New York Magazine - 1994-11-21

New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country. With award-winning writing and photography covering everything from politics and food to theater and fashion, the magazine's consistent mission has been to reflect back to its audience the energy and excitement of the city itself, while celebrating New York as both a place and an idea.

Ask a Manager - Alison Green 2018-05-01

'I'm a HUGE fan of Alison Green's "Ask a Manager" column. This book is even better' Robert Sutton, author of *The No Asshole Rule* and *The Asshole Survival Guide* 'Ask A Manager is the book I wish I'd had in my desk drawer when I was starting out (or even, let's be honest, fifteen years in)' - Sarah Knight, New York Times bestselling author of *The Life-Changing Magic of Not Giving a F*ck* A witty, practical guide to navigating 200 difficult professional conversations Ten years as a workplace advice columnist has taught Alison Green that people avoid awkward conversations in the office because they don't know what to say. Thankfully, Alison does. In this incredibly helpful book, she takes on the tough discussions you may need to have during your career. You'll learn what to say when: · colleagues push their work on you - then take credit for it · you accidentally trash-talk someone in an email and hit 'reply all' · you're being micromanaged - or not being managed at all · your boss seems unhappy with your work · you got too drunk at the Christmas party With sharp, sage advice and candid letters from real-life readers, *Ask a Manager* will help you successfully navigate the stormy seas of office life.

What Makes a Baby - Cory Silverberg 2013-05-07

Geared to readers from preschool to age eight, *What Makes a Baby* is a book for every kind of family and every kind of kid. It is a twenty-first century children's picture book about conception, gestation, and birth, which reflects the reality of our modern time by being inclusive of all kinds of kids, adults, and families, regardless of how many people were involved, their orientation, gender and other identity, or family

composition. Just as important, the story doesn't gender people or body parts, so most parents and families will find that it leaves room for them to educate their child without having to erase their own experience. Written by a certified sexuality educator, Cory Silverberg, and illustrated by award-winning Canadian artist Fiona Smyth, *What Makes a Baby* is as fun to look at as it is useful to read.

Mother Jones - 1992**The Advocate** - 1992*New York Magazine* - 1995-10-02

New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country. With award-winning writing and photography covering everything from politics and food to theater and fashion, the magazine's consistent mission has been to reflect back to its audience the energy and excitement of the city itself, while celebrating New York as both a place and an idea.

Long Bright River - Liz Moore 2020-12-01

ONE OF BARACK OBAMA'S FAVORITE BOOKS OF THE YEAR NAMED A BEST BOOK OF THE YEAR BY NPR, PARADE, REAL SIMPLE, and BUZZFEED AN INSTANT NEW YORK TIMES BESTSELLER A GOOD MORNING AMERICA BOOK CLUB PICK "[Moore's] careful balance of the hard-bitten with the heartfelt is what elevates *Long Bright River* from entertaining page-turner to a book that makes you want to call someone you love." - The New York Times Book Review "This is police procedural and a thriller par excellence, one in which the city of Philadelphia itself is a character (think Boston and Mystic River). But it's also a literary tale narrated by a strong woman with a richly drawn personal life - powerful and genre-defying." - People "A thoughtful, powerful novel by a writer who displays enormous compassion for her characters. *Long Bright River* is an outstanding crime novel... I absolutely loved it." —Paula Hawkins, #1 New York Times-bestselling author of *The Girl on the Train* Two sisters travel the same streets, though their lives couldn't be more

different. Then one of them goes missing. In a Philadelphia neighborhood rocked by the opioid crisis, two once-inseparable sisters find themselves at odds. One, Kacey, lives on the streets in the vise of addiction. The other, Mickey, walks those same blocks on her police beat. They don't speak anymore, but Mickey never stops worrying about her sibling. Then Kacey disappears, suddenly, at the same time that a mysterious string of murders begins in Mickey's district, and Mickey becomes dangerously obsessed with finding the culprit--and her sister--before it's too late. Alternating its present-day mystery with the story of the sisters' childhood and adolescence, *Long Bright River* is at once heart-pounding and heart-wrenching: a gripping suspense novel that is also a moving story of sisters, addiction, and the formidable ties that persist between place, family, and fate.

