*Lust Free Living* - Douglas Weiss 2014-02-01

[Going Deeper: Understanding How the Inner Child Impacts Your Sexual Addiction: The Road to Recovery Goes Through Your Childhood](#) - Eddie Capparucci 2020-02-13

The road to freedom from your sexual or pornography addiction goes through your childhood. Learn how comforting your inner child can help manage your sexual addiction.

**The Myth of Normal** - Gabor Maté 2022-09-13

'It all starts with waking up... to what our bodies are expressing and our minds are suppressing' Western countries invest billions in healthcare, yet mental illness and chronic diseases are on a seemingly unstoppable rise. Nearly 70% of Americans are now on prescription drugs. So what is 'normal' when it comes to health? Over four decades of clinical experience, renowned physician and addiction expert Dr Gabor Maté has seen how health systems neglect the role that trauma exerts on our bodies and our minds. Medicine often fails to treat the whole person, ignoring how today's culture stresses our bodies, burdens our immune systems and undermines emotional balance. Now, in his most ambitious and urgent book yet, Dr Maté connects the dots between our personal suffering and the pressures of modern-day living - with disease as a natural reflection of a life spent growing further and further apart from our true selves. But, with deep compassion, he also shows us a pathway to health and healing. Filled with stories of people in the grip of illness or in the triumphant wake of recovery, this life-affirming book, co-written with his son Daniel, proves true health is possible - if we are willing to reconnect with each other and our authentic selves.

**Overcoming Sex Addiction** - Thaddeus Birchard 2017-04-21

Overcoming Sex Addiction is an accessible self-help guide which uses the principles of cognitive behaviour therapy to help those with problematic or unwanted patterns of sexual behaviour. It is designed for those who are not yet ready to seek professional help or who live in a place where little help is available and can be used in conjunction with general psychotherapy. Written by a leading expert in the field, the book offers an insight into the origins of sex addiction, before going on to explain the cycle of addiction and how to break it. The book has a do-it yourself week-by-week programme of action to tackle compulsive sexual behaviour, and provides extensive advice on relapse prevention to help the reader move forward in recovery. Overcoming Sex Addiction will provide clear, informed guidance for sex addicts and those professionals working with them.

**The Gift of Sex** - Clifford Penner 2003-09-09

Are you hoping to reignite the passion in your relationship? Join Clifford and Joyce Penner as they share the time-tested secrets to finding fulfillment in your marriage. Clifford, a licensed clinical psychologist, and Joyce, a registered nurse and clinical nurse specialist, have been married for forty years--and they know firsthand that there are countless barriers that can get in the way of experiencing love and commitment, from anger or a lack of respect to external tension. But these obstacles don't have to last forever. In *The Gift of Sex*, the Penners give you the tools you need to move past those barriers and embrace marriage as God intended it. This revised and updated version of *The Gift of Sex* features a new introduction, new illustrations, a section on addictions and the Internet, and a timely discussion on sexually transmitted diseases and their consequences. It also asks and answers key questions about biblical marriage, including: How does sex fit into God's design for marriage? Why did God create men and women to think about sex differently? How can I light the spark in my relationship again? Whether you're newlyweds or you've been married for decades, *The Gift of Sex* is a timeless guide to discovering the sexual fulfillment that you and your spouse deserve.

**Betrayal Bond, Revised** - Patrick J. Carnes, PhD 2018-08-17

Some really great books just keep getting better! For seventeen years *The Betrayal Bond* has been the primary source for therapists and patients wrestling the effects of emotional pain and harm caused by exploitation from someone they trusted. Divorce, litigation, incest and child abuse, domestic violence, kidnapping, professional exploitation and religious abuse are all areas of trauma bonding. These are situations and

relationships of incredible intensity or importance lend themselves more easily to an exploitation of trust or power. In *The Betrayal Bond*, Dr. Carnes presents an in-depth study of these relationships; why they form, who is most susceptible, and how they become so powerful. Dr. Carnes also gives a clear explanation of the bond that compels people to tolerate the intolerable, and for the first time, maps out the brain connection that makes being with hurtful people comparable to 'a drug of choice.' Most importantly, Carnes provides practical steps to identify compulsive attachment patterns and ultimately to change or end them for good. This new edition includes: New science for understanding how our brains can make a prison of bad relationships New assessments and insights based on 50,000 research participants A new section utilizing the latest findings in attachment research and narrative therapy to concretely rewrite and rescript bad experiences A redefinition of the factors contributing to addictive relationships

