

Why Do I Attract Rejection

Get Your Shit Together - David Tee 2014-12-23
Average or below-average dating life? It's time to change that. NOW it's time for YOU to learn and ADOPT the mindset of "the natural". This is THE shortcut that lets you avoid YEARS of struggling with this area of your life so that you can become the type of guy women NATURALLY want to spend time with. This is THE action plan for men who want to see a massive improvement in their dating lives QUICKLY. It's NOT about "How to bang as many girls as possible". The contents of this book are far more important and life-changing than that. Mainstream dating advice is generic and doesn't address or even acknowledge the core underlying issues which cause men to struggle to attract women or even hold their attention or interest for more than a couple of minutes. And the end of the day, if you don't see yourself as somebody who deserves to have beautiful, strong, intelligent, independent, sexy women in his life, then it won't happen. David T., author Some men resort to using "pickup artist" tricks to fool women into believing that they are attractive, when deep down they know that the only reason they are using "game" techniques is because they don't feel like they're enough of a man to attract women naturally. They get occasional results, but ultimately remain unfulfilled. Why waste years in the gym or trying to get rich to impress girls, or spending countless hours learning about "pickup artist" tricks and practising your "game", when you can just read this book and get on with your life? David T., author This book explains the EXACT STEPS TO TAKE and the MINDSET that will allow you to stand out above the VAST MAJORITY of men. Most men do not understand what makes women attracted and make the SAME MISTAKES AGAIN AND AGAIN, finding themselves dealing with rejections time and time again. So what DOES make a woman feel attracted to a man? It's not about looks, money, your height, your skin colour, your income level, or the car you drive. IT'S ABOUT HOW YOU SEE YOURSELF. All but the most

superficial women don't mind if you're "flawed" in some way. The key is to become a man who is comfortable in his own skin despite what you might think is unattractive about yourself. It's when a woman can see that you're good at expressing your authentic self, and that your authentic self is a guy who knows he is enough, that she can decide that she's into you. You don't need to buy her drinks and flowers, do her favours, be a "nice guy" or pretend to be a "bad boy" to win her affection. You just need to become a man who is perfectly at ease with himself and knows that any challenges life throws at him won't throw HIM off his path in life. This book will teach you how to adopt this mindset. If right now you believe that you are deserving of anything less than the highest quality women who YOU find attractive, then YOU NEED THIS BOOK. Do you want THE SOLUTION, or do you have MORE EXCUSES to not tackle this area of your life once and for all? DO NOT download this book if you're not prepared to have your entire mindset challenged with regards to meeting and attracting women. This is NOT a long book. Because the concepts in it are not complex and don't require going into excessive detail. You'll be delighted at how quickly you can internalize the mindset explain within, and apply it to your life. THE SOLUTION STARTS WITH YOU. Delve deeply into the 3 CORE PRINCIPLES a man must internalise in order to become successful in this area of life. Learn how to BECOME A MAN WHO IS COMFORTABLE IN HIS OWN SKIN, able to EXPRESS YOUR AUTHENTIC SELF WITHOUT FEAR OF REJECTION. Trying to attract and create deep connections with women will ALWAYS be a HUGE CHALLENGE without a solid grasp of these principles. Contains the CLEAR AND SOLID ACTION PLAN to guide you through the process of becoming the man who DESERVES and NATURALLY ATTRACTS the type of women he desires. This is THE SOLUTION for men who have tried "pickup" methods and still suffer the painful symptoms of

APPROACH ANXIETY, FEAR OF REJECTION, and DISAPPOINTMENT at the results of using outdated "PUA" strategies in their efforts to meet and attract women. Your days of having to memorize "game" routines and strategies are over.

Secret to Attracting Woman - Pamela Paul

Meeting new girls isn't easy and having the courage to talk to them isn't exactly as simple as it is in the movies. Even then, the shattering thought of being rejecting is one that most men would try to avoid at all cost. Rejection bounces from left and right and the good ones are usually hard to find. Most men worry about being stuck in the friend zone and other men worry about being straight up rejected without being given a chance to show who they are. In addition, the thought of constantly looking for someone new isn't as pleasing as it sounds, especially when you're too shy to approach them. Though the thought might sound frightening, you have nothing to lose. If you want to know how to attract the woman that you've been interested in then you have to take the first step into talking to her. For the methods that comes afterwards, feel free to look inside this book.

