Discover UK Shoegaze and Dream Pop - Vernon Joynson 2023-10-20
Discover UK Shoegaze and Dream Pop is an excellent comprehensive guide to the development of both genres in the UK. It includes detailed discographies, personnel details, biographies, analysis of their music and, where applicable, rarity ratings for all the 80s and 90s acts featured. You'll recognise some names but several less well known acts are included too. There's also a detailed postscript section on the re-emergence of Shoegaze and Dream Pop in the UK in the 21st century and the bands involved in it. This book is the latest in a quartet of books Vernon has written about UK music commencing with the Two Volume Tapestry of Delights (2014), A Sharp Shock To The System (2019) and The Britpop Bible (2022). These three previous titles appeared in print but in view of the cost of living crisis Discover UK Shoegaze and Dream Pop has been published digitally to reduce the retail price and make it affordable for more of you. You will discover a lot about UK Shoegaze and Dream Pop from this book, which is profusely illustrated throughout. There is nothing similar out there!

I Hope My Voice Doesn't Skip - Alicia Cook 2018-06-05

Anthem-like poems about relationships, mental health, loss, and recovery from the activist and bestselling author of *Stuff I've Been Feeling Lately*. The reader's experience with this unique collection is lifted from the page as Alicia Cook has collaborated with a number of up and coming musicians to transform some of her poetry into song. Like her debut book, this one is divided into two parts. Modeled after a vinyl record this time, the collection is separated into the EP record, holding Cook's shorter poetry, and the LP record, holding Cook's longer poetry, prose, and songwriting. Together, they form an inspiring collection for all those recovering from something. "Through each internal rhyme and turn of phrase, she presents new ways of interpreting despair, courage and overcoming. The poems are mostly devoid of gender pronouns, favoring the first and second person to promote accessibility for all. Cook is self-reliant and fully aware of how to make her voice heard." —Asbury Park Press "This book was raw . . . Alicia Cook writes about very important topics, some of them really hard to read about, especially if they hit too close to home . . . You will always find a poem, a sentence, something that will speak to you, to your heart, to what you're going through and this book did just that for me." —Chapter Ninety-Two "A heartfelt, emotional, beautiful book of poems." —The Pages In-Between
