BoJack Horseman: The Art Before the Horse - Chris McDonnell 2018-09-04

Netflix's BoJack Horseman has quickly become one of the most critically acclaimed animated comedy series in recent memory. Set in an off-kilter, cynically spun rendering of modern-day Hollywood, the show follows washed-up horse actor BoJack Horseman (voiced by Will Arnett) as he attempts to turn his life around. BoJack Horseman: The Art Before the Horse is the official behind-the-scenes companion to this cult-hit series. Part oral history sourced from original interviews with the show's cast and crew, part art book—including sketches, storyboards, and background art—this book will trace the series from conception to post-production. Beginning with the initial development of creator/showrunner Raphael Bob-Waksberg and production designer Lisa Hanawalt's inimitable aesthetic vision, The Art Before the Horse goes on to reveal all of the moving parts—direction, writing, casting, animation, and music—that come together to form this uniquely bleak, emotionally potent, very funny show. I Want to Be Where the Normal People Are - Rachel Bloom 2020-11-17

'One of the funniest books of the year' - Guardian A collection of hilarious personal essays, poems and even amusement park maps on the subjects of insecurity, fame, anxiety, and much more from the charming and wickedly funny creator of Crazy Ex-Girlfriend. "It's nice to know someone as talented as Rachel is also pretty weird. If you're like me and love Rachel Bloom, this hilarious, personal book will make you love her even more." - Mindy Kaling "Rachel is one of the funniest, bravest people of our generation and this book blew me away." - Amy Schumer Rachel Bloom has felt abnormal and out of place her whole life. In this exploration of what she thinks makes her 'different', she's come to realise that a lot of people also feel this way; even people who she otherwise thought were 'normal'. In a collection of laugh-out-loud funny essays, all told in the unique voice (sometimes singing voice) that made her a star, Rachel writes about everything from her love of Disney, OCD and depression, weirdness, and female friendships to the story of how she didn't poop in the toilet until she was four years old. It's a hilarious, smart, and infinitely relatable collection (except for the pooping thing). Readers love I Want to Be Where the Normal People Are 'I adore Crazy Ex-Girlfriend and this book was exactly what I needed it to be. Would highly recommend.' 5* 'Rachel's voice is loud and clear from the first

lines of the book. I've been missing it since Crazy Ex-Girlfriend . . . this time she's talking right to me, in my head, and it is like being part of this newfound Friendtopia.' 5* 'Heartfelt. Honest. Genuine. And funny as hell . . . Rachel writes about the things that could have broken her, but didn't, in a very funny and raw way, and she doesn't hold back.' 5* 'Crazy Ex-Girlfriend is a hilarious and honest show which does not hold back when confronting the truth of sex, love, mental illness and life. This same comedic and chaotic energy is channelled in Bloom's wonderful book which I would highly recommend, whether you are a previous fan of hers or not.' 5*

Ghosts - Dolly Alderton 2021-08-03

INTERNATIONAL BESTSELLER • From the author of Everything I Know About Love comes a smart, sexy, laugh-out-loud romantic comedy about ex-boyfriends, imperfect parents, friends with kids, and a man who disappears the moment he says "I love you." "An absolute knock-out. Wickedly funny and, at turns, both cynical and sincere... feels like your very favorite friend." —Taylor Jenkins Reid, author of Malibu Rising ONE OF THE BEST BOOKS OF THE YEAR: NPR, VOGUE, PEOPLE Nina Dean is not especially bothered that she's single. She owns her own apartment, she's about to publish her second book, she has a great relationship with her ex-boyfriend, and enough friends to keep her social calendar full and her hangovers plentiful. And when she downloads a dating app, she does the seemingly impossible: She meets a great guy on her first date. Max is handsome and built like a lumberjack; he has floppy blond hair and a stable job. But more surprising than anything else, Nina and Max have chemistry. Their conversations are witty and ironic, they both hate sports, they dance together like fools, they happily dig deep into the nuances of crappy music, and they create an entire universe of private jokes and chemical bliss. But when Max ghosts her, Nina is forced to deal with everything she's been trying so hard to ignore: her father's dementia is getting worse, and so is her mother's denial of it; her editor hates her new book idea; and her best friend from childhood is icing her out. Funny, tender, and eminently, movingly relatable, Ghosts is a whip-smart tale of relationships and modern life.

