In Search of Aphrodite Chelsea Wakefield 2015-10-14 What does it mean to be “in search of Aphrodite?” For most women, sex is complex, and more than a juxtaposition of body parts. Women sense the possibility of depth, meaning, even transcendence, but in a somatically disconnected, sexually superficial world, it can be difficult for a woman to discover her inner fire, define who she is sexually, and confidently communicate this to her partner. Part philosophy, part treatment manual, *In Search of Aphrodite* addresses women’s sexual problems from an inspiring, creative perspective, integrating Jungian Psychology and sex therapy. Readers will deepen their understanding of the sexual psyche and how this realm impacts women’s lives, as well as what the author calls the journey of Sexual Individuation™. Chelsea Wakefield covers a variety of topics such as healing ancient wounds, resolving inner conflicts, exploring sexual essence, identity, scripts, primal instinct, desire, fantasy, longing, and more. She offers pathways to sexual enrichment and improved

communication with a partner. Sexual archetypes are introduced and organized around the author's Sexual Essence Wheel. Gatekeepers and Eros-inhibiting archetypes are described, along with what to do when treatment stalls. This book is appropriate for:

- Clinicians who are nervous about venturing into conversations about women's sexuality
- Clinicians who are comfortable with sexual topics and are curious about new interventions
- Sex therapists who want a treatment model that acknowledges the multidimensional aspects of sexuality
- Jungian analysts and Jungian oriented practitioners who want helpful tools for addressing sexual issues as an invitation into individuation
- Pastoral counselors and spiritual guidance practitioners who seek to heal souls wounded by sexual trauma and sex-negative teachings
- Women who want to explore their sexual psyche and define their sexual essence, and men who wish to better understand the sexual depths of women.

Rich with case histories and an "Inner Cast of Characters" that clients can explore, this resource will help women discover joyful embodiment, innate eroticism, and sexual pleasure!

Sex Disasters... Charles Moser, Ph.D., M.D. 2011-11-07 "Well, she said she was eighteen." "Hey, where'd the condom go?" "Eww, how do I get these stains out of the sheets?" Some sex disasters make you laugh. Some make you cringe. Some send you running for help. And here's the place to learn about all of them... a jammed handcuff, a short-circuited vibrator, a cop at the door, a date who won't take no for an answer, a gray pubic hair, and dozens more. Physician Moser, educator Hardy, and a consulting team of attorneys, cops, EMTs, therapists and sex educators team up to create a tongue-in-cheek - but factually accurate - guide to surviving those awkward moments inside the bedroom, dungeon, back seat, bushes... "A funny, delightful bedside companion, and an absolutely incredible resource for when things - inevitably - go wrong." - Paul Joannides, author, *The Guide to Getting It On*

Dominatrix Danielle J. Lindemann 2012-10-03 Our lives are full of small tensions, our closest relationships full of struggle: between woman and man, artist and customer, purist and commercialist, professional and client—and between the dominant and the submissive. In Dominatrix, Danielle Lindemann draws on extensive fieldwork and interviews with professional dominatrices in New York City and San Francisco to offer a sophisticated portrait of these unusual professionals, their work, and their clients. Prior research on sex work has focused primarily on

prostitutes and most studies of BDSM absorb pro-domme/client relationships without exploring what makes them unique. Lindemann satisfies our curiosity about these paid encounters, shining a light on one of the most secretive and least understood of personal relationships and unthreading a heretofore unexamined patch of our social tapestry. Unpending the idea that these erotic laborers engage in simple exchanges and revealing the therapeutic and analytic nature of their work, Lindemann makes a major contribution to cultural studies, anthropology, and queer studies with her analysis of how gender, power, sexuality, and hierarchy shape all of our social experiences.

The Complete Mistress Manual Mistress Dede 2015-10-07 Have you ever wondered what it would be like to be a dominant woman who can control a man with just a look or a word? When the thoughts of being in control creep into your head, that sexy little smile starts to play over your lips, and you start to get some ideas that you want to try on your man. As women, we have all been there, but being women, many of us are unable to take hold of our control and dominate a man. The idea of being a dominatrix is often seen as a sexual and social taboo, and many women are afraid of what society would say, what our family and friends would think, and in general, we feel that it isn't the position of a woman to take the stance of power and control. Women are seen naturally as the weaker sex, the one to be protected by a man, and the man in the relationship is often seen to be in control, the leader, the strong and dominant one. Social norms often dictate how we feel about ourselves, and sometimes, it can hinder who we really are inside. Take heed, ladies. We are women. We are strong. We are powerful. We are fierce. We are romantic. We are dynamic. We are caring. We are fighters. We are lovers. We are women! This manual will give you an inside look on what being a Mistress is really all about and will give you insight on how to be a Mistress. Being a Mistress isn't all about leather outfits, stiletto heels, and a whip in your hand. It is a journey between you and your partner, where you are the leader, you are in control, and you have the final say. It is a

path of adventure where you make the choices, you take charge, and where you can let all of your inhibitions go. It will give you insight into a new you, the one who has been trapped behind the social norms for far too long. Ladies, welcome your inner Mistress!

The Commerce of Peoples Biman Basu 2012-03-15 The Commerce of Peoples introduces a new way of reading. It puts into place a sadomasochistic framework which allows for both diachronic and synchronic analysis. By reading sadomasochistic practice as historical and defining it in terms of practices of embodiment, by alternating between analysis and synthesis, between specific texts and general principles, it provides a new theoretical framework and a new methodology for the analysis of literature and culture.

