She was known for two dozen novels, short stories and poetry. She was an active suffragist, and member of the Woman Writers' Suffrage League. **The Girl from the Metropol Hotel** Ludmilla Petrushevskaya 2017-02-07 Finalist for the National Book Critics Circle Award for Autobiography The prizewinning memoir of one of the world's great writers, about coming of age as an enemy of the people and finding her voice in Stalinist Russia Born across the street from the Kremlin in the opulent Metropol Hotel—the setting of the New York Times bestselling novel *A Gentleman in Moscow* by Amor Towles—Ludmilla Petrushevskaya grew up in a family of Bolshevik intellectuals who were reduced in the wake of the Russian Revolution to waiting in bread lines. In *The Girl from the Metropol Hotel*, her prizewinning memoir, she recounts her childhood of extreme deprivation—of wandering the streets like a young Edith Piaf, singing for alms, and living by her wits like *Oliver Twist*, a diminutive figure far removed from the heights she would attain as an internationally celebrated writer. As she unravels the threads of her itinerant upbringing—of feigned orphanhood, of sleeping in freight cars and beneath the dining tables of communal apartments, of the fugitive pleasures of scraps of food—we see, both in her remarkable lack of self-pity and in the two dozen photographs throughout the text, her feral instinct and the crucible in which her gift for giving voice to a nation of survivors was forged. “From heartrending facts Petrushevskaya concocts a humorous and lyrical account of the toughest childhood and youth imaginable. . . . It [belongs] alongside the classic stories of humanity's beloved plucky child heroes: Edith Piaf, Charlie Chaplin, the Artful Dodger, Gavroche, David Copperfield. . . . The child is

irresistible and so is the adult narrator who creates a poignant portrait from the rags and riches of her memory.” —Anna Summers, from the Introduction

**The New Adventures of Helen** Ludmilla Petrushevskaya 2021-11-23 "One of Russia's best living writers . . . Her tales inhabit a borderline between this world and the next." —The New York Times At first glance, the stories in *The New Adventures of Helen* seems simple, even child-like, but a deep reading reveals satire and darkness manifested through classic fairy tale tropes characteristically upended by Petrushevskaya. These "adult fairy tales" ask deep questions about gender, love, history, memory, and the future, taking place in times between history and the now. These stories, quirky but yet inspired by a confident hopefulness, will inspire and provoke English-speaking readers across the globe.

**The 48 Laws of Power** Robert Greene 2000-09-01 Amoral, cunning, ruthless, and instructive, this multi-million-copy New York Times bestseller is the definitive manual for anyone interested in gaining, observing, or defending against ultimate control - from the author of *The Laws of Human Nature*. In the book that *People* magazine proclaimed "beguiling" and "fascinating," Robert Greene and Joost Elffers have distilled three thousand years of the history of power into 48 essential laws by drawing from the philosophies of Machiavelli, Sun Tzu, and Carl Von Clausewitz and also from the lives of figures ranging from Henry Kissinger to P.T. Barnum. Some laws teach the need for prudence ("Law 1: Never Outshine the Master"), others teach the value of confidence ("Law 28: Enter Action with Boldness"), and many recommend absolute self-preservation ("Law 15: Crush Your Enemy Totally"). Every law, though, has one thing in common: an interest in total domination. In a bold and arresting two-color package, *The 48 Laws of Power* is ideal whether your aim is conquest, self-defense, or simply to understand the rules of the game.

*THE WAVES* Virginia Woolf 2017-12-06 The book is Virginia Woolf's most experimental novel, first published in 1931. It consists of soliloquies spoken by the book's six characters: Bernard, Susan, Rhoda, Neville, Jinny, and Louis. Also important is Percival, the seventh character, though readers never hear him speak through his own voice. The monologues that span the characters' lives are broken up by nine brief third-person interludes detailing a coastal scene at varying stages in a day from sunrise to sunset. As the six characters or "voices" alternately speak, Woolf explores concepts of individuality, self, and community. Each character is distinct, yet together they compose a gestalt

about a silent central consciousness. Bernard is a story-teller, always seeking some elusive and apt phrase Louis is an outsider, who seeks acceptance and success; Neville desires love, seeking out a series of men, each of whom become the present object of his transcendent love; Jinny is a socialite, whose Weltanschauung corresponds to her physical, corporeal beauty; Susan flees the city, in preference for the countryside, where she grapples with the thrills and doubts of motherhood; and Rhoda is riddled with self-doubt and anxiety, always rejecting and indicting human compromise, always seeking out solitude. Percival is the god-like but morally flawed hero of the other six, who dies midway through the novel on an imperialist quest in British-dominated colonial India. Although Percival never speaks through a monologue of his own in *The Waves*, readers learn about him in detail as the other six characters repeatedly describe and reflect on him throughout the book. The novel follows its six narrators from childhood through adulthood. Adeline Virginia Woolf (25 January 1882 - 28 March 1941) was an English writer who is considered one of the foremost modernists of the twentieth century and a pioneer in the use of stream of consciousness as a narrative device. *Life After Life* Kate Atkinson 2013-03-14 The PRIZE-WINNING BESTSELLER, now a major BBC1 DRAMA SERIES starring Thomasin McKenzie, Sian Clifford and James McArdle, directed by BAFTA award-winning John Crowley. MY FATHER IS THE STORY OF A DAUGHTER COMING TO KNOW HER FATHER AT LAST— A GIANT AMONG TWENTIETH-CENTURY AMERICAN NOVELISTS AND A MAN WHOSE DEVASTATING DEPRESSION DARKENED THE FAMILY LANDSCAPE. In *Reading My Father*, William Styron's youngest child explores the life of a fascinating and difficult man whose own memoir, *Darkness Visible*, so searingly chronicled his battle with major depression. Alexandra Styron's parents—the Pulitzer Prize-winning author of *Sophie's Choice* and his political activist wife, Rose—were, for half a century, leading players on the world's cultural stage. Alexandra was raised under both the halo of her father's brilliance and the long shadow of his troubled mind. A drinker, a carouser, and above all "a high priest at the altar of fiction," Styron helped define the concept of The Big Male Writer that gave so much of twentieth-century American fiction a muscular, glamorous aura. In constant pursuit of The Great Novel, he and his work were the dominant force in his family's life, his turbulent moods the weather in their ecosystem. From Styron's Tidewater, Virginia, youth and precocious literary debut to the triumphs of his best-known books and on through his spiral into depression, *Reading My Father* portrays the epic sweep of an American artist's life, offering a ringside seat on a great literary generation's friendships and their dramas. It is also a tale of filial love, beautifully written, with humor, compassion, and grace.

*Through the Wall* Ludmilla Petrushevskaya 2011-02-15 Ludmilla Petrushevskaya has been acclaimed as one of Russia's greatest living writers. These five dreamlike and blackly comic stories, two of which are here in English for the first time, tell of lost children, midnight forests, strange transformations, cruel curses, grief and resilience, in the darkest of modern fairy tales.

A SICILIAN SEDUCTION Michelle Reid 2016-10-23 Giancarlo Cardinale is determined to end the affair between his brother-in-law, Edward, and the man's young secretary. But as soon as he lays
