

# Sex And The City Cast Dante

**The New-York Mirror** - 1830

**The Hellraiser Films and Their Legacy** - Paul Kane 2012-05-23

Best-selling horror novelist Clive Barker's 1987 film Hellraiser has become an undisputed horror classic, spawning a movie franchise that to date includes eight films. Exploring not only the cinematic interpretations of the Hellraiser mythos but also its intrusion into other artistic and cultural forms, this volume begins by identifying the unconventional sources of Barker's inspiration and following Barker from his pre-Hellraiser cinematic experience through the filming of the horror classic. It examines various themes (such as the undermining of the

traditional family unit and the malleability of the flesh) found throughout the film series and the ways in which the representation of these themes changes from film to film. The religious aspects of the films are also discussed.

Characters central to the franchise—and the mythos—are examined in detail.

[The Eclectic Magazine of Foreign Literature, Science, and Art](#) - 1854

**Reconsidering Boccaccio** - Olivia Holmes 2018-01-01

Reconsidering Boccaccio explores the exceptional social, geographic, and intellectual range of the Florentine writer Giovanni Boccaccio, his dialogue with voices and

traditions that surrounded him, and the way that his legacy illuminates the interconnectivity of numerous cultural networks.

*Aristotle and Dante Discover the Secrets of the Universe* - Benjamin Alire Sáenz 2021-05-06

*Aristotle and Dante Discover the Secrets of the Universe* is the beloved cult classic about family, friendship and first love, from award-winning author Benjamin Alire Sáenz. This lyrical novel will enrapture readers of John Green, *Love, Simon* and *Call Me by Your Name*. Aristotle is an angry teen with a brother in prison. Dante is a know-it-all who has a unique perspective on life. When the two meet at the swimming pool, they seem to have nothing in common. But as the loners start spending time together, they develop a special friendship - the kind that changes lives and lasts a lifetime. And it is through this friendship that Ari and Dante will learn the most important truths about the universe, themselves and the kind of people they want to be. This incredibly moving and powerful

Printz Honor Book follows two teen boys learning to open themselves up to love, despite the world being against them. 'A tender, honest exploration of identity' - Publishers Weekly

**Dante's Divine Comedy in Early Renaissance England** - Jonathan Hughes 2022-03-24

*Dante's Divine Comedy in Early Renaissance England* compares the intellectual, emotional, and religious world of Dante in 13th-century Florence with that of a group of English intellectuals gathered around Humphrey, Duke of Gloucester, uncle of the King, Henry VI. Here, Jonathan Hughes establishes that there was a Renaissance in 15th-century England, encouraged by the discovery and translations of works of Greek philosophers and developments in science and medicine; and that vernacular writers in Gloucester's circle, such as John Lydgate and Robert Hoccleve, were of fundamental importance in exploring the meaning of the self and man's relationship with the natural world and the classical past.

However, the appearance in 15th-century England of Dante's 'Commedia', the most popular work of the Middle Ages, served to remind writers and readers of the cost of intellectual enquiry: the loss of faith in a harmonious and beautiful world; the redemptive power of the love of a woman; and the tangible presence of an afterlife. Engagingly written and meticulously researched, this innovative study shines a new perspective on Dante scholarship as well as offering a unique analysis of intellectual thought and culture in 15th-century England.

**Desire After Dark** - Andrew J. Owens  
2021-03-02

Since the 1960s, the occult in film and television has responded to and reflected society's crises surrounding gender and sexuality. In *Desire After Dark*, Andrew J. Owens explores media where figures such as vampires and witches make use of their supernatural knowledge in order to queer what otherwise appears to be a

normative world. Beginning with the global sexual revolutions of the '60s and moving decade by decade through "Euro-sleaze" cinema and theatrical hardcore pornography, the HIV/AIDS crisis, the popularity of New Age religions and witchcraft, and finally the increasingly explicit sexualization of American cable television, Owens contends that occult media has risen to prominence during the past 60 years as a way of exposing and working through cultural crises about queerness. Through the use of historiography and textual analyses of media from *Bewitched* to *The Hunger*, Owens reveals that the various players in occult media have always been well aware that non-normative sexuality constitutes the heart of horror's enduring appeal. By investigating vampirism, witchcraft, and other manifestations of the supernatural in media, *Desire After Dark* confirms how the queer has been integral to the evolution of the horror genre and its persistent popularity as both a subcultural and mainstream

[Encyclopedia of Television Shows, 1925 through 2010, 2d ed.](#) - Vincent Terrace 2014-01-10

This fully updated and expanded edition covers over 10,200 programs, making it the most comprehensive documentation of television programs ever published. In addition to covering the standard network and cable entertainment genres, the book also covers programs generally not covered elsewhere in print (or even online), including Internet series, aired and unaired pilot films, erotic series, gay and lesbian series, risqué cartoons and experimental programs from 1925 through 1945.

**Eclectic Magazine, and Monthly Edition of the Living Age** - John Holmes Agnew 1854

**Internet Comedy Television Series, 1997-2015** - Vincent Terrace 2016-02-25  
Created around the world and available only on the web, Internet "television" series are independently produced, mostly low budget

shows that often feature talented but unknown performers. Typically financed through crowd-funding, they are filmed with borrowed equipment and volunteer casts and crews, and viewers find them through word of mouth or by chance. The fourth in a series covering Internet TV, this book takes a comprehensive look at 1,121 comedy series produced exclusively for online audiences. Alphabetical entries provide websites, dates, casts, credits, episode lists and storylines.

**The New International Encyclopaedia** - Frank Moore Colby 1930

*Working for the Devil* - Lilith Saintcrow  
2007-09-01

When the Devil needs a rogue demon killed, who does he call? The Player: Necromance-for-hire Dante Valentine is choosy about her jobs. Hot tempered and with nerves of steel, she can raise the dead like nobody's business. But one rainy Monday morning, everything goes straight to

**Delhi** - Elizabeth Chatterjee 2013-12-02

'... nobody who lives there, nobody at all, has much good to say about Delhi.' Along with Milton Keynes, Detroit and Purgatory, Delhi is one of the world's great unloved destinations. So when Elizabeth Chatterjee makes her way from the cool hum of Oxford to the demented June heat of heat of Delhi to research her PhD, she find herself both baffled and curious about the je ne sais quoi of this city of 'graveyards and tombstones'. As flâneur and sagacious resident, Liz takes us through the serpentine power structures, the idyll, the bullshit—peeling layer after layer of the city's skin to reveal its aspirations, its insecurity, its charm and finally its urban dissonance. Uncannily perceptive, predictive, and hysterical, Delhi Mostly Harmless puts a firm finger on the electric pulse of Delhi.
