### **Every Shot Must Have a Purpose - Pia Nilsson** 2005-09-22

Two legendary coaches give golfers a powerful new approach to the game... and to life. As coaches to some of golf's top players, Pia Nilsson and Lynn Marriott have designed and refined a revolutionary way of teaching the game, with phenomenal results. They don't believe in prescribing the same stance, grip, and swing to everyone, followed by hours of purposeless drilling. They don't even believe in beginning with physical technique. Their success has proven to them that a great game begins with a great vision. Unlike any other golf book, Every Shot Must Have a Purpose offers cutting-edge techniques for integrating the physical, technical, mental, emotional, and social parts of

a player's game. The book's revolutionary pre-shot routine will improve your focus, leading to a golf swing that is not only successful but can be repeated under extreme pressure. Emphasizing the individual golfer rather than a rigid set of mechanics, their VISION54 method takes the frustration out of the game. Why 54? Because they believe it's possible to shoot a 54 (making a birdie on every hole of a par-72 course) if you have the right mind-set and well-honed intuitive power. An engaging read for the beginner or the seasoned golfer, Every Shot Must Have a Purpose is inspiration for life, not just the links.

**Unconscious Putting** - Dave Stockton

2011-09-15

"The Pro Tours' Hottest Coach" (Golf Digest) reveals the secrets that helped Phil Mickelson win the 2010 Masters and can utterly transform every player's game. When a resurgent Phil Mickelson won the Tour Championship in September 2009, he was quick to credit a series of simple putting lessons from veteran golf champion and instructor Dave Stockton. As a top coach, Stockton has taught a long list of pro players-including Annika Sorenstam, Yani Tseng (winner of four LPGA tournaments), Adam Scott (Texas Open champion), Hunter Mahan (Phoenix Open champion), and Morgan Pressel (World Ladies Championship of Japan winner)-the putting strategies that finessed their game. Stockton's breakthrough concept is that every player has their own Signature Stroke, which is unconscious. Good putting comes from the mind, Stockton says, not from a series of stiff

mechanical positions. With visualization, the right frame of mind, an efficient pre-putt routine, and connection to the individual internal stroke signature, any player can make far more putts. Putting has always been taught as an offshoot to the full swing, when in reality it is far different- almost a different game. Unconscious Putting will help players get out of the rigid, mechanical, overthinking trap. In Unconscious Putting, Stockton shows how players at every handicap level-from pros to weekend golfers-can putt effortlessly and with confidence by integrating a new mental approach with a few simple physical routines that will keep them locked on target. Readers will also gain invaluable advice on reading greens and equipment. Illustrated throughout and filled with anecdotes about how Stockton's lessons have helped today's leading players, Unconscious Putting is a must-have golf book and a category classic-in-the-making.

Golfwell 2018-01-02

If you want to maintain yourself, this book is for you and it makes a great gift for the golfer.

ENDORSED BY SENIORS GOLFERS OF AMERICA - "This is a complete informational and motivational book in which seniors learn what Arnold, Jack, Langer, Irwin, Trevino, and many other top golfers have said about golfers over 50." FROM AUSTRALIAN SENIOR GOLFERS - "This book has over 300 pages of what would be expected stuff like overall golf advice, golf tips, golf techniques and golf equipment advice - but there's much more. The much more includes complete golfing exercise programs, ways to loosen stiff joints, diet information and goal setting. (There's even some bonus pages at the back if you want to get really serious and record your fitness progress)." "But what really sets A Complete Guide For Golfers Over 50 apart is the emphasis on fun. Not only is there a full chapter of golf jokes, there are jokes interspersed throughout the manual and another

section on fun formats and suggestions on keeping up the interest by varying your routines. Live longer and healthier, absorb some wisdom (and maybe a game changing insight) from the greats, and laugh more. Much better than getting the sh\*ts over a fluffed chip shot." "I found the second chapter What Great Players in Golf Have Said About Senior Golfers to be particularly valuable (Golfwell personally contacted many of those contributing)."

