The Fifth Agreement - Don Miguel Ruiz
2010-01-18

In *The Four Agreements*, a New York Times bestseller for over 7 years, Ruiz revealed how the process of our education, or "domestication," can make us forget the wisdom we were born

with. Throughout our lives, we make many agreements that go against ourselves and create needless suffering. The Four Agreements help us to break these self-limiting agreements and replace them with agreements that bring us personal freedom, happiness, and love. In *The Fifth Agreement*, don Miguel Ruiz joins his son don Jose Ruiz to offer a fresh perspective on *The Four Agreements*, and a powerful new agreement for transforming our lives into our personal heaven. *The Fifth Agreement* takes us to a deeper level of awareness of the power of the Self, and returns us to the authenticity we were born with. In this compelling sequel to the book that has changed the lives of millions of people around the world, we are reminded of the greatest gift we can give ourselves: the freedom to be who we really are.

The Mastery of Self - don Miguel Ruiz
2016-05-23

Renowned Toltec wisdom teacher don Miguel Ruiz Jr. reveals how the tools of awareness, understanding, and unconditional love can free your authentic self. The Toltecs were an ancient civilization that predated the Aztecs. They believed that life as we perceive it is a dream. We each live in our own personal dream, and our collective dreams come together to shape the "Dream of the Planet." But problems arise when we forget that the dream is just that—a dream, and not a fixed reality. *The Mastery of Self* takes the Toltec philosophy of the "Dream of the Planet" and the personal dream and explains how we can: Wake up from our illusions Liberate ourselves from the inhibiting stories we all tell ourselves Live as our true, authentic, loving selves Once released, we can live our authentic lives not only in solitude and meditation but anywhere—at the grocery store, stuck in traffic, and so forth—and in any situation or scenario that might confront us. Each chapter includes rituals, meditations, and other practices to manifest Toltec wisdom in our lives.

The Voice of Knowledge - Don Miguel Ruiz
2010-02-01

In *The Voice of Knowledge*, Miguel Ruiz reminds us of a profound and simple truth: The only way to end our emotional suffering and restore our joy in living is to stop believing in lies — mainly about ourselves. Based on ancient Toltec wisdom, this breakthrough book shows us how

to recover our faith in the truth and return to our own common sense. Ruiz changes the way we perceive ourselves, and the way we perceive other people. Then he opens the door to a reality that we once perceived when we were one and two years old — a reality of truth, love, and joy. "We are born in truth, but we grow up believing in lies. . . . One of the biggest lies in the story of humanity is the lie of our imperfection." — don Miguel Ruiz • From the international bestselling author of *The Four Agreements* • A New York Times bestseller • Over 300,000 copies sold in the U.S.

The Three Questions - Don Miguel Ruiz 2018-06-26

The beloved spiritual teacher builds on the message of his enduring New York Times and international bestseller *The Four Agreements* with this profound guide that takes us deeper into the tradition of Toltec wisdom, helping us find and use the hidden power within us to achieve our fullest lives. In *The Four Agreements*, Don Miguel Ruiz introduced seekers on the path to enlightenment to the tenets of Mesoamerican spiritual culture—the ancient Toltec. Now, he takes us deeper into Native American practice, and asks us to consider essential questions that drive our lives and govern our spiritual power. Three eternal questions can help us into our power and use it judiciously: Who am I? What is real? How do I express love? At each stage in our lives, we must ask these simple yet deeply profound questions. Finding the answers will open the door to the next stage in our development, and eventually lead us to our complete, truest selves. But as Don Miguel Ruiz makes clear, we suffer if we do not ask these questions—or if we fail to pay attention to their answers—because we either never act on our power or use it destructively. Only when power is anchored in our identity and in reality will it be able to be in synch with the universe—and be of true benefit to ourselves and to others. The three questions provide a practical framework that allows readers to engage with Ruiz's transformative message and

act as a vehicle for overcoming fear and anxiety and discovering peace of mind. An essential guide for all travelers pursuing self-knowledge, understanding, and acceptance, *The Three Questions* is the next step in our unique spiritual metamorphosis.

The Circle of Fire - Don Miguel Ruiz 2013-08-09

In *The Circle of Fire* (formerly published as *Prayers: A Communion With Our Creator*) Ruiz inspires us to enter into a new and loving relationship with ourselves, with our fellow humans, and with all of creation. Through a selection of beautiful essays, prayers, and guided meditations, Ruiz prepares our minds for a new way of seeing life, and opens our hearts to find our way back to our birthright: heaven on earth. The result is a life lived in joy, harmony, and contentment. In my teachings, "The Circle of Fire" ceremony celebrates the most important day of our lives: the day when we merge with the fire of our spirit, and return to our own divinity. This is the day when we recover the awareness of what we really are, and make the choice to live in communion with that force of creation we call "Life" or "God." From that day forward, we live with unconditional love in our hearts for ourselves, for life, for everything in creation. This book, first published in 2001 as "Prayers: A Communion with Our Creator," will remind you of what you really are. It has always been my favorite book, and now in honor of my favorite prayer, it has been appropriately renamed "The Circle of Fire." -- don Miguel Ruiz

The five levels are: • Authentic Self • Preference • Identification • Internalization • Fanaticism Accessible and practical, The Five Levels of Attachment invites us to look at our own lives and see how an unhealthy level of attachment can keep us trapped in a psychological and spiritual fog.
