*Would He Be a Good Father? - The 10 Hidden Qualities Women Want in a Man* Jack Ruger

2019-07-11 Have you ever felt like you hit it off with a woman but she just ended up ghosting you? It's frustrating. It's humiliating. It hurts. You probably didn't see it coming, but what makes women do this? The truth is you most likely didn't have what she was looking for. I'll explain. Let me preface this by saying, dating is a numbers game. Generally speaking, men approach many women and women are approached by many men. The more people you date, the higher the chances are of you finding the right person. That being said, due to advancements in technology, women have more options available to them today than ever before and dating has become extremely competitive for men. Women are also naturally hyper-intuitive. In a study of 90,000 people that were shown different photographs of people's faces, women drastically outperformed men when it came to reading subtle expressions. The combination of unlimited options available to women and their hyper-intuitive nature means women have the ability to pick and choose around, searching for the highest value man they can get. It seems unfair, but that's the reality of modern dating. What does that mean for you? It means you need to prove that you have what it takes to be a good partner. Having a deep understanding of what women value in a partner will give you a HUGE advantage over other guys. What do you think of when asked, "what do women find attractive?" Looks, humor, intelligence, commonality? Yes, all of these things do matter, BUT they are only the surface level. What most men don't realize is that the deciding qualities that will make a high-value woman want to be with you are below the surface. "Would he be a good father?" will help you discover the qualities women look for to separate high-value men from low-value men. Here are the 10 hidden qualities covered in "Would he be a good father?"

when women describe what they find attractive about a man, it often comes down to body language; the way he walks, the way he holds a glass, and even the way he buttons his shirt can be huge, inexplicable turn-ons. Not that a girl can't appreciate a nice set of guns, of course, or a tall frame, but more often than not, it's little gestures that can drive a woman wild. And what's funny about it is that the guy doesn't even realize he's doing something that's a turn-on, because that's just how he is naturally (which, of course, is part of what makes it so hot). Herein, allow us to present a brief list of some of the non-sexual sexy things guys do that women have revealed to be huge turn-ons. And to get the other side's perspective, check out [How to Set Up Your Instagram Profile So Girls Will Find You Attractive](#)

**Dataclysm** Christian Rudder 2014-09-09 A New York Times Bestseller An audacious, irreverent investigation of human behavior—and a first look at a revolution in the making Our personal data has been used to spy on us, hire and fire us, and sell us stuff we don't need. In Dataclysm, Christian Rudder uses it to show us who we truly are. For centuries, we've relied on polling or small-scale lab experiments to study human behavior. Today, a new approach is possible. As we live more of our lives online, researchers can finally observe us directly, in vast numbers, and without filters. Data scientists have become the new demographers. In this daring and original book, Rudder explains how Facebook "likes" can predict, with surprising accuracy, a person's sexual orientation and even intelligence; how attractive women receive exponentially more interview requests; and why you must have haters to be hot. He charts the rise and fall of America's most reviled word through Google Search and examines the new dynamics of collaborative rage on Twitter. He shows how people express themselves, both privately and publicly. What is the least Asian thing you can say? Do people bathe more in Vermont or New Jersey? What do black women think about Simon & Garfunkel? (Hint: they don't think about Simon & Garfunkel.) Rudder also traces human migration over time, showing how groups of people move from certain small towns to the same big cities across the globe. And he grapples with the challenge of maintaining privacy in a world where these

explorations are possible. Visually arresting and full of wit and insight, Dataclysm is a new way of seeing ourselves—a brilliant alchemy, in which math is made human and numbers become the narrative of our time.

**Models** Mark Manson 2017-09-11 "You can become irresistibly attractive to women without changing who you are." So says Mark Manson, superstar blogger and author of the international bestseller, *The Subtle Art of Not Giving A F\*ck*, a self help book that packs a punch. Mark brings the same approach to teaching men what they need to know about attracting women. In *Models* he shows us how much it sucks trying to attract women using the tricks and tactics recommended by other books. Instead, he says, men need to focus on seduction as an emotional process not a physical or social one. What matters is the intention, the motivation, the authenticity. To improve your dating life you must improve your emotional life - how you feel about yourself and how you express yourself to others. Funny, irreverent and confronting, *Models* is a mature and honest guide on how a man can attract women by giving up the bullsh\*t and becoming an honest broker. "A detailed guide to modern sexual ethics" Sydney Morning Herald "There's nothing subtle about Mark Manson. He's crude and vulgar and doesn't give a f\*ck . . . He's as painfully honest as he is outrageously funny" Huffington Post

