Fakers - May Archer 2020-06-26

Brooks Johnson's Words To Live By: When returning to Licking Thicket, TN, for the first time in ten years to reunite with your nosy neighbors, heart-broken ex-girlfriend, and matchmaking mama who never quite believed you were gay, it's best to bring a fake boyfriend as backup... Just don't be surprised when your ex-girlfriend does the same. And when her incredibly hot fake boyfriend becomes the one island of calm in a sea of bovine-based insanity, it's best to exercise caution... especially when he pushes you up against the rough barn wall to

check you very thoroughly for splinters... Just don't be surprised if you fall head-over-hooves in love with him.

The Backup Plan - Jen McLaughlin 2018-03-19
"THE BACKUP PLAN is classic new adult at its finest. With plenty of angst, drama and emotion, I seriously loved this romance!" ~ NYT bestselling author Monica Murphy I'm beyond help... I threw a football before I could walk. Everything in my life revolved around football--and I loved every second. I was a star. Until, suddenly...I wasn't. Now everyone thinks I'm the monster who killed his best friend. I'm an outcast on campus, silent and alone. Then Taylor Selmer walks back into my life. When will she learn--I'm beyond saving. I need to save him... Chase and I used to be friends. But after the accident, nothing was the same. We used to have something special--until we didn't. But he doesn't smile anymore. Doesn't talk. Doesn't play. It hurts me to see him this way, and I will do everything I can to get him back in the game.

Radio Daze 1970-1976 - Mitch McCracken

2021-06-13

I'm not sure how this happened, I was never inspired to write a book, but I sure do enjoy telling stories. So I wrote a few of them down. My first radio job was at the third FM station in the country to switch to a rock format. I'm going to tell you about my 1974 interview with The Doors Jim Morrison. Who died in Paris in 1971. Or my vacation on the road with Skynyrd. One of the most challenging things about writing this book was reliving the story of how a serial rapist trapped, beat, and raped my girlfriend. You will read about what happened to her, how she dealt with it, and how it affected her life and mine. I also detail how my magazine, Radio Magazine, was embezzled by Stax Records and Union Planters Bank, how I helped the Attorney General at the time, Hugh Stanton, in his investigation into the bank and one of its officials. Radio Daze takes a lighthearted look at

some serious issues. It also gives you an inside look at the other side of the radio microphone and what it was like to be a disc jockey in the seventies. Radio was fun then. The DJs got free albums, concert tickets, movies, and meals, much different from today's radio.

I Kissed my Girlfriend's Little Sister?! Volume 1 - Riku Misora 2022-03-15

"We'd better not let my sis see us like this..." My girlfriend's younger twin sister has somehow become my new stepsister?! "You sound really nervous right now. You're just so adorable, bro." It's been a month since I've started dating Haruka, my first ever girlfriend. We even finally reached first base today—holding hands! "What a bad boyfriend you are. To think you're daydreaming about your little sister while you're holding hands with your girlfriend, of all people!" Today's also special for a different reason—my dad's getting remarried, which means I get a new stepsister. Her name is Shigure, and she's pretty much the spitting

image of Haruka. That's no surprise though, given that she's actually Haruka's long-lost twin sister! Due to family circumstances, they were split up at birth. "It's okay, bro. I look exactly like sis does, right down to... well, you know. I don't blame you at all." Her presence adds a new, twisted form of love that tangles itself into our protagonist's passionate love life! He can't possibly tell his girlfriend what's been going on! Be sure to check out this saucy romcom with a raunchy and rather needy stepsister!

The Backup Girl - Stephanie Haggarty
2017-11-11

High school is almost over, finally. Beau, is the hot guy next door . . . who has a girlfriend. And my parents are surprisingly hopeless when it comes to him. But

there is no way I'm going to be left behind. I'm taking my life in my hands.

The Backup Boyfriend - River Jaymes

2013-11-29

Professionally, Dr. Alec Johnson has almost reached his goals. As this year's recipient of a

humanitarian award with his ex, Dr. Tyler Hall, Alec's work with the homeless is about to be recognized. Unfortunately, his personal life sucks because now he has to attend several events alongside Tyler-with his ex's new boyfriend in tow. In an attempt to lift his mood and break out of his rut, Alec purchases a motorcycle he has no idea how to start. Dylan Booth doesn't have time for Dr. Clueless and his fickle 1964 Harley, but the cocky mechanic can't say no to the request for help. Having spent his teen years on the streets, and losing his best friend to HIV, Dylan decides teaching the do-gooder how to ride is the least he can do. But watching Alec flounder in his ex's company throws Dylan into protector mode, and the confirmed hetero introduces himself as Alec's new boyfriend. The ex suspects Dylan is lying. Alec claims Dylan's plan is insane. And Dylan's not sure he can fake being gay. But Dylan's a master bullshitter, and the phony PDA soon turns ultra-hot. Alec can't afford to get attached,

and Dylan's learned everyone eventually leaves. Unfortunately, playing the backup boyfriend is starting to feel way too real...

Four Years Later - Emma Doherty 2017-06-26
Becca McKenzie is happy-crazy, ridiculously happy. She might not have figured out what she wants to do with her life, but she has something better-Ryan Jackson-and they couldn't be more in love if they tried. He might have been pissed when she went off to a different college, but they

make the long distance work because they're "Becca and Ryan", and nothing is going to break them. Until it does. Until one terrible, unforgettable night away from Ryan. Until too much drinking and one empty bedroom. Until fifteen minutes of hell completely destroys her life and leaves Becca questioning everything she's ever known. Until that night turns into a lie she can't stop-can't control. Until she said no but he didn't listen.