[Guide to Intimacy](#) - Douglas Weiss 2003-01

Take your marriage from average to awesome in 100 days! Create the spiritual, emotional and physical closeness that you've been hungering for! Identify the roadblocks that keep you from experiencing exciting and satisfying intimate moments with your spouse. Intimacy doesn't need to be illusive! Its time to recognize intimacy for what it is-a loving and life-long process that requires commitment and practice. Realize that God is a true romantic and He definitely is interested in this issue. From Scripture, personal experience and research, Doug Weiss offers a 100-day practical plan that will energize your relationship and create a spiritual, emotional and physical closeness that you have hungered for in your marriage. Develop a marathon mentality for your relationship and take the next 100 days to fall in love all over again. Inside this book you'll discover: Three stages of sexuality How sexual history creates doubt The importance of owning sin Why to set boundaries in marital dating How to discuss your sexual desires How the internet threatens intimacy What to do with sexual addictions Practical steps to letting go of childhood traumas The healthiest gift you can give to your children

**Sex Addiction as Affect Dysregulation: A Neurobiologically Informed Holistic Treatment (Norton Series on Interpersonal Neurobiology)** - Alexandra Katehakis 2016-09-20

Examining the neurobiological underpinnings of sex addiction. Neuroaffective science—studying the integrated development of the body, brain, and mind—has revealed mechanisms linking psychological and biological factors of mental disorders, including addiction. Indeed, its paradigm-shifting theoretical umbrella demonstrated that substance and behavioral dependencies share identical neurobiological workings, and thus that problematic repetitive behaviors are genuine addictions—a state increasingly understood as a chronic brain disorder. Clinical experience strongly suggests that sex addiction (SA) treatment informed by affective neuroscience—the specialty of Alexandra Katehakis—proves profoundly transformative. Katehakis's relational protocol, presented here, blends neurobiology with psychology to accomplish full recovery. Her Psychobiological Approach to Sex Addiction Treatment (PASAT) joins therapist and patient through a relationally-based psychotherapy—a holistic, dyadic dance that calls on the body, brain, and mind of both. Written with clarity and compassion, this book integrates cutting-edge research, case studies, verbatim session records, and patient writings and art. Katehakis explicates neurophysiological, psychological, and cultural forces priming and maintaining SA, then details how her innovative treatment restores patients' interpersonal, sexual, and spiritual relationality.

**Breaking the Cycle** - George Collins 2011-10-01

Anyone who has struggled with sex addiction knows that living with constant sexual compulsions can be extremely difficult. But summoning the courage to find help for this condition can be even more of a challenge. If addictions to pornography, strip clubs, massage parlors, prostitutes, phone sex, or chat rooms have made you feel trapped, this book can help you find a way to break free. Written by a former sex

addict who specializes in counseling people who suffer from sexually compulsive behavior, *Breaking the Cycle* presents a step-by-step plan to enjoying a life of productivity and purpose. You can free yourself from the powerful, compulsive urges that may have damaged your career, finances, or relationships with friends and family. The exercises in this book will show you how to regain control of your life and build meaningful intimate connections with others.

**Prodependence** - Robert Weiss 2022-08-30

Prodependence revolutionized addiction healthcare by improving the ways we treat loved ones of addicts and other troubled people by offering them more dignity for their suffering rather than blame for the problem. This revised edition builds on the model, revealing many more ways to put the method into practice and strategies for setting healthy boundaries. Do you love an addict? Do you sometimes feel like their addiction is your fault? Are people calling you codependent? If our treatment toward loved ones of addicts alienates them, it's time we change our approach. With *Prodependence*, Dr. Robert Weiss offers us the first fully new paradigm in nearly 40 years for helping those who love and care for addicts. An attachment-focused model, prodependence recognizes that no one can ever love too much, nor should anyone be pathologized for whomever they choose to love as is often the case. Prodependence informs caregivers how to love more effectively, but without having to bear a negative label for the valuable support they give. When treating loved ones of addicts and other troubled people using prodependence, we need not find something "wrong" with them. Instead, we acknowledge the trauma and inherent dysfunction that occurs when living in relationship with someone whose life is failing and keep moving forward. Validating a caregiver's painful journey for what it is opens the door to support them in useful, non-shaming ways. Helping people take incremental, positive steps toward intimate healing is what *Prodependence* is all about!

*Christ-Centered Therapy* - Neil T. Anderson 2009-08-30

Depending on whom you ask, the term Christian counseling can mean anything from secular psychology practiced by a Christian to biblical counseling that completely shuns psychological insights. *Christ-Centered Therapy* thoroughly integrates psychology and practical theology. A book written by experts from both fields, it utilizes the contributions of science in an uncompromisingly biblical framework. Here at last is a powerful resource to help you—pastor, counselor, or spiritual advisor—understand the complex problems of people and address them with the wisdom of God's Word and the power of his Spirit. Insightful and practical, *Christ-Centered Therapy* unites the wisdom and expertise of pastoral theologian and best-selling author Dr. Neil Anderson and professional Christian counselors Dr. Terry and Julianne Zuehlke. The first part of the book equips you with an understanding of the different issues involved in integrating theology and psychology. The second part helps you turn theory into practical application. You'll also find appendixes that offer personal testimonies, provide professional forms, discuss the role of psychiatry in managed care, and present the Steps to Freedom in Christ.

