Truly Bitten - Nyasha 2017-01-30

Misty has no interest in looking for love, but that doesn't mean it won't find her. When she meets Derrick it's beyond unexpected, not to mention unwanted. She just wants to live her normal life that's not so normal now. Derrick has been dreaming of the day he would meet his companion and now he's finally found her if only she would cooperate. He wants to give her the world and shower her with love, but she fights him at every turn. What can he do to make her see reason, his reason?

Teacherpreneurs - Barnett Berry 2013-08-12

We need a bold new brand of teacher leadership that will create opportunities for teachers to practice, share, and grow their knowledge and expertise. This book is about "teacherpreneurs"—highly accomplished classroom teachers who blur the lines of distinction between those who teach in schools and those who lead them. These teacherpreneurs embody the concept that teachers can teach as well as lead the transformation of teaching and learning. It's about empowering expert teachers who can buoy the image of teaching and enforce standards among their ranks while all along making sure that their colleagues as well as education policymakers and the public know what works best for students. The book follows a small group of teacherpreneurs in their first year. We join their journey toward becoming teacher leaders whose work is not defined by administrative fiat, but by their knowledge of students and drive to influence policies that allow them and their colleagues to teach more effectively. The authors trace the teacherpreneurs' steps—and their own—in the effort to determine what it means to define and execute the concept of "teacherpreneurism" in the face of tough demands and resistant organizational structures.

Twelve Years A Slave, Illustrated Edition - Solomon Northrup

2014-04-08

Kidnapped and sold into slavery in the American South, freeman Solomon Northrup spent twelve years in bondage before being freed. Twelve Years a Slave is Northrup's moving memoir, revealing unimaginable details of the horrors he faced as a slave on Southern plantations, and his unshakable belief that he would return home to his family. Written in the year after Northrup was freed and published in the wake of Harriet Beecher Stowe's Uncle Tom's Cabin, Northrup's story was quickly taken up by abolitionist groups and news organizations as part of the fight against slavery, and continues to resonate more than a century after the end of the American Civil War.

Galliano - Kerry Taylor 2019-10-31

Galliano: Spectacular Fashion is the first detailed guide to the work of one of fashion's greatest talents. Though the designer's otherwise glittering career has been punctured by years out of the limelight, his catalogue of work remains astonishing. Written by internationally renowned fashion expert Kerry Taylor, this beautifully illustrated and meticulously researched book looks in depth at John Galliano's collections from his 1984 graduate show at Saint Martins to his triumphant renaissance at Maison Margiela in 2015. With never-before-seen images of rare designs from private couture archives, close ups revealing the intricacies of garments, and iconic runway shots showing the designer's most innovative creations in motion, this visually rich book examines his revolutionary designs in unprecedented depth. In addition, original interviews with the designer as well as the people who worked closely with him throughout his career shed new light on both the clothes and the context in which they were created. A must-have for fashion lovers, collectors and researchers alike, Galliano: Spectacular Fashion is the ultimate overview of the work of a design genius.

[The Sunday Girl](#) - Pip Drysdale 2019-04-04

The Girl on the Train meets Before I Go to Sleep with a dash of Bridget Jones in this chilling tale of love gone horribly wrong ... Some love affairs change you forever. Someone comes into your orbit and swivels you on your axis, like the wind working on a rooftop weather vane. And when they leave, as the wind always does, you are different; you have a new

direction. And it's not always north.' Any woman who's ever been involved with a bad, bad man and been dumped will understand what it feels like to be broken, broken-hearted and bent on revenge. Taylor Bishop is hurt, angry and wants to destroy Angus Hollingsworth in the way he destroyed her: 'Insidiously. Irreparably. Like a puzzle he'd slowly dissembled ... stolen a couple of pieces from, and then discarded, knowing that nobody would ever be able to put it back together ever again.' So Taylor consults *The Art of War* and makes a plan. Then she takes the next irrevocable step - one that will change her life forever. Things start to spiral out of her control - and *The Sunday Girl* becomes impossible to put down.

Family Trust - Kathy Wang 2018-11-01

'A globe-trotting, whirlwind, tragi-comic family saga... A joy' ANDREW SEAN GREER. Meet Stanley Huang: Father, husband, ex-husband, man of unpredictable temper, aficionado of bargain luxury goods. He's just been diagnosed with cancer, and his family are dealing with the fall-out. Meet Stanley's family: Son Fred, a banker who never has enough money; daughter Kate, juggling a difficult boss and her two small children; ex-wife Linda, suspicious of Stanley's grand gestures; and second wife Mary, giver of foot rubs and ego massages. Meet Stanley's fortune: As the Huangs come to terms with Stanley's approaching death, they are starting to fear that there's a lot less in the pot than they thought. And that's a problem when you're living in one of the wealthiest parts of California... Spanning themes of culture, ambition, love and - most of all - family, this sparkling debut is a sharp, funny and loving portrait of modern Asian-American life. PRAISE FOR FAMILY TRUST: 'Silky in satire, the writing is biting, bristling, intelligent' Irish Times. 'A brilliant mashup of *Crazy Rich Asians* and *Arrested Development*... The best kind of family drama' Cristina Alger, author of *The Banker's Wife*. 'Deftly weaves together rich family drama, biting corporate satire and deeply felt immigrant story... A sharp, spirited and wholly original take on the American Dream' Jillian Medoff. 'A wicked and witty send up of Asian-American Silicon Valley elite, a delightful debut that Jane Austen would be proud of' Micah Perks.

