes a critical approach to that research.