Bow Down Lindsay Goldwert 2021-01-19 *One of Glamour's Best Books of 2020* Popular podcast host and personal finance expert Lindsay Goldwert explores what professional dominatrixes can

teach us about confidence, power, and happiness. Imagine, for a moment, a world where the usual power dynamic is turned on its head. Where women not only stop apologizing, but seize—and enjoy—control. This is the quickly mainstreaming world of BDSM (bondage, discipline, sadism, masochism)—and it has a lot to teach women about empowerment, negotiation, open-mindedness, and more. Journalist Lindsay Goldwert, intrigued by this seismic cultural shift, traveled across the United States to meet the stars of the subculture, who spoke frankly with her about their lives and work. In this “lively, funny, thoughtful channeling of wisdom” (Sara Benincasa, author of *Real Artists Have Day Jobs*), these Alpha women show you how you can reset the power dynamic in any situation to get what you want—whether it’s from a husband, a boss, or partner. They share strategies for revolutionizing not only your sex life, but your career, your relationships, and most importantly, your inner foundations. With bondage gear popping up on the big screen, the runway, the red carpet, and in celebrity lingerie lines, BDSM is officially moving out of the dungeon and into the sun. Let *Bow Down* help you learn how to use it. “Whether your fantasies lie in the bedroom or the boardroom, Lindsay will give you the courage to go forth and dominate.” (Sarah Cooper, author of *How to Be Successful without Hurting Men’s Feelings*).

Dominant Female Submissive Male Sophia James 2019-04 Why do Women, even very attractive women, stay in relationships with Men who treat them badly? Is it low self-esteem or a desire to submit to a dominant man? A dominant man who will provide all the romance and excitement she has been brought up to believe is her natural right. In my case it was the latter; I wanted the big, handsome hunky guy who would sweep me off my feet, treat me like a princess in public and his sex slave in the bedroom. But, as most women find out, life is not a fairy tale. A real life Rhett Butler probably does exist but you will have more chance of finding a needle in a haystack. Elizabeth

Bennett found happiness but for every Mr Darcy there are hundreds of selfish men who think a woman's job is just to supply sex and child care. WOMEN SHOULD UNDERSTAND THE POWER THEY HAVE. I didn't realise it until I was thirty-five and until that point I put up with my men coming home drunk, wasting my money, getting fatter and more abusive and providing me with increasingly disappointing sex. I put up with it no longer. I now have a man who sees it as his principle aim in life to keep me happy, contented, wealthy and sexually satisfied. I have known my man for most of my life but he only became my boyfriend seven years ago. During that time I have been a professional Dominatrix and a writer of books dedicated to the dominant female. And my boyfriend is also my slave. In this book I explain how all this came about. The book is more about personal-transformation and female-empowerment than it is about kinky, usually fictional, sexual fantasies. The success of the book, *Fifty shades of grey*, shows the interest there is out there in an alternative, discipline based life-style and emphasises that many women share that interest. Unlike, *fifty shades of grey*, *Dominant Female Submissive Male* is primarily a manual for submissive men to find the Mistress of their dreams but it is also an eye-opener for frustrated women as it shows them the glorious, very exotic and exciting life they could have. While some submissive men are slightly pathetic, and even creepy, many are romantic, kind-hearted, reliable and good fun. They adore and respect women and see it as their role in life to support them. What's not to like about that? They will have a desire for discipline and this desire will be inextricably linked to their sexual nature. For some this will be extreme and involve heavy BDSM but for most it will involve safe, erotic role-play and spankings. The point is that Women control when, how and even if it happens. Women have the power in all aspects of the relationship and how they exercise that power is up to them. Believe me, once you have a man on his knees begging for an orgasm you will never look back. But Women do not want to live with a

wimp and this is what a lot of very nice submissive men fail to understand and why many of them remain frustrated and single when, with a little change of emphasis, their dreams are so easily achievable. This book is a guide on how to affect this change of emphasis and to get across what women are looking for and will accept in a loving, fulfilling and very kinky relationship. It also explains how submissive men can learn to accept and enjoy their kink and how to widen their circle of fetish friends. It relates the authors own experiences and offers guidance on how to get the best out of a session with a Dominatrix and how to become more than just a client to her. It also explains how to tell your wife about your desire for female-domination and, more importantly, how not to. It also offers cautionary tales and about how not to get ripped off by unscrupulous con-artists. The central aim of the book however, is to bring together good men who have a desire for female-domination with good women looking for a lover who will provide happiness, support, fun, excitement and success. The Corporate Dominatrix Lisa Robyn 2007-04-10 The Corporate Dominatrix exposes the workplace for what it truly is: a social sadomasochistic wonderland -- one in which some people have power and some do not, thus creating an unbalanced command-and-control dynamic. Using the psychological tools of the professional dominatrix, Lisa Robyn shows women how to role-play their way to success by employing the tactics of six mistress archetypes: Goddess, Queen, Amazon, Governess, Nurse, and Schoolgirl. For a dominatrix in everyday life, the key to effectiveness lies in being switchable -- knowing when to be firm and direct and when to be flexible and accommodating. The Corporate Dominatrix dominates without being domineering and is submissive without being subservient. She stands up for her rights in an open and straightforward way, and she is confident enough to intuit what her clients or colleagues want and she responds accordingly. Robyn provides a compelling

strategy for women to get their way at work by choosing the appropriate role to fit the particular situation, while always behaving in a professional manner that earns respect. Filled with examples and practical tips, this provocative business book will help every businesswoman advance to the position she wants and truly become the mistress of her domain. Power becomes you . . . Use it wisely.
