The Noticer Andy Andrews 2011-04-10 A New York Times bestseller! From the author of *The Traveler's Gift* comes a story of common wisdom based on the remarkable true story of "Jones," a mysterious old man who has a knack for showing up in people's lives at just the right time, providing priceless lessons about love, life, and the importance of perspective. Orange Beach, Alabama, is a simple town filled with simple people. But like all humans on the planet, the good folks of Orange Beach have their share of problems—marriages teetering on the brink of divorce, young adults giving up on life, businesspeople on the verge of bankruptcy, as well as the many other obstacles that life seems to dish out to the masses. These situations can seem like dead ends, but to an old drifter named Jones with a gift for seeing what others miss, there is no such thing as a dead end. It only takes a little "perspective," he says, to recognize the miracles in our moments, the seeds of greatness tucked into our struggles. Appearing when things look darkest, the mysterious, elderly man with white hair carrying a battered old suitcase shows up when he's needed most. "Your time on this earth is a gift to be used wisely," he says. "Don't squander your words or your thoughts. Consider even the simplest action you take, for your lives matter beyond measure...and they matter forever." *The Noticer* will provide you with: A better understanding of life's challenges and proper perspective for tackling them Practical yet powerful methods of motivation, encouragement, and resolve for those struggling A fresh and insightful perspective on how people can change their view of the world, find strength, and move beyond their problems Based on a remarkable true story, *The Noticer* beautifully blends fiction and allegory in an entertaining and inspiring instruction manual for better living. The story of Jones continues in *The Noticer Returns* and *Just Jones*.

The Man Born to Be King Dorothy L. Sayers 2011-07-20 In twelve plays for broadcasting at monthly intervals, Dorothy L. Sayers drew on material from all four Gospels, keeping the theme of Jesus of Nazareth's divine kingship in focus throughout, while locating him firmly in the social and political context of his time. The first half cover episodes that precede the final journey to Jerusalem and the latter half primarily deal with Passion Week themes. It is the simplicity and profundity of Jesus' words in the Fourth Gospel especially that Sayers drew on in her own writing for the "voice" of Jesus "on air." The plays gave her an opportunity to explore the many gospel characters surrounding Jesus, not least that of Judas. And beyond the utter sorrow of Jesus' death, the King comes into his own in the garden of resurrection.

Medical Heroes and Heretics Wayne Martin 1977 Orthodox science -- particularly in the medical profession -- has for centuries resisted change. It traces back at least as far as Socrates who was done to death for corrupting youth with his innovative ideas. In recent times, practically all the great advances in medicine have been made against a powerfully entrenched orthodoxy. Wayne Martin's book is about some of the men involved -- then and now: Oliver Wendell Holmes, Sr., who made physicians wash their hands; Louis Pasteur, who postulated the connection between bacteria and certain diseases; Frederick Banting, who discovered insulin; Jonas Salk, who solved the mystery of polio, to mention but a few. These men all braved the wrath of the medical establishment of their day. Heretics they were, but Heroes they became. Similarly, today a group of brave pioneers are fighting the same fight. They are, says the author, the heroes of tomorrow: Ernst Krebs, Jr., Evan Shute, Dean Burk, Denis Burkitt, Virginia Livingston and a dozen others, all of whose careers and findings are described here by a man who has pursued his topic for the past ten years.

How to Fall in Love with Anyone Mandy Len Catron 2018-02-01 In 2014, 33-year-old Mandy Len Catron went on a date with an acquaintance. They decided to try an experiment: inspired by a study designed to create romantic feelings, Mandy and Mark spent the evening asking each other 36 increasingly intimate questions, wondering if it would lead to them falling in love. In *How to Fall in Love with Anyone*, this experiment is Catron's starting point for investigating what it means to love someone and to be loved, and how we present our love to the world. What makes love last? Can love ever work the way it seems to in films, books and social media? Is there a "right" way to fall in love? In these candid, charming and wise essays, Catron blends memoir with cultural and social commentary on the psychology, biology, history and literature of love. *How to Fall in Love with Anyone* is a deeply personal, yet universal investigation into the one thing we all want—or think we want—more than anything. Includes "To Fall in Love with Anyone, Do This", one of the most popular essays to appear in the *New York Times*' "Modern Love" column "In our age of total romantic confusion, Mandy Len Catron is a voice of good sense, warm humor, and consoling wisdom. Through the lens of her own relationships, she teaches us—with a deft, convincing intelligence—some of the vital moves in the art of love." —Alain de Botton, internationally bestselling author of *How Proust Can Change Your Life* and *The Course of Love* MANDY LEN CATRON lives in Vancouver, British Columbia. solutions. When Yasmin Shiraz launched Mad Rhythms, a hip-hop magazine aimed at college students, she visited youth organizations and colleges across the country to teach young people how to effectively pursue their dreams. Drawn to Yasmin's confidence and determination, young women in particular sought her opinion on topics such as body image, popularity, dating, sexuality, child-parent relationships, and social and academic pressures. Yasmin could easily speak to those issues. She struggled with many of the same concerns when she was younger. Inspired by the common threads connecting each generation, Yasmin developed *The Blueprint for My Girls* to help young women discover who they are, develop a sense of self, and stay positive. In the book, Yasmin pairs her personal stories with 99 "expressions" designed to help readers deal with situations they may not feel comfortable discussing with friends and family. Each expression is accompanied by exercises to help readers progress on their journey. Staying real without being preachy, *The Blueprint for My Girls* will be a solution giver, a problem solver, and a friend in need for generations to come.
