**Ministry Among God's Queer Folk, Second Edition** - Bernard Schlager 2019-01-21

This practical pastoral care handbook, written by two self-described queer people of faith, covers the basic skills that religious caregivers and ministry students need in order to be effective, enlightened, and supportive pastoral care providers to LGBTQ persons in congregational and other community settings. Authors Schlager and Kundtz distinguish pastoral care from pastoral counseling: while the latter is reserved for those with special training in the practice of therapy, the former can be developed by ministers and lay people with sufficient education and practice. This book requires of the reader no previous experience with LGBTQ communities and treats the following topics: the definition and functions of pastoral care; effective care in challenging times; coming out of the closet; creating communities of care; and caring for a wide variety of LGBTQ relationships. The authors provide case studies throughout the book to ground and illustrate their theology of pastoral care.

As we cross the threshold into the twenty-first century, the state of being stag has lost its luster. In *A Guy's Guide to Dating*, Brendan Baber and Eric Spitznagel shepherd guys from ages thirteen to thirty through the murky waters of the modern dating pool and then escort them down the path to contemporary relationship nirvana, covering all the stages of masculine romantic development. Topics covered start at childhood with "Dating Your Mom (Early Lessons in Love)," "Hand Jive: The Jerk-Off Years," then move on to "High School Confidential: An Introduction to the 16-Year-Old Girl," "Higher Learning (or How to Spend \$15,000 a Year to Get Stoned, Date Lesbians, Argue with Feminists, and Contract Herpes," and then end up with "Commitment and Other Things That Scare the @#%! Outta Us" and "The M Word." Readers can say they are buying it for the most hilarious testosterone-tinged humor in a generation—when in fact many of them will pick it up for the genuinely practical, sane, intelligent dating advice. A brash, sidesplitting guide through the pitfalls of modern romance, modern women, modern etiquette, and good old-fashioned lust, *A Guy's Guide to Dating* explains the art of finding women and then snaring them '90s style. *Love & Sex* - Nancy Houston 2018-02-05

"So many couples struggle in their sexual lives because they divide sex and love ... Nancy Houston has written an excellent, practical, and very hopeful book on how to reintegrate the division."—Dr. John Townsend, New York Times bestselling author of *Boundaries* "Without question, one of the greatest communicators of our generation on Christian sex and intimacy is Nancy Houston."—Amy Ford, president of Embrace Grace and author of *A Bump in Life* *Sex* is powerful! Just saying the word "sex" can stir up all kinds of emotions. Maybe it's a positive emotion for you—or possibly a hurtful, shameful, confusing one. It's no wonder we struggle to understand its meaning and purpose. It can be difficult to talk about, and if we have experienced unwanted shame or grew up in a home where sex was taboo, addressing the topic can be even more difficult. In a world of sexual chaos and confusion, we all need a healthy dialogue on the topic—not a black-or-white, right-or-wrong lecture, but a safe forum for discovering, learning, processing, and growing into passionate intimacy within the freedom God provides. In *Love & Sex*, Nancy Houston provides a compassionate view of human sexuality. Through the lens of Scripture, she unpacks the good God intended when

He created humans as sexual creatures, while recognizing that many people haven't experienced sex in a positive way. You won't find a critical examination of dos and don'ts, but stories of redemption, grace, and hope. You will understand how you were shaped and that you are more than your sexual behaviors. For some people, sex is a regular part of life. For others, it's a huge deal. Maybe even too big of a deal. This book will be your roadmap to finding sexual health, happiness, and balance. And if you are one of the few unscathed by sexual shame or confusion, this book will help you develop a more compassionate lens for those who do struggle.
