Love by the Numbers - Karin Kallmaker 2013-03-01

As a behavioral scientist, Professor Nicole Hathaway's work strips away the foolish mystique that surrounds the human mating dance. When her academic tome is treated as a viral "love manual" her ecstatic publisher books her to appear all over the U.S. and Europe. Worse yet, her quiet, managed life has been shattered by a series of incompetent assistants. And she's certain this Lily Smith creature isn't going to be any less a burden than the last assistant they sent her. Or the one before that. Or before that... Lillian Linden-Smith needs this job. With a relentless TV lawyer and public mob still out for her blood for crimes committed by her "American royalty" parents, getting out of the country is her only hope for anonymity. If that means cleaning up and presenting an antisocial know-it-all Ph.D. for bookstores, clubs and lectures, fine. Dr. Hathaway may have succeeded in driving away all the others, but not this time. From their first meeting the sparks fly, and each is thinking: She has no idea who she's dealing with. It's hate at first sight in this love adventure

from the author of *Above Temptation*, *Roller Coaster* and dozens of other best-selling, award-winning novels.

All About Love - bell hooks 2018-01-30

A New York Times bestseller and enduring classic, *All About Love* is the acclaimed first volume in feminist icon bell hooks' "Love Song to the Nation" trilogy. *All About Love* reveals what causes a polarized society, and how to heal the divisions that cause suffering. Here is the truth about love, and inspiration to help us instill caring, compassion, and strength in our homes, schools, and workplaces. "The word 'love' is most often defined as a noun, yet we would all love better if we used it as a verb," writes bell hooks as she comes out fighting and on fire in *All About Love*. Here, at her most provocative and intensely personal, renowned scholar, cultural critic and feminist bell hooks offers a proactive new ethic for a society bereft with lovelessness--not the lack of romance, but the lack of care, compassion, and unity. People are divided, she declares, by society's failure to provide a model for learning to love. As bell hooks uses her incisive mind to explore the question "What is love?" her answers strike at both the mind and heart. Razing the cultural paradigm that the ideal love is infused with sex and desire, she provides a new path to love that is sacred, redemptive, and healing for individuals and for a nation. The *Utne Reader* declared bell hooks one of the "100 Visionaries Who Can Change Your Life." *All About Love* is a powerful, timely affirmation of just how profoundly her revelations can change hearts and minds for the better.

The Spanish Love Deception - Elena Armas 2022-02-08

A wedding. A trip to Spain. The most infuriating man. And three days of pretending. Or in other words, a plan that will never work. Catalina Martín, finally, not single. Her family is happy to announce that she will bring her American boyfriend to her sister's wedding. Everyone is invited to come and witness the most magical event of the year. That would certainly be tomorrow's headline in the local newspaper of the small Spanish town I came from. Or the epitaph on my tombstone, seeing the turn my life had taken in the span of a phone call. Four weeks wasn't a lot of time to find someone willing to cross the Atlantic—from NYC and all the way to Spain—for a wedding. Let alone, someone eager to play along with my charade. But that didn't mean I was desperate enough to bring the 6'4 blue eyed pain in my ass standing before me, Aaron Blackford. The man whose main occupation was making my blood boil had just offered himself to be my date. Right after inserting his nose in my business, calling me delusional, and calling himself my best option. See? Outrageous. Aggravating. Blood boiling. And much to my total despair, also right. Which left me with a surly and extra large dilemma in my hands. Was it worth the suffering to bring my colleague and bane of my existence as my fake boyfriend to my sister's wedding? Or was I better off coming clean and facing the consequences of my panic induced lie? Like my abuela would say, que dios nos pille confesados. *The Spanish Love Deception* is an enemies-to-lovers, fake-dating.

[Simply Love](#) - Mary Balogh 2007-02-27

New York Times bestselling author Mary Balogh returns to the elegance and sensuality of Regency England as she continues the enthralling story of four remarkable women—friends and teachers at Miss Martin's School for Girls. At the center of this spellbinding novel is Anne Jewell, a teacher haunted by a scandalous past...until she meets a man who teaches her the most important lesson of all: nothing is simple when it comes to love.... She spies him in the deepening dusk of a Wales evening—a lone figure of breathtaking strength and masculinity, his handsome face branded by a secret pain. For single mother and teacher Anne Jewell, newly arrived with her son at a sprawling estate in Wales on the invitation of an influential friend, Sydnam Butler is a man whose sorrows—and passions—run deeper than she could have ever imagined. As steward of a remote seaside manor, Sydnam lives a reclusive existence far from the pity and disdain of others. Yet almost from the moment Anne first appears on the cliffs, he senses in this lovely stranger a kindred

soul, and between these two wary hearts, desire stirs. Unable to resist the passion that has rescued them both from loneliness, Anne and Sydnam share an afternoon of exquisite lovemaking. Now the unwed single mother and war-scarred veteran must make a decision that could forever alter their lives. For Sydnam, it is a chance to heal the pain of the past. For Anne, it is the glorious promise of a future with the man who

will dare her to reveal her deepest secrets...before she can give him all her heart.