Brilliant, Brilliant, Brilliant Brilliant Brilliant - Joel Golby 2019-03-05

National Bestseller "This is a funny and beautiful book. What a little bastard." --Russell Brand "Every paragraph is like doing a shot with a friend. A double." --Caitlin Moran Joel Golby's writing for Vice and The Guardian, with its wry observation and naked self-reflection, has brought him a wide and devoted following. Now, in his first book, he presents a blistering collection of new and newly expanded essays—including the achingly funny viral hit "Things You Only Know When Both Your Parents Are Dead." In these pages, he travels to Saudi Arabia, where he acts as a perplexed bystander at a camel pageant; offers a survival guide for the modern dinner party (i.e. how to tactfully escape at the first sign of an adult board game); and gets pitted head-to-head, again and again, with an unpredictable, unpitying subspecies of Londoner: the landlord. Through it all, he shows that no matter how cruel the misfortune, how absurd the circumstance, there's always the soft punch of a lesson tucked within. This is a book for anyone who overshares, overthinks, has ever felt lost or confused—and who wants to have a good laugh about it. [While You Were Reading](#) - Ali Berg 2019-06-23

Words are messy. Love is messier. A hilarious, insightful new novel from the creators of Books on the Rail Meet Beatrix Babbage - 29-year-old dog-earer of books and accidental destroyer of weddings. After ruining her best friend's nuptials, Bea relocates to the other side of the country in search of a fresh start, including meeting new people, living life to the fullest and finally pulling off balayage. But after a few months, life is more stagnant than ever. Bea's job is dead-end. Her romantic life? Non-existent. And her only friends are her books, her barista and her cleaning lady. ?Then Bea stumbles across a second-hand novel, inscribed with notes. Besotted with the poetic inscriptions, Bea is determined to find the author ... and along the way, she finds herself entangled in one hell of a love quadrangle. Funny, poignant and insightful, *While You Were Reading* reveals that there's no such thing as perfection, the value of true friendship and, most importantly, the power of not living in fiction, but still reading it ... Often. A love story for book lovers that celebrates much more than romance.

Homesick - Nino Cipri 2019

Shirley Jackson Award finalist World Fantasy Award finalist Dark, irreverent, and truly innovative, the speculative stories in *Homesick* meditate on the theme of home and our estrangement from it, and what happens when the familiar suddenly shifts into the uncanny. In stories that foreground queer relationships and transgender or nonbinary characters, Cipri delivers the origin story for a superhero team comprised of murdered girls; a housecleaner discovering an impossible ocean in her least-favorite clients' house; a man haunted by keys that appear suddenly in his throat; and a team of scientists and activists discovering the remains of a long-extinct species of intelligent weasels. In the spirit of Laura van den Berg, Emily Geminder, Chaya Bhuvaneshwar, and other winners of the Dzanc Short Story Collection Prize, Nino Cipri's debut collection announces the arrival of a brilliant and wonderfully unpredictable writer with a gift for turning the short story on its ear.

A Match Made in Lipa - Carla de Guzman 2022-03-08

Childhood friends reconnect as grown-up rivals—and maybe something more—in this witty Filipino romance from Carla de Guzman. What's written in the stars isn't always the whole story... Chocolate maker and shop owner Kira Luz isn't looking for love, but if fate leads her that way, so be it. When she randomly runs into her childhood crush, Santi, on vacation, it feels like the stars are trying to tell her something. Memories of their time growing up in Lipa—not to mention the steamy kiss they share when they reconnect—get her heart pounding. But she has to go back to Lipa while he's headed for Manila, and long distance is kind of an issue. Until he moves back home...and distance becomes the least of

their problems. Estranged hotel heir Anton "Santi" Santillan is left adrift when his grandfather abruptly cuts him out of the family business. But he finds his footing again running a small niche hotel back in Lipa. The downside of living in his old hometown: it's no Manila, that's for sure. The upside: seeing Kira again. Kira, who loves food as much as he does. Kira, who loves kissing as much as he does. Kira, whose family owns the property—including her shop—his grandfather wants him to buy out from underneath them. Mixing love and chocolate and family just might get messy. And sometimes messy is exactly what fate had in mind. The Laneways Book 1: Sweet on You Book 2: A Match Made in Lipa

[Little Weirds](#) - Jenny Slate 2019-11-05

'Magical' MINDY KALING 'Funny and poignant and beautiful' JOHN MULANEY 'It made me remember I was alive' GEORGE SAUNDERS To see the world through Jenny Slate's eyes is to see it as though for the first time, shimmering with strangeness and possibility. As she will remind you, we live on an ancient ball that rotates around a bigger ball made up of lights and gases that are science gases, not farts (don't be immature). Heartbreak, confusion and misogyny stalk this blue-green sphere, yes, but it is also a place of wild delight and unconstrained vitality, a place where we can start living as soon as we are born, and we can be born at any time. In her dazzling, impossible-to-categorize debut, Jenny channels the pain and beauty of life in writing so fresh, so new and so burstingly alive, we catch her vision like a fever and bring it back out into the bright day with us, and everything has changed. 'Delicious' AMY SEDARIS 'Slate invites us for a glorious swim inside her imagination as she explores romance, heartbreak and self-love in this poetry-memoir-fiction mash-up' PEOPLE 'I couldn't help but feel that it was written by a friend for me' VANITY FAIR

