*Practice Issues in Sexuality and Learning Disabilities* - Ann Craft 2004-08-02

Practice Issues in Sexuality and Learning Disabilities explores the sexual behaviour of people with learning difficulties and addresses issues of concern such as sexual abuse, HIV and AIDS, service provision for those from ethnic minorities, the development of policy guidelines

and the implementation of such guidelines in this intensely personal area. Ann Craft draws upon professional expertise from a broad range of backgrounds including social work, psychology, and medicine. She offers practical ideas and suggestions for service responses which acknowledge and respect the right of people with learning disabilities to express their sexuality in ways that are valued by other members of their society. Practice Issues in Sexuality and Learning Disabilities will be of interest to all whose work or relationship brings them into contact with people with learning disabilities - professionals, carers, parents, advocates. It will be invaluable to social workers, practitioners in social work and health, trainees, training officers and voluntary organizations.

**The Giant Book of Trivia** - Peter Keyne 2020-04-13

The Giant Book of Trivia: 1000 Questions and Answers to Engage all Minds; picks up right where The Great Book of Trivia left off! Once again, we've brought together a host of fresh and intriguing questions that will test the limits of your knowledge across a huge range of subjects. The book is divided into 4 parts: Part 1 presents 50 challenging general knowledge quizzes. Part 2 introduces the "specialist rounds" at three levels of difficulty: medium, challenging and fiendish. Here you'll find questions on geography, history, sport, science and nature, literature, art and architecture, and movies and TV. Part 3 brings a lighter touch with a selection of "bonus round" quizzes, where you'll be asked to spot connections, identify years from a series of clues, unravel proverbs, and sort out lists of famous people, places and things. Part 4 contains 20 "family fun" quizzes that will be especially enjoyable for younger minds. There are straightforward general knowledge questions, alongside rhyming and alphabet quizzes. At Elsinore Books we pride ourselves on creating beautiful e-Books, and devote great attention to formatting, and ease of navigation. This book contains a cleanly-styled contents page that permits easy movement between quizzes. Each quiz occupies its own chapter, so you can move between quizzes by pressing a single button on your e-reader. You can access the answers to each quiz by following the links at the top and bottom of the question

page. On the answer pages you'll find each question rewritten and followed by its answer in bold. You can view a full listing of the games inside by clicking on the preview of this book and viewing the contents page. Some of the collection highlights are outlined below: General Knowledge 1 1. The papers cover all main domains of entertainment computing, from interactive music to games, taking a wide range of scientific domains from aesthetic to computer science.

**Sexual Behavior** - Nathaniel McConaghy 2013-11-21

Many issues remain unresolved in sexuality. In some cases this is because the information is not available to resolve them. In others it is, but the available conclusions the information supports block its acceptance, because they conflict with the positions of dominant groups in the politics of sexuality. Possibly the most obvious example is the determination of many theorists to ignore the evidence that while men rarely report being sexually assaulted, when questioned in community surveys, they make up a third of the victims, and a quarter of the perpetrators of sexual assault are women. These findings are incompatible with the feminist theory that sexual assault is not a sexual act, but normal male behavior motivated politically, to maintain men's dominance of women. Most research supporting the theory investigated women only as victims and men only as aggressors. Some feminists have dismissed the need for any research to support their beliefs on the ground that such research is "busy work" establishing what women already know. One belief considered not to require research is that heterosexual pornography made for a male audience increases the prevalence of rape by encouraging rape-supportive attitudes of male aggression and female submission. No criticism has been directed at the soft-core pornography of "Mills and Boon" stories written for women that promote similar attitudes.
