[A River Enchanted](#) - Rebecca Ross 2022-02-15

“Exquisitely written with compelling characters and romance . . . I was swept away by the enchanting and magical world Rebecca Ross crafted, and loved every moment of it.” — Sue Lynn Tan, bestselling author of *Daughter of the Moon Goddess* Enter the isle of Cadence in this novel from the #1 New York Times bestselling author of *Divine Rivals*—a Scottish-inspired fantasy brimming with enemies-to-lovers romance, magic and spirits, and a captivating mystery It starts with a letter and an ominous journey across dark waters. Ten years after being sent away to the mainland to become a bard, Jack Tamerlaine is summoned home to Cadence. Girls are going missing from the island, and Adaira, his childhood nemesis and the future leader of the clan, believes Jack is the only one who can find them. The elemental spirits that dwell in every breath of air, splash of water, blade of grass, and flicker of fire find mirth in the lives of the humans, and a bard’s music is the only way to summon them and ask that the girls be returned. Yet as Jack and Adaira get closer to solving the mystery, it becomes apparent that an older, darker secret about Cadence lurks beneath the surface, and no harp song may be strong enough to stop it. With unforgettable characters, a thrilling plot, and a lush folklore-infused world, *A River Enchanted* is a stirring story of duty, love, and creating harmony between opposing forces. This first book in the *Elements of Cadence* duology marks Rebecca Ross’s brilliant entry on the adult fantasy stage.

The Blind Assassin - Margaret Atwood 2009-09-03

Winner of the Man Booker Prize By the author of *The Handmaid's Tale* and *Alias Grace* Laura Chase's older sister Iris, married at eighteen to a politically prominent industrialist but now poor and eighty-two, is living in Port Ticonderoga, a town dominated by their once-prosperous family before the First War. While coping with her unreliable body, Iris reflects on her far from exemplary life, in particular the events surrounding her sister's tragic death. Chief among these was the publication of *The Blind Assassin*, a novel which earned the dead Laura Chase not only notoriety but also a devoted cult following. Sexually explicit for its time, *The Blind Assassin* describes a risky affair in the turbulent thirties between a wealthy young woman and a man on the run. During their secret meetings in rented rooms, the lovers concoct a pulp fantasy set on Planet Zycron. As the invented story twists through love and sacrifice and betrayal, so does the real one; while events in both move closer to war and catastrophe. By turns lyrical, outrageous, formidable, compelling and

funny, this is a novel filled with deep humour and dark drama.

The Night Gardener - George Pelecanos 2010-04-08

Detectives Gus Ramone and Dan Holiday - two of the leads on the case - have pursued very different

paths. Rising and Other Stories - Gale Massey 2021-04-13

In story after story in her diverse new collection, *Rising and Other Stories*, Gale Massey illustrates the moments that shape and alter destiny. Bringing each to life through interconnected themes of moving water and a sense of loss, Massey shares with us an unvarnished narrative of a world that objectifies women and the strength and resourcefulness required to attempt to overcome those limitations. From the panicked mother in *Racine* who escapes to the ocean and a young girl's last fishing expedition with a dying father in *Glass* to the inevitable end in *Marked* and the gamble in *Not so Fast*, these stories show how simple twists of fate can change a person forever. *Ivy Waters* and *Long Time Coming* both explore the loss of a father in very different ways, and how the identities of the daughters are rooted in those losses. And *Elise's* life in *Rising* is told in contrasts as she develops the use of her volition to pull her toward the life she deserves. Massey's protagonists are everyday folk depicted in stories that explore the scars of redemption (*Lucky Girl*), despair (*Differences*), daring (*The Train Runner*) and longing (*Swimaway* and *Freedom's Just Another Word*), a visceral sense of fate (*Low Tide*), and, most of all, each character's desires and will to live. These stories will transform you and deepen your view of the world, as Massey helps us discern societal constructs and their acute burdens, and the many ways that people—particularly women and girls—attempt to rise above them.

Tampa Bay Noir - Colette Bancroft 2020-08-04

Tampa Bay joins Miami in representing the (alleged) Sunshine State in the Noir Series arena. "At last, the popular Akashic Noir series has adopted the Tampa Bay area...The notion of elevating place to the status of

a character in a story, a frequent topic in writers workshops, works to maximum effect. The descriptive forays are full of observations that can only be gleaned by living here." --Tampa Bay Times Colette Bancroft's story, "The Bite," has received the 2021 Robert L. Fish Memorial Award, presented by the Mystery Writers of America! "Wings Beating" by Eliot Schrefer has been selected for inclusion in Best American Mystery and Suspense 2021! "Move over Miami, Tampa Bay proves it has a dark side too...This somber anthology spins tales of sinister family secrets, business deals gone bad and tragedy on the bay in short stories." --Flamingo Magazine "A new collection of noir fiction features all sorts of miscreants finding their way through this part of Florida." --Ocala Star Banner "[A] lively collection of superior short stories." --South Florida Sun-Sentinel "[Tampa Bay Noir] has a contributor list that includes a handful of bestselling crime novelists, but more importantly, the stories are pretty excellent, too." --Mystery Scene Magazine "Tampa Bay gets a much-deserved turn in the spotlight with this new collection." --CrimeReads, One of the Most Anticipated Crime Books of 2020 "Books can transport us to faraway, exotic places we've never seen, but they can also show us new angles of familiar places we thought we knew. Places closer to home like Hyde Park, Tierra Verde, Davis Islands, Palma Ceia, Clearwater Beach, Pass-a-Grille, Indian Rocks Beach, Westshore, St. Petersburg's 34th Street, Gibsonton, Lake Maggiore, Pinellas Park, Largo, Safety Harbor and Rattlesnake. Those are the local settings--yes, Rattlesnake is a real place!--for the 15 stories collected in Tampa Bay Noir, an anthology of new crime fiction due out in August." --Creative Pinellas "Anyone who lives in the Tampa Bay area knows there are stories of intrigue here, just waiting to be told." --The Gabber "Being a local, it's cool to read about locations and think, 'I've been there.' Tampa has enough sordid and colorful history to deserve another volume." --Ink19 Akashic Books continues its award-winning series of original noir anthologies, launched in 2004 with Brooklyn Noir. Each book comprises all new stories, each one set in a distinct location within the geographic area of the book. Brand-new stories by: Michael Connelly, Lori Roy, Ace Atkins, Karen Brown, Tim Dorsey, Lisa Unger, Sterling Watson, Luis Castillo, Sarah Gerard, Danny López, Ladee Hubbard, Gale Massey, Yuly Restrepo Garcés, Eliot Schrefer, and Colette Bancroft. From the introduction by Colette Bancroft: Ask most people what the Tampa Bay area is famous for, and they might mention sparkling beaches and sleek urban centers and contented retirees strolling the golf courses year-round. But it's always had a dark side. Just look at its signature event: a giant pirate parade. Not only does Gasparilla honor the buccaneer traditions of theft, debauchery, and violence; its namesake pirate captain, José Gaspar, is a fake who probably never existed. And if there's any variety of crime baked into Florida's history, it's fraud. From the indigenous residents who supposedly conned Spanish explorers seeking the Fountain of Youth through the rolling cycles of real estate scams that have

shaped the Sunshine State for the last century or so, the place is a grifter's native habitat.