The Library Book - Susan Orlean 2019-10-01

Susan Orlean's bestseller and New York Times Notable Book is "a sheer delight...as rich in insight and as varied as the treasures contained on the shelves in any local library" (USA TODAY)—a dazzling love letter to a beloved institution and an investigation into one of its greatest mysteries. "Everybody who loves books should check out *The Library Book*" (The Washington Post). On the morning of April 28, 1986, a fire alarm sounded in the Los Angeles Public Library. The fire was disastrous: it reached two thousand degrees and burned for more than seven hours. By the time it was extinguished, it had consumed four hundred thousand books and damaged seven hundred thousand more. Investigators

descended on the scene, but more than thirty years later, the mystery remains: Did someone purposefully set fire to the library—and if so, who? Weaving her lifelong love of books and reading into an investigation of the fire, award-winning New Yorker reporter and New York Times bestselling author Susan Orlean delivers a "delightful...reflection on the past, present, and future of libraries in America" (New York magazine) that manages to tell the broader story of libraries and librarians in a way that has never been done before. In the "exquisitely written, consistently entertaining" (The New York Times) *The Library Book*, Orlean chronicles the LAPL fire and its aftermath to showcase the larger, crucial role that libraries play in our lives; delves into the evolution of libraries; brings each department of the library to vivid life; studies arson and attempts to burn a copy of a book herself; and reexamines the case of Harry Peak, the blond-haired actor long suspected of setting fire to the LAPL more than thirty years ago. "A book lover's dream...an ambitiously researched, elegantly written book that serves as a portal into a place of history, drama, culture, and stories" (Star Tribune, Minneapolis), Susan Orlean's thrilling journey through the stacks reveals how these beloved institutions provide much more than just books—and why they remain an essential part of the heart, mind, and soul of our country.

Maximum Rocknroll - 1992

Red, White & Royal Blue - Casey McQuiston 2019-05-14

* Instant NEW YORK TIMES and USA TODAY bestseller * * GOODREADS CHOICE AWARD WINNER for BEST DEBUT and BEST ROMANCE of 2019 * * BEST BOOK OF THE YEAR* for VOGUE, NPR, VANITY FAIR, and more! * What happens when America's First Son falls in love with the Prince of Wales? When his mother became President, Alex Claremont-Diaz was promptly cast as the American equivalent of a young royal. Handsome, charismatic, genius—his image is pure millennial-

marketing gold for the White House. There's only one problem: Alex has a beef with the actual prince, Henry, across the pond. And when the tabloids get hold of a photo involving an Alex-Henry altercation, U.S./British relations take a turn for the worse. Heads of family, state, and other handlers devise a plan for damage control: staging a truce between the two rivals. What at first begins as a fake, Instagramable friendship grows deeper, and more dangerous, than either Alex or Henry could have imagined. Soon Alex finds himself hurtling into a secret romance with a surprisingly unstuffy Henry that could derail the campaign and upend two nations and begs the question: Can love save the world after all? Where do we find the courage, and the power, to be the people we are meant to be? And how can we learn to let our true colors shine through? Casey McQuiston's *Red, White & Royal Blue* proves: true love isn't always diplomatic. "I took this with me wherever I went and stole every second I had to read! Absorbing, hilarious, tender, sexy—this book had everything I crave. I'm jealous of all the readers out there who still get to experience *Red, White & Royal Blue* for the first time!" - Christina Lauren, New York Times bestselling author of *The Unhoneymooners* "*Red, White & Royal Blue* is outrageously fun. It is romantic, sexy, witty, and thrilling. I loved every second." - Taylor Jenkins Reid, New York Times bestselling author of *Daisy Jones & The Six*

[Bisexual Resource Guide](#) - Robyn Ochs 1999

[The Subtle Art of Not Giving a F*ck](#) - Mark Manson 2016-09-13
#1 New York Times Bestseller Over 10 million copies sold In this

generation-defining self-help guide, a superstar blogger cuts through the crap to show us how to stop trying to be "positive" all the time so that we can truly become better, happier people. For decades, we've been told that positive thinking is the key to a happy, rich life. "F**k positivity," Mark Manson says. "Let's be honest, shit is f**ked and we have to live with it." In his wildly popular Internet blog, Manson doesn't sugarcoat or equivocate. He tells it like it is—a dose of raw, refreshing, honest truth that is sorely lacking today. *The Subtle Art of Not Giving a F**k* is his antidote to the coddling, let's-all-feel-good mindset that has infected American society and spoiled a generation, rewarding them with gold medals just for showing up. Manson makes the argument, backed both by academic research and well-timed poop jokes, that improving our lives hinges not on our ability to turn lemons into lemonade, but on learning to stomach lemons better. Human beings are flawed and limited—"not everybody can be extraordinary, there are winners and losers in society, and some of it is not fair or your fault." Manson advises us to get to know our limitations and accept them. Once we embrace our fears, faults, and uncertainties, once we stop running and avoiding and start confronting painful truths, we can begin to find the courage, perseverance, honesty, responsibility, curiosity, and forgiveness we seek. There are only so many things we can give a f**k about so we need to figure out which ones really matter, Manson makes clear. While money is nice, caring about what you do with your life is better, because true wealth is about experience. A much-needed grab-you-by-the-shoulders-and-look-you-in-the-eye moment of real-talk, filled with entertaining stories and profane, ruthless humor, *The Subtle Art of Not Giving a F**k* is a refreshing slap for a generation to help them lead contented, grounded lives.

New York Magazine - 1994-12-19