"Amongst some great golf and life advice I particularly liked Lee Trevino's quip: "The older I get, the better I used to be." - Brian O'Hare, Founder Senior Golfers of Australia. This over 300-page guide is for senior golfers who want to learn a higher level of play and maintain that level as the years pass. You will learn what Arnold, Jack, Bernhard Langer, Hale Irwin, Trevino, and many other top golfers have said about golfers over 50. You will get fun golf formats such as "Me Toos," "Wolf for High Handicappers." You will have our favorite adult

jokes and stories to tell during delays on the course, backups at the tee, or the 19th hole clubhouse drinks. You will get our favorite fitness programs covering the 5 elements needed for a well-rounded fitness program to make you leaner and stronger: 1. Aerobics, so you will be less tired during the last 4 to 5 holes. 2. Total Body Resistance and Weight Training. Having good muscle tone make you play better. Toned muscles use up more calories to help you with weight loss. 3. Core Exercises. You will discover how to strengthen your core muscles to play better, swing easier, and hit it farther. 4. Balance Training. To help you make an even tempo balanced golf swing. 5. Stretching Programs to help maintain your flexibility. You will learn the diets of top senior golfers. You will learn why golfers live longer. Bonus: This book contains a Free Journal to use and keep track of your exercise programs to maintain your fitness. Get this Guide and begin your journey to your full golf potential by becoming a more skillful,

leaner, energetic, and happier golfer! Tiger Woods? Ben Hogan? Annika Sorenstam? None of these amazing athletes knows more about winning golf tournaments than LPGA legend Kathy Whitworth. In the bestselling tradition of Harvey Penick's Little Red Book, longtime Penick student and World Golf Hall of Fame enshrinee Whitworth presents readers with tee-to-green advice gleaned from years of teaching and tournament golf in Kathy Whitworth's Little Book of Golf Wisdom, first published in 2007. Whitworth amassed a whopping eighty-eight professional wins in her career—a record for both men's and women's US Tours. Small enough to fit inside your golf bag and with much of the simple, easy-to-understand, commonsense manner of Penick's classic books, this book includes expert advice on playing one shot at a time; thinking your way around the golf course; the common traits of all champions; the importance of confidence, concentration, and learning in practice rounds; practicing trouble shots; bad-weather golf;

pressure putting; and how to turn things around when you're playing badly. With its invaluable advice, this is an indispensable resource for any golfer. Skyhorse Publishing, as well as our Sports Publishing imprint, is proud to publish a broad range of books for readers interested in sports—books about baseball, pro football, college football, pro and college basketball, hockey, or soccer, we have a book about your sport or your team. In addition to books on popular team sports, we also publish books for a wide variety of athletes and sports enthusiasts, including books on running, cycling, horseback riding, swimming, tennis, martial arts, golf, camping, hiking, aviation, boating, and so much more. While not every title we publish becomes a New York Times bestseller or a national bestseller, we are committed to publishing books on subjects that are sometimes overlooked by other publishers and to authors whose work might not otherwise find a home.

*Harvey Penick's Little Red Book* - Harvey Penick  
1992-05-15

Harvey Penick's life in golf began when he started caddying at the Austin, (Texas), Country Club at age eight. Eighty-one years later he is still there, still dispensing wisdom to pros and beginners alike. His stature in the golf world is reflected in the remarkable array of champions

he's worked with, both men and women, including U.S. Open champion and golf's leading money winner Tom Kite, Masters champion Ben Crenshaw, and LPGA Hall of Famers Mickey Wright, Betsy Rawls, and Kathy Whitworth. It is not for nothing that the Teacher of the Year Award given by the Golf Teachers Association is called the Harvey Penick Award. Now, after sixty years of keeping notes on the things he's seen and learned and on the golfing greats he's taught, Penick is finally letting his Little Red Book (named for the red notebook he's always kept) be seen by the golf world. His simple, direct, practical wisdom pares away all the hypertechanical jargon that's grown up around the golf swing, and lets all golfers, whatever their level, play their best. He avoids negative words; when Tom Kite asked him if he should "choke down" on the club for a particular shot, Harvey told him to "grip down" instead, to keep the word "choke" from entering his mind. He advises golfers to have dinner with people who

are good putters; their confidence may rub off, and it's certainly better than listening to bad putters complain. And he shows why, if you've got a bad grip, the last thing you want is a good swing. Throughout, Penick's love of golf and, more importantly, his love of teaching shine through. He gets as much pleasure from

watching a beginner get the ball in the air for the first time as he does when one of his students wins the U.S. Open. Harvey Penick's Little Red Book is an instant classic, a book to rank with Ben Hogan's Modern Fundamentals of Golf and Tommy Armour's How to Play Your Best Golf All the Time.