**Freedom Starts Today** - John Elmore 2021-01-19

Every church is filled with people who are struggling--often secretly--with addictions of all kinds. Porn, pills, food, money, alcohol, social media, body image, status, sex, anxiety--the list goes on and on. John Elmore is no stranger to addiction. Fifteen years ago, he put a loaded shotgun to his head and later had three doctors tell him he was going to die of alcoholism. More than 15 sober years later, he leads the world's largest weekly recovery gathering, re:generation, where people journey toward healing in Christ. In *Freedom Starts Today*, he makes a huge promise to the addicted: you can be free from your struggle, and much sooner than you may think. Through easily digestible readings grounded in Scripture and the practice of daily surrender, Elmore shows you how to break the cycle of addiction, make war against sin, and find your identity in who you are and not the shame of what you have done--one day at a time. Leave behind struggles, addiction, and shame as you walk in the power of the Holy Spirit and in the love, mercy, and forgiveness of the God who is not only by your side but on your side.

\*\*\*\*\* "Revival is a hard thing to quantify, but it always includes a growing devotion to the Lord and repenting of sin. And that is the fire God will start in you as you live out what you'll read within the pages of this book."--Jennie Allen, New York Times bestselling author of *Get Out of Your Head*; founder and visionary of IF:Gathering "John has walked the road of recovery and helped countless others do the same. I am thrilled that he has put a resource in our hands that can help all of us!"--Ben Stuart, pastor of Passion City Church DC; author of *Single, Dating, Engaged, Married* "I've personally witnessed God use John

Elmore to set prisoners free by the thousands. The methods in *Freedom Starts Today* are proven and effective at helping anyone walk in the abundant life that Jesus promises."--Jonathan Pokluda, bestselling author of *Welcome to Adulthood*; host of *Becoming Something* podcast; pastor of Harris Creek in Waco, TX

**Sex Addiction: The Partner's Perspective** - Paula Hall 2015-08-20

Sex and pornography addiction are growing problems that devastate the lives of partners as well as sufferers. *Sex Addiction: The Partner's Perspective* has been written to help partners and those who care about them to survive the shock of discovering their partner is a sex addict and to help them make decisions about the future of their relationships and their lives. First and foremost, it is a practical book, full of facts, and self help exercises to give partners a much needed sense of stability and control. Like its sister book, *Understanding and Treating Sex Addiction*, it includes case examples and survey results revealing the reality of life for partners of sex addicts. *Sex Addiction: The Partner's Perspective* is divided into three parts. Part I explores the myths surrounding sex addiction and provides up to date information about what sex addiction is and what causes it before moving on to explain why the discovery hurts partners so much. Part II is about partners' needs and includes self-help exercises and strategies to help partners regain stability, rebuild self-esteem and consider their future. The controversial topic of co-dependency is also explored with guidance on how to identify it, avoid it and overcome it. Part III focuses on the couple relationship starting with the difficult decision of whether to stay or leave. Whatever the decision, partners will then find help and support for rebuilding trust and reclaiming their sexuality. This book has been written to help partners not only survive, but to grow stronger and move on with their lives - whether alone, or in their relationship. Readers will find revealing statistics and real life stories shared by partners who kindly took part in the first UK survey of sex addiction partners. This book will be a valuable guide for partners, but also for the therapists who seek to support them on their journey of recovery.

**Clean** - Douglas Weiss 2013-05-06

You have been called to a life of sexual success! Every Christian man is born into a sexual war. The enemy attacks the young, hoping to scar them permanently and leave them ruined. But your past is not enough to keep you from the enduringly clean life you want and deserve. *Clean* is a priceless, no-nonsense resource for every husband, father, brother, son, friend, pastor, and Christian leader on the front lines of this war. It is a soldier's handbook for those ready to reclaim their homes, churches, and nations for the God who has built them to succeed. Dr. Doug Weiss has been clean for more than twenty-five years, and he has devoted his life to helping other men achieve victory. "This book," says Dr. Weiss, "contains tested and tried weapons for you to get and stay clean, not for a week, month or year, but for the rest of your life." *Clean* provides you with biblical, practical, dependable weapons for seizing and maintaining a clean life for yourself and those you love. You will even be equipped to reach out to your brothers-in-arms and teach them to walk with you in cleanness. "If the Devil wants war, bring it on!" says Dr. Weiss. Join the battle! Your sexual life is worth fighting for!