**Irresistible Masculine Sexappeal** Caeden Connor 2018-05-09 To be irresistibly attractive to women. That would be rad, wouldn't it? You see other men working their magic, and you wonder just how they know just what to do. Well, I'll tell you one thing for certain: they weren't born with it. Attraction, believe it or not, is more of a skill than a born personality trait, and you can acquire it, too. The secret lies in understanding exactly what a woman wants, and learning how to give it to her. We have all been taught wrong since we were children about what females find attractive. It's impossible to make them want you when you have no idea what you want. But advice from someone who has plenty of experience attracting women could change everything for you, teaching you what to do in order to make yourself irresistible. I am a man that women naturally find attractive, and I have seduced many women over the years, learning many tricks along the way. I know how their

minds work, what makes them tick. I know what they want and what they don't want, and I am willing to share that information with you. Finally, you will know what you've been doing wrong. You will know what things you need to start doing, and which habits you need to kick. Prepare yourself to be the most attractive man in any room, no matter what you look like. The subtleties of what a woman finds attractive is enough information to fill a book-which is exactly what I've done. But this is no ordinary book. This book compiles years of built knowledge on female attraction, both from my own experience and from my observations, and contains everything you should have been taught as a young boy but never were. Say goodbye to stumbling over your sentences and worrying about your appearance, and wondering why she wandered away after you said hello. After reading this book, you will be so confident in your own ability to sweep a lady off your feet that you won't ever have to ask those kinds of questions again. And that confidence will carry over into all areas of your life, bolstering your self-assurance and your charm in the workplace and social situations. Can it really be that simple? Yes, and no. Don't be fooled-it will take hard study and a lot of practice. But you can learn the subtleties of female attraction just as easily as you can learn anything else. So, yes, female attraction is complex. But just a few secrets will unlock a whole new world for you-a world of irresistible attraction. So, what are you waiting for? Quit being the schmuck standing in the corner, baffled as to why women won't give him a second glance, and be the one who has women coming to him, like bees to honey. make a whole heap of sense, does it? Well, not if you are thinking like a man, that's for sure. To get women, you have to understand how they feel, what they find attractive and what they really desire in a man. This is the book all decent guys have been waiting for. It is the blueprint for the female mind. This book will teach you how to be the man that women are lusting after. More importantly, it will highlight all the things you are currently doing that are just flat out unattractive to women. When it comes to attraction, men are a switch, but women are a dial. There are a thousand shades of grey in between on and off. Their state of desire is fluid, and if you know how, you can easily attract women who you previously would have considered 'out of your league'. This is not a pick-up guide; it's a comprehensive personal development program to show you how to love the man you are and to project that confidence outward. Anything else is just window dressing and women of value can smell a guy who is faking it a mile off. If you are serious about getting the woman of your dreams or learning how to attract women wherever you go, this is the book may be the most important discovery of your life. You are about to discover: The psychology of attraction. How the female mind works and what they find attractive. Loving the man you are and living with confidence. In Women A quality man who knows what he wants will not be content with having a meaningful relationship with any woman. A man like this wants a woman who exudes high character. As beautiful as she may be on the outside, he wants her inner worth far greater than the women around her. Once a woman passes a man's "appearance" test for his personal taste, her intrinsic worth (or lack thereof) loses or retains his interest in her. Learning how to get a man interested in you is as simple as figuring out what a man wants when choosing a partner for a long-term relationship. Sadly, many women are either disqualified from engaging with exceptional men, or they only seem to attract losers, gamers, and time-wasters because they fail to develop the inner qualities of great men who actively seek out potential wives or girlfriends. What qualities do men actually seek in women they want to date? Every woman occasionally wonders what qualities a man looks for in a woman. What is the key to magnetism and attraction? Even if physical beauty is important to men, the answer goes beyond that. The real solution has to delve into what men are actually looking for in long-term (and short-term) partners (and both!). It may surprise you to know why certain women arouse strong feelings in men while others do not. Maybe you think you're dating men who aren't really interested in you, and you're trying to figure out what will make him feel more passionate and "into" you. All of this brings up the main issue: what do men really want? In this book, you will discover

- What do men find attractive in women?
- The attractive qualities of a woman
- Things men want more of (besides hot sex)
- How to keep him faithful to you