How to Attract Women - Leonardo Bustos

How to Attract Women Attract more women with humor by reading this wildly funny and entertaining book! You will be taken through a step by step formula that will help you to easily develop the high status humor skills and alpha male body language habits that women are subconsciously attracted to at a primal level. You will discover how fun and exciting it is to confidently approach practically any woman, anytime, anywhere and instantly have a fun and humorous connection with her. I'll show you a guaranteed foolproof method that has allowed me to engage attractive women in deep and thoughtful rapport by asking the right questions that cause her to become emotionally aroused. Men are aroused more by visual cues. A man

looks at a woman searching for sexual stimuli like a jeweler looks for perfection in a flawless gem. Visual cues convey information about a woman's health, fertility, and youth. Women are aroused more by psychological cues. A woman looks at a man much like a detective would a suspected criminal who is about to commit another crime. The visual cues a woman looks for are status, resources, commitment, kindness, stability, and humor. Just as you are attracted to a beautiful face, ass, and breasts, so are women attracted to "male cleavage," or the attractor factors that include high status humor. I'm going to show you how to develop those psychological cues that women can't help but be attracted. With a little practice, you'll start to notice that women will begin to smile at you more when you stimulate the emotional part of their brains that make them laugh. You'll especially notice how they will start engaging you more in a playful manner and will then want to start spending more time with you. Women want men to pursue them for sex. The problem is, too many guys are either too passive and conceal their sexual interest in women, or they act like aggressive idiots and drive them away. Luckily for you, there is a very cool and natural way to approach and attract women so they become interested in you first, and I'm going to show you how to do it. There is no doubt that women want to be sexually attractive and desired by men. They are actively looking for those men who have the ability to unlock the code to their natural instinctive desires. This book is going to teach you how to develop those traits and skills that tap into a woman's primal needs and desires. You grew up with a modern "female blueprint" and I'm going to show you how to record over it. I'm happy for the women's liberation movement and equality, but along with it became the feminization of American society. The Equal Rights Movement for women in the 60's has caused role reversals and gender confusion that contradicts the conditioning of tens of thousands of years of customary male-female roles. Male and female blueprints that took around 200,000 years to evolve upended suddenly over the last 50. That is a 4,000 to 1 ratio! That's like starting on less than the 1-inch line on a football field of a hundred yards. It's no wonder the modern male population is so confused. One of the

primary reasons so many feminized males (often referred to as wusses) are unsuccessful in attracting women is they act like women themselves. It won't work! You can't reverse a few hundred thousand years of conditioning over a 50-year period and expect different results. The methods you're about to learn were scientifically tested and proven to work in social experiments. This information has been carefully researched and documented from experts in the fields of evolutionary psychology, sociology, neuroscience, evolutionary biology, anthropology, and many other fields too numerous to mention. This book can change your life!

Wrong Can I tell you a story? Going out to bars and parties destroyed my self-esteem. I felt like a complete loser. How many times can you come home without meeting anybody before you feel like there's something wrong with you?

Seriously, have you ever come home from parties, events, clubs and bars more depressed than when you left? If you're like me, you've tried everything. Different bars, different people, different events. You changed your look, your clothes, your style. The result? Nada, nothing, zip. You may as well go straight. Well one day, I met a body language expert. He told me something that would change my life: Half the Guys You Like Are Turned Off By Your Body Language You know what my reaction was?

"Bullsh_t." I mean, come on! Body language? I'm not meeting good looking guys because of my body language? Puh-leeze. Stay with me because this is where it gets interesting. The body language expert (a psychologist, actually) took me under his wing and coached me in the art of using body language to attract the kind of guys I liked. He wanted a guinea pig-ME-to prove that the sexual body language principles that work for straight couples could, with some adaptation, work for gay men. Yes, body language for gay men. Here's a partial list of what he changed: * The way I shook hands. * The way I leaned in (or away). * How I pointed with my feet (yes, feet, long story). * The angle that I talked to people. * The direction that I approached guys I wanted to meet. * The way I looked at guys I was interested in. * The way I used my body to catch

their eye. * The way I used my hands to gesture. The result? In less than an hour, two good-looking guys struck up a conversation with me! After that profound revelation I was determined to make this knowledge available to all other gay guys who couldn't figure out why their love life sucked. So here it is and here's what you'll learn: MAKE YOURSELF MORE APPROACHABLE 1. Wear certain types of shirts and pants. Research shows men are far more attracted to clothes that... Well, it's on Page 23. 2. Wear a certain type of jewelry and accessories. I'll give away one of the secrets right now: Shoes! Find out why on Page 25. 3. Open your "Territory Line." I show you how to do it on Page 26. 4. Create "Invisible Hallways" between the two of you by using your hands and arms while you're talking to friends. 5. Point with your hands, your feet and your head. This is a little known secret among communication researchers. Pointing is an "invitation" (it also reveals how he feels about you). Where should you point and how? It's all on Page 28. 6. Use Inviting Postures. Whether you're standing, sitting (even slouching), there are do's and don'ts to show your interest. They're all on Page 29. 7. Make it easy for him to touch you. See Page 30 for inventive things you can wear or do to make touching you irresistible. They work like a charm! Fed Up With Feeling Invisible At Bars & Parties? Not meeting the type of guys you like? Frustrated you always have to make the first move? Use this guide to change your body language and watch how many more attractive guys approach you.
