Romeo & What's Her Name -
Shani Petroff 2017-02-07

In this fast-paced romance that combines flirty fun and situational comedy, a spunky heroine must navigate secret crushes, high school hijinks, and of course, Shakespeare. Understudies never get to perform...which is why being Juliet's understudy in the school's yearly Shakespeare production is the perfect role for Emily. She can earn some much-needed extra credit while pursuing her main goal of spending time with Wes, aka Romeo, aka the hottest, nicest guy in school (in her completely unbiased opinion). And she meant to learn her

lines, really, it's just: a) Shakespeare is HARD, b) Amanda (the "real" Juliet) makes her run errands instead of lines, and c) there's no point, since Amanda would never miss her chance to be the star of the show. Then Amanda ends up in the hospital and Emily, as the (completely unprepared!) understudy, has to star in the most famous scene from Romeo and Juliet opposite the guy of her dreams. Oops? Shani Petroff's *Romeo and What's Her Name* is a laugh-out-loud funny novel chosen by readers like you for Macmillan's young adult imprint Swoon Reads. Praise for *Romeo and What's Her Name*: "This has all the hallmarks of a high-school romance: a swoon-worthy male lead, a requisite mean girl, and plenty of backstage dallying and wacky miscommunication. Flirty and fun." —Booklist "Petroff's latest offering, published by Macmillan's crowdsourced imprint, will delight romance lovers with its fast pace and humorous tone." —School Library Journal

"[Emily is] the American Bridget Jones...this book is simply amazing!" —Jenn, reader on SwoonReads.com

Ask a Manager - Alison Green 2018-05-01

'I'm a HUGE fan of Alison Green's "Ask a Manager" column. This book is even better' Robert Sutton, author of The No Asshole Rule and The Asshole Survival Guide 'Ask A Manager is the book I wish I'd had in my desk drawer when I was starting out (or even, let's be honest, fifteen years in)' - Sarah Knight, New York Times bestselling author of The Life-Changing Magic of Not Giving a F*ck A witty, practical guide to navigating 200 difficult professional conversations Ten years as a workplace advice columnist has taught Alison Green that people avoid

awkward conversations in the office because they don't know what to say. Thankfully, Alison does. In this incredibly helpful book, she takes on the tough discussions you may need to have during your career. You'll learn what to say when:

- colleagues push their work on you - then take credit for it

And, ugh, what about rejection? It includes tips and quizzes, plus age-appropriate and honest advice on navigating social situations and, most importantly, staying true to

herself through any relationship.

Maybe He Just Likes You -

Barbara Dee 2019-10-01

A 2020 ALA Notable Children's Book A Washington Post Best Children's Book of 2019

Barbara Dee explores the subject of #MeToo for the middle grade audience in this heart-wrenching—and ultimately uplifting—novel about experiencing harassment and unwanted attention from

classmates. For seventh-grader Mila, it starts with some boys giving her an unwanted hug on the school blacktop. A few days later, at recess, one of the boys (and fellow trumpet player) Callum tells Mila it's his birthday, and asks her for a "birthday hug." He's just being friendly, isn't he? And how can she say no? But Callum's hug lasts a few seconds too long, and feels...weird. According to her friend, Zara, Mila is being immature and overreacting. Doesn't she know what flirting looks like? But the boys don't leave Mila alone. On the bus. In the halls. During band practice—the one place Mila could always escape. It doesn't feel like flirting—so what is it? Thanks to a chance meeting, Mila begins to find solace in a new place: karate class. Slowly, with the help of a fellow classmate, Mila learns how to stand her ground and how to respect others—and herself. From the author of *Everything I Know About You*, *Halfway Normal*, and *Star-Crossed* comes this timely story of a middle school girl standing up

and finding her voice.”

Planet Middle School - Nikki Grimes 2011-09-13

For twelve years, Joylin Johnson's life has been just fine. A game of basketball with the boys--especially her friend Jake--was all it took to put a smile on her face. Baggy jeans, T-shirt, and hair in a ponytail were easy choices. Then, everything suddenly seemed to change all at once. Her best girl friend is now flirting with her best guy friend. Her clothes seem all wrong. Jake is acting weird, and basketball isn't the same. And worst of all, there is this guy, Santiago, who appears from . . . where? What lengths will Joy go to--and who will she become--to attract his attention? In short poems that perfectly capture the crazy feelings of adolescence and first crushes, award-winning author Nikki Grimes has

crafted a delightful, often hilarious, heart-tugging story.

Middle School's a Drag, You Better Werk! - Greg Howard
2020-02-11

In this heartfelt and hilarious new novel from Greg Howard, an enterprising boy starts his own junior talent agency and signs a thirteen-year-old aspiring drag queen as his first client. Twelve-year-old Mikey Pruitt--president, founder, and CEO of Anything, Inc.--has always been an entrepreneur at heart. Inspired by his grandfather Pap Pruitt, who successfully ran all sorts of businesses from a car wash to a roadside peanut stand, Mikey is still looking for his million-dollar idea. Unfortunately, most of his ideas so far have failed. A baby tornado ran off with his general store, and the kids in his neighborhood never did come back for their second

croquet lesson. But Mikey is determined to keep at it. It isn't until kid drag queen Coco Caliente, Mistress of Madness and Mayhem (aka eighth grader Julian Vasquez) walks into his office (aka his family's storage/laundry room) looking for an agent that Mikey thinks he's finally found his million-dollar idea, and the Anything Talent and Pizzazz Agency is born! Soon, Mikey has a whole roster of kid clients looking to hit it big or at least win the middle school talent show's hundred-dollar prize. As newly out Mikey prepares Julian for the gig of a lifetime, he realizes there's no rulebook for being gay--and if Julian can be openly gay at school, maybe Mikey can, too, and tell his crush, dreamy Colton Sanford, how he feels. Full of laughs, sass, and hijinks, this hilarious, heartfelt story shows that with a little effort and a lot of love, anything is possible.
