## **The Bridal Wave** - Erin Torneo 2007-01-02

It starts with the IGBN (I've Got Big News) phone calls and a mailbox full of Save the Dates. Next comes the meltdown: I always thought I'd be married by now. Why does she have a ring on her finger and I don't? Soon you're buying outrageously expensive china, dancing the electric slide with the groom's dull but available cousin, and envisioning a long and single life for you and a dozen or so cats. But fear not! Now Erin Torneo and Valerie Cabrera Krause show you how to surf The Bridal Wave on your own terms. This hilarious and practical guide to surviving the wedding blitz reveals the sanity-saving secrets to dealing with all manner of matri-mania, including how to • manage finances during the costly wedding season • turn brutal self-examination ("What's wrong with me?") into empowering self-reflection ("Nothing!") • cope with envy and feelings of competition • deal with lobridemized friends • avoid settling for Mr. Wrong just to fit the timeline in your head • actually enjoy being a bridesmaid, despite the dress Like the best of friends, Erin and Valerie will help you separate fact from fairy tale—and stay sane, whether you're coupled-up, single and looking, or single and just fine, thank you very much! "For any woman who is currently trapped in the middle of a Bridal Wave—this book is your lifesaver!" -Liz Tuccillo, co-author of He's Just Not That Into You "A funny and genuinely helpful book that should be on every single woman's shelf." -Karen McCullah Lutz, author of Legally Blonde "Torneo and Krause's advice will be eagerly gobbled up by legions of women." -Celeste Perron, author of Playing House "Will ease your wedding panic with humor and intelligence." -Andrea Lavinthal, co-author of The Hookup Handbook [The Marriage of the Lamb, Or Wedlock and Padlock, Temporal and Spiritual](#) - George W. Henry 1856

## *Men Getting Married in England, 1918-60* - Neil Penlington 2023-03-31

Starting after the Great War, this book charts the rise of the ritualistic engagement, the modern white wedding and the more widely available honeymoon holiday, to show changes and continuities in English masculinity by considering power relations between men and women. Through a close reading of a range of sources (including first-person testimonies, newspapers and etiquette manuals), power relations between bride and groom, and between different generations, are revealed in the context of social class and the rise of consumerism.

**Expanding the Donor Base in Higher Education** - Noah D. Drezner  
2013-04-17

Winner of the Association of Fundraising Professionals 2014 Skystone Partners Research Prize in Philanthropy and Fundraising Traditionally, institutions have relied on wealthy White men to reach their fundraising goals. But as state investment in public higher education lessens and institutions look to philanthropy to move from excellence to eminence, advancement officers continually need to engage all populations, including many that have historically been excluded from fundraising strategies. Based on theory, research, and past practice, *Expanding the Donor Base in Higher Education* explores how colleges and universities can build culturally sensitive fundraising and engagement strategies. This edited book presents emerging research on different communities that have not traditionally been approached for fundraising—including Lesbian, Gay, Bisexual, Transgender, and Queer (LGBTQ) alumni, African

Americans, Latinos, graduate students, young alumni, women, and faculty donors. Chapters discuss and analyze successful programs and provide practical suggestions and strategies to create and implement fundraising programs that engage these new donor populations. *Expanding the Donor Base in Higher Education* is an essential resource for any institution looking to expand their pool of donors and cultivate a more philanthropic mindset among alumni and students.

*I Am Bride* - Laura Willcox 2017-01-03

“One of the best books for brides . . . Her satirical, tongue-in-cheek take on making your wedding all about yourself will offer some much-needed laughs.” —Real Simple In this bridal gag gift, Upright Citizens Brigade comedian Laura Willcox writes in the voice of an overbearing, outrageous wedding planner, covering all aspects of a wedding—from the moment of engagement (hopefully with the ring you’ve been not so subtly emailing him about for months), all the way through the final minutes of the big day. Accompanied by Jason O’Malley’s humorous illustrations, Willcox offers tongue-in-cheek advice for every wedding-planning moment, whether it’s dreaming up the perfect wedding-weekend hashtag, planning a gift registry to make everyone jealous of your fabulous lifestyle, or figuring out how to distance yourself from the poor, unfortunate souls who didn’t make the cut for your guest list. Laura Willcox’s refreshing take on all things bride will turn tradition on its head, and have you rolling your eyes and reading passages out loud to your engaged (and married) friends. This funny book is a perfect gift for the friend who can’t stop pinning to her dream wedding board, bridezilla-to-be, or any bride who would benefit from a much-needed break from the stress and madness of wedding planning. “Perfectly mocks the absurd wedding-planning industry. Whether you’re having a big wedding to prove something to your ex, or a small wedding to make your loved ones feel excluded, this book will make you laugh through the overwhelming planning process.” —Lauren Lapkus, actor and comedian

**God's Best Gift, in an Ugly Wrapping** - Onyemaechi Emmanuel Okoro  
2013-06-05

Mr. Okoro has written a work of deep faith. Gods Best Gift in ugly

Wrapping is a powerful and yet subtle treatise by a practical Christian. The author brings together practical experiences to bear upon biblical narratives in ways that bring the Christian messages home to the reader. This is a handbook on Christian faith, charity, piety and fortitude, exploring and explicating the mysteries of God's presence in the life of a Christian, as well as, His disposition towards the exigencies of human existentialism. In the author's view, the faithful must endure the vicissitudes of life in order to attain heaven or the beatific vision, which is the ultimate good or the Summum Bonnum as St. Thomas Aquinas puts it. This is indeed a good read. Professor Chieke Ihejirika, Lincoln University PA, USA.