[After Tonight, Everything Will Be Different](#) - Adam Gnade 2022-01-05

Falling somewhere between *Trainspotting* and *Like Water for Chocolate*, Adam Gnade's self-described food novel frames each chapter around a meal, and from there moves wild in all directions. *After Tonight, Everything Will Be Different* takes place in San Diego taco shops and rundown beach apartments, on the amusement park boardwalk at 3am and in cars bound for Tijuana and drunken glory. Like Proust's baroque autobiographical fantasies, this is a book rich with details and life. Gnade's youthful characters sink to hard drugs and deep depression as they navigate life at the end of the last century. They celebrate and they battle with their demons and throughout it all they eat. This is not a food snob's novel. Instead Gnade writes about the pain and joy of life and the ways that common, everyday food is there with us at each step. This is a book of deli sub sandwiches, endless burritos, eggplant parmesan, the magnificence of good sourdough bread, of box brownies and Nacho Cheese Doritos, rolled tacos and the perfect tortilla. *After Tonight, Everything Will Be Different* is a raging, ecstatic, troubled book that shows a world of food and a world of life, each inextricable from the other.

Someone Who Will Love You in All Your Damaged Glory - Raphael Bob-Waksberg 2019-06-11

Written with all the scathing dark humor that is a hallmark of BoJack Horseman, Raphael Bob-Waksberg delivers a fabulously off-beat collection of short stories about love—the best and worst thing in the universe. Featuring: • A young engaged couple forced to deal with interfering relatives dictating the appropriate number of ritual goat sacrifices for their wedding. • A pair of lonely commuters who ride the subway in silence, forever, eternally failing to make that longed-for contact. • A struggling employee at a theme park of U.S. presidents who discovers that love can't be genetically modified. And fifteen more tales of humor, romance, whimsy, cultural commentary, and crushing emotional vulnerability.

Coyote Doggirl - Lisa Hanawalt 2021-05-04

A raucous and fierce western by Bojack Horseman producer/production designer and award-winning cartoonist Coyote is a dreamer and a drama queen, brazen and brave, faithful yet fiercely independent. She beats her own drum and sews her own crop tops. A gifted equestrian, she's half dog, half coyote, and all power. With the help of her trusty steed, Red, there's not much that's too big for her to bite off, chew up, and spit out

right into your face, if you deserve it. But when Coyote and Red find themselves on the run from a trio of vengeful bad dogs, get clobbered by arrows, and are tragically separated, our protagonist is left fighting for her life and longing for her displaced best friend. Taken in by a wolf clan, Coyote may be wounded, but it's not long before she's back on the open road to track down Red and tackle the dogs who wronged her. An homage to and a lampoon of Westerns like Butch Cassidy and the Sundance Kid, Lisa Hanawalt's *Coyote Doggirl* is a self-aware, playful subversion of tropes. As our fallible hero attempts to understand the culture of the wolves, we see a journey in understanding and misunderstanding, adopting and co-opting. Uncomfortable at times but nonetheless rewarding and empowering, the story of these flawed, anthropomorphized characters is nothing if not relentlessly hilarious and heartbreakingly human. Told in Hanawalt's technicolor absurdist style, *Coyote Doggirl* is not just a send-up of the Western genre but a deeply personal story told by an enormously talented cartoonist.

What My Mother and I Don't Talk About - Michele Filgate
2020-08-11

"You will devour these beautifully written—and very important—tales of honesty, pain, and resilience" (Elizabeth Gilbert, *New York Times* bestselling author of *Eat Pray Love* and *City of Girls*) from fifteen

brilliant writers who explore how what we don't talk about with our mothers affects us, for better or for worse. As an undergraduate, Michele Filgate started writing an essay about being abused by her stepfather. It took her more than a decade to realize that she was actually trying to write about how this affected her relationship with her mother. When it was finally published, the essay went viral, shared on social media by Anne Lamott, Rebecca Solnit, and many others. This gave Filgate an idea, and the resulting anthology offers a candid look at our relationships with our mothers. Leslie Jamison writes about trying to discover who her seemingly perfect mother was before ever becoming a mom. In Cathi Hanauer's hilarious piece, she finally gets a chance to have a conversation with her mother that isn't interrupted by her domineering (but lovable) father. André Aciman writes about what it was like to have a deaf mother. Melissa Febos uses mythology as a lens to look at her close-knit relationship with her psychotherapist mother. And Julianna Baggott talks about having a mom who tells her everything. As Filgate writes, "Our mothers are our first homes, and that's why we're always trying to return to them." There's relief in acknowledging how what we couldn't say for so long is a way to heal our relationships with others and, perhaps most important, with ourselves. Contributions by Cathi Hanauer, Melissa Febos, Alexander Chee, Dylan Landis, Bernice L. McFadden, Julianna Baggott, Lynn Steger Strong, Kiese Laymon, Carmen Maria Machado, André Aciman, Sari Botton, Nayomi Munaweera, Brandon Taylor, and Leslie Jamison.