Overthinking About You - Allison Raskin 2022-05-03

Dating is hard—but when you live with anxiety, OCD, and/or depression, dating can feel like a minefield. At last, a book that focuses solely on mental health and dating—an intersection that demands attention, given that one in five Americans will experience a mental illness in a given year. *Overthinking About You* is a memoir-driven self-help book that explores the complex connection between brain and heart, for an engaging, useful, and relatable read for anyone whose mental health has gotten in the way of successful romantic relationships.

The Baby Thief - Barbara Bisantz Raymond 2009-04-29

For almost three decades, renowned baby-seller Georgia Tann ran a children's home in Memphis, Tennessee — selling her charges to wealthy clients nationwide, Joan Crawford among them. Part social history, part detective story, part expose, *The Baby Thief* is a riveting investigative narrative that explores themes that continue to reverberate today.

Jenny and the Jaws of Life - Jincy Willett 2008-05-27

Critically acclaimed when it was first published in 1987, this timeless collection of stories features eccentric, complex characters who think and do the unconventional.

The Jasmine Project - Meredith Ireland 2021-09-07

Jenny Han meets *The Bachelorette* in this “sparkling, witty, warm-hearted gem” (Karen M. McManus, #1 New York Times bestselling author of *One of Us Is Lying*) of a romantic comedy about a teen Korean American adoptee who unwittingly finds herself at the center of a competition for her heart, as orchestrated by her overbearing, loving family. Jasmine Yap's life is great. Well, it's okay. She's about to move in with her long-time boyfriend, Paul, before starting a nursing program at community college—all of which she mostly wants. But her stable world is turned upside down when she catches Paul cheating. To her giant, overprotective family, Paul's loss is their golden ticket to showing Jasmine that she deserves much more. The only problem is, Jasmine refuses to meet anyone new. But...what if the family set up a situation where she wouldn't have to know? A secret Jasmine Project. The plan is simple: use Jasmine's graduation party as an opportunity for her to meet the most eligible teen bachelors in Orlando. There's no pressure for Jasmine to choose anyone, of course, but the family hopes their meticulously curated choices will show Jasmine how she should be

treated. And maybe one will win her heart. But with the family fighting for their favorites, bachelors going rogue, and Paul wanting her back, the *Jasmine Project* may not end in love but total, heartbreaking disaster.

Be the Change - Chandra Clarke 2014-07-20

Can You Save The World? It's so easy to be overwhelmed by everything that is wrong in the world. In 2010, there were 660,000 deaths from malaria. Dire predictions about climate change suggest that sea levels could rise enough to submerge both Los Angeles and London by 2100. Bees are dying, not by the thousands but by the millions. But what can you do? You're just one person, right? The good news is that you *can* do something. It's called citizen science, and it's a way for ordinary people like you and me to do real, honest-to-goodness, help-answer-the-big-questions science. This book introduces you to a world in which it is possible to go on a wildlife survey in a national park, install software on your computer to search for a cure for cancer, have your smartphone log the sound pollution in your city, transcribe ancient Greek scrolls, or sift through the dirt from a site where a mastodon died 11,000 years ago—even if you never finished high school. Part I of *Be the Change: Saving the World with Citizen Science* will show you what citizen science is, how important it is, and why we need more of it. You will also find out how it can personally benefit you, how you can get involved, and what it might mean to you if you did. Part II provides a large list of projects that you can join right now, concisely explained, and organized by the level of involvement required. Citizen science is fun, it's easy, and you can get started today. *Be the Change: Saving the World with Citizen Science* will show you how. Show less

The Tattoo Chronicles - Kat Von D 2012-06-26

The Tattoo Chronicles is an illustrated diary that offers an intimate look at a crucial year in the personal and professional life of Kat Von D, the charismatic, no-holds-barred tattooer and star of *LA Ink*. When Kat does a tattoo, she writes an entry about it in her journal, reflecting not only on the significance of the tattoo for the person who is receiving it but also on how the experience of creating this tattoo affects her personally. In these diary entries—some poignant, some hilarious, some confessional—Kat lays it on the line about how doing these tattoos influences her life and art. Here are the highs and the lows, the good, the bad, and the ugly—including her feelings about her fame, family, love life, friends, and fans. Visually stunning, this graphically compelling diary is jam-packed with tons of Kat's images, from sketches of her tattoos to the finished works, and candid shots of her unusual personal collections—all photographed by Kat herself. Fans will love reading about her array of clients from all walks of life, including Motörhead's Lemmy Kilmister, Dave Navarro, and members of Metallica, Green Day, Kings of Leon, and the Eagles. Throughout *The Tattoo Chronicles* are captivating, color photographs of Kat that were taken specifically for the book, published here for the first time. Here she is: the real Kat Von D: unscripted and uncensored!

The Expatriates - Janice Y. K. Lee 2016-01-12

I raced through this enthralling story' Liane Moriarty 'Brilliantly plotted and written, utterly absorbing' Daily Mail 'An emotionally gripping page-turner' Elle Mercy, a young Korean American and recent Columbia graduate, is adrift, undone by a terrible incident in her recent past. Hilary, a wealthy housewife, is haunted by her struggle to have a child, something she believes could save her foundering marriage. Meanwhile, Margaret, once a happily married mother of three, questions her identity in the wake of a shattering loss. As each woman struggles with her own demons, their lives collide in ways that have irreversible consequences for them all. *The Expatriates* is an atmospheric, moving, and utterly compelling story of motherhood and family set against the unforgettable backdrop of Hong Kong.