powerful force of attraction still drives men and women to mate with each other. Yet, most men find it difficult to attract women. The specific attributes that trigger attraction has remained the same despite the change in civilization and culture. Yet, most men do not understand attraction; they follow what seems rational, and even what women say they like in a man doesn't attract them. Attraction is a biological impulse, and hence, it's not controlled by the rational mind. When a man sees the attractive traits he finds in a woman, he cannot choose his reaction to it. Similarly, when a woman sees a man with the attractive traits she desires, she cannot choose her reaction to it. That's why women are attracted to jerks. Even though these men behave unscrupulously, they have the traits that naturally attracts women, more than nice men do. So, women are attracted to these men, over the nice men. Women are attracted to masculine men, and jerks possess masculine traits more than the nice men do. Most men have long lost touch with their masculinity and hence, struggle with their lives. However, this book helps to develop the masculine traits that make a man achieve success, and therefore, get women as a byproduct of his success in life. The book is divided into three parts PART 1: Understanding Attraction. This part will explain the nuance of attraction and how men and women have adopted different sexual selection strategies to ensure they optimize the survivability of their genes. PART 2: How to develop your masculinity. This part will explain how to develop all the aspects of your masculinity. **A Woman'S Guide to the Male Mind** Sam Geraldo 2011-01-14 A Womans Guide to the Male Mind is the indirect result of a blog that I wrote in 2005 How Do You Tell If a Guy Fancies You? The article was so popular, receiving more than 70 replies from women with lots more questions, that I launched my web site [www.seducemen.co.uk](http://www.seducemen.co.uk). Since then, most of the advice Ive given in hundreds of published articles was based on my own experiences and those of my friends. To write the book, however, I adopted a more scientific approach. I performed a significant amount of research into recent discoveries by anthropologists, sociologists, psychologists and biochemists on topics ranging from basic sexual attraction to personality type and male/female communications strategies. Its my belief, therefore, that A Womans Guide to the Male Mind features the best of two worlds: common sense opinions backed by solid empirical evidence. By helping ladies understand the male point of view with regard to sex, dating and relationships; I hope to eliminate the senseless conflicts that so often erupt between lovers and would-be lovers. Once you understand a few fundamentals about the male mind and male behaviour, you will stop thinking of men as inscrutable blockheads and primitive misfits. You will no longer regard them as you would a small, nasty child or an alien race. Arming yourself with the wisdom in this book, youll increase your odds of finding happiness and harmony in romantic relationships, and you will help ensure that this bliss lasts a lifetime. By the time a man reaches maturity, he has passed through four evolutionary stages in his attitude toward women and relationships. Its very important to understand and identify these four stages, because it will save you from wasting time on guys who arent ready for serious romance.

shortcut that lets you avoid YEARS of struggling with this area of your life so that you can become the type of guy women NATURALLY want to spend time with. This is THE action plan for men who want to see a massive improvement in their dating lives QUICKLY. It's NOT about "How to bang as many girls as possible". The contents of this book are far more important and life-changing than that. Mainstream dating advice is generic and doesn't address or even acknowledge the core underlying issues which cause men to struggle to attract women or even hold their attention or interest for more than a couple of minutes. And the end of the day, if you don't see yourself as somebody who deserves to have beautiful, strong, intelligent, independent, sexy women in his life, then it won't happen. David T., author Some men resort to using "pickup artist" tricks to fool women into believing that they are attractive, when deep down they know that the only reason they are using "game" techniques is because they don't feel like they're enough of a man to attract women naturally. They get occasional results, but ultimately remain unfulfilled. Why waste years in the gym or trying to get rich to impress girls, or spending countless hours learning about "pickup artist" tricks and practising your "game", when you can just read this book and get on with your life? David T., author This book explains the EXACT STEPS TO TAKE and the MINDSET that will allow you to stand out above the VAST MAJORITY of men. Most men do not understand what makes women attracted and make the SAME MISTAKES AGAIN AND AGAIN, finding themselves dealing with rejections time and time again. So what DOES make a woman feel attracted to a man? It's not about looks, money, your height, your skin colour, your income level, or the car you drive. IT'S ABOUT HOW YOU SEE YOURSELF. All but the most superficial women don't mind if you're "flawed" in some way. The key is to become a man who is comfortable in his own skin despite what you might think is unattractive about yourself. It's when a woman can see that you're good at expressing your authentic self, and

that your authentic self is a guy who knows he is enough, that she can decide that she's into you. You don't need to buy her drinks and flowers, do her favours, be a "nice guy" or pretend to be a "bad boy" to win her affection. You just need to become a man who is perfectly at ease with himself and knows that any challenges life throws at him won't throw HIM off his path in life. This book will teach you how to adopt this mindset. If right now you believe that you are deserving of anything less than the highest quality women who YOU find attractive, then YOU NEED THIS BOOK. Do you want THE SOLUTION, or do you have MORE EXCUSES to not tackle this area of your life once and for all? DO NOT download this book if you're not prepared to have your entire mindset challenged with regards to meeting and attracting women. This is NOT a long book. Because the concepts in it are not complex and don't require going into excessive detail. You'll be delighted at how quickly you can internalize the mindset explain within, and apply it to your life. THE SOLUTION STARTS WITH YOU. Delve deeply into the 3 CORE PRINCIPLES a man must internalise in order to become successful in this area of life. Learn how to BECOME A MAN WHO IS COMFORTABLE IN HIS OWN SKIN, able to EXPRESS YOUR AUTHENTIC SELF WITHOUT FEAR OF REJECTION. Trying to attract and create deep connections with women will ALWAYS be a HUGE CHALLENGE without a solid grasp of these principles. Contains the CLEAR AND SOLID ACTION PLAN to guide you through the process of becoming the man who DESERVES and NATURALLY ATTRACTS the type of women he desires. This is THE SOLUTION for men who have tried "pickup" methods and still suffer the painful symptoms of APPROACH ANXIETY, FEAR OF REJECTION, and DISAPPOINTMENT at the results of using outdated "PUA" strategies in their efforts to meet and attract women. Your days of having to memorize "game" routines and strategies are over.
