The Goddess in Every Girl - M.J. Abadie
2013-08-13

This spirited, emboldening guidebook includes more than fifty ways to get in touch with your inner divinity. Written to empower and inspire, this positive book teaches you how to connect with your inner Goddess, uncover your true goals, and create a healthy plan for achievement. With fun games and exercises, along with a list of additional resources, *The Goddess in Every Girl* will start you on a path of self-discovery and expression—physically, emotionally, and spiritually. Be confident. Be creative. Be beautiful. Be the person you want to be! Complete astrological tables let you look up your own personal Goddess ally in the areas of life purpose, emotions, body awareness, love, nature, energy, and passion. With more than fifty activities—such as a guided journey to the Goddess center, directions for keeping a Goddess journal, breathing exercises, meditations, and instructions on creating a sacred ritual space for self-transformation—you will find the answers within yourself. It doesn't matter who you are, where you live, what you look like, how much you weigh, what your parents do, whether you are rich or poor, popular or not—you have the power of the Goddess within you. You only have to set it free!

The Defined Dish - Alex Snodgrass 2019
Gluten-free, dairy-free, and grain-free recipes that sound and look way too delicious to be healthy from *The Defined Dish* blog, fully endorsed by Whole30.

Everything You'll Ever Need You Can Find Within Yourself - Charlotte Freeman
2020-09-07

Not every girl - Katy King 2016-08-02
Not every girl is a modern pioneer raised in the backwoods. Katy King writes eloquently of her life growing up, poor in material wealth, but rich in experience and humor. Her childhood was one that most kids can only dream of. But a life-changing experience at twelve left her an older

and wiser young woman. Katy had to grow up in an instant, to become someone capable of making a life-and-death decision. Her carefree childhood is gone forever, but its magic lives on in this inspiring story. Sharing in her wisdom and life perspective is a joy. In the tradition of Ralph Moody's *Little Britches*, Katy King spins an episodic tale which will give you many chuckles and bring an occasional tear to your eye.

Which School? 2011 - Wendy Bosberry-Scott
2010-10

First published in 1924, 'Which School?' brings together in one volume a wide range of information and advice, updated annually, on independent education for children up to the age of 18 years.

Which School? 2010 - Wendy Bosberry-Scott
2009-09

First published in 1924, 'Which School?' brings together in one volume a wide range of information and advice, updated annually, on independent education for children up to the age of 18 years.

Make Every Girl Want You - John Fate
2003-04

This book is the complete guide to meeting women, approaching them, getting their contact information, asking them out, planning a first date, having great sex, and building a stronger relationship. The authors, 2 average guys who were pathetic with women until they set out on a mission to better understand women, share everything they learned on their journey. They became friends with numerous girls and now understand everything - from how women want to be approached to what they are looking for on a first date, from what makes them sleep with a man to what makes them stay in a relationship. Fate and Reil, co-founders of the successful personal advice website, *Make Every Girl Want You*, have taught thousands of men how to meet more women, have more sex, and build stronger relationships.

American Cultural Studies - Neil Campbell

2013-06-17

Praise for previous editions: 'Something of a godsend ... as a teaching resource this book is second to none ... achieves levels of multiplicity rarely, if ever, reached by others.' - Borderlines: Studies in American Culture This third edition of American Cultural Studies has been updated throughout to take into account the developments of the last six years, providing an introduction to the central themes in modern American culture and explores how these themes can be interpreted. Chapters in the book discuss the various aspects of American cultural life such as religion, gender and sexuality, and regionalism. Updates and revisions include: discussion of Barack Obama's rise to power and the end of the 'Bush Years' consideration of 'Hemispheric American Studies' and the increasing debates about globalisation and the role of the USA up-to-date case-studies, such as The Wire and Nurse Jackie, more on suburbia, the Mexican-border crossing, the Twilight phenomena etc updated further-reading lists. Accompanying website. American Cultural Studies is a core text and an accessible introduction to the interdisciplinary study of American culture.

What Every Girl Should Know - David Bull 1999

The ultimate A-Z guide to health and emotional concerns for girls and young women.

Compensated Dating - Cassini Sai Kwan Chu 2018-01-16

This book considers a burgeoning social phenomenon, compensated dating in Hong Kong, that facilitates direct commercial sex exchange between consenting females from their mid-teens through the late 20s and males from their early 20s to mid-adulthood. Informed by the transformation of intimacy, the breakdown of institutional constraints, the emergence of a new female sexual autonomy and the advancement of information technology, this book moves beyond stereotypes of sex work to look at the complexities of compensated dating. The phenomenon of compensated dating is distinctive from most other sex trades in that it involves intense emotional interactions and often extends beyond the commercial boundary. Given the dynamic, flexible and ambiguous nature of compensated dating, it has become more of a

space for sexual explorations and less of a rigid model of commercial sex, at least in the eye of the participants. This book walks through how men become involved in compensated dating and also sheds lights on how gender relations are negotiated, with important implications on what it means to be a man and a woman in contemporary Hong Kong society. It also speaks to the broader transformations of some of the key social structures and elements, particularly gender and sexualities, in the era of late modernity.

Country Schoolwomen - Kathleen Weiler 1998 Focusing on the lives and work of women teachers in two rural California counties from 1850 to 1950, Country Schoolwomen explores the social context of teaching, seeking to understand what teaching meant to women teachers, what it provided them, and how it shaped their categories of experience. The women we meet in this study taught in isolated one- and two-room schoolhouses and in the migrant schools of the Depression years; many of them witnessed the profound upheavals brought about by the two world wars. Through the lens of their lives, the author examines the growth of state control over schools, the irrevocable impact of powerful economic and political changes on small-town life, and the patterns of racism that have divided California from the time of the earliest European settlement. This study challenges a number of assumptions about the lives and work of women teachers. It is often assumed, for example, that the work of women in schools has always been controlled by men--that education has, with rare exceptions, remained a patriarchal space in which women care for children in classrooms while men hold positions of authority, define issues, and set policy. Country Schoolwomen introduces us to a network of women educators who occupied positions of power at the state level, who supported one another, and who defined an alternative, far more positive image of the woman teacher. The work of these women put forth a vision of classroom teaching as a serious and stimulating profession. And for many of the women in this study, teaching clearly did provide material resources and intellectual satisfaction. The historical record thus suggests that rather than signaling their subjugation,

teaching has afforded women a potential source of power; it has offered them respect, autonomy, and financial independence. But women have had to struggle--not always successfully--to claim this potential, which male educators have often sought to deny or disregard. In addition, both university experts and local communities have persisted in viewing classroom teaching as "women's work" and have consequently been slow to acknowledge competing perspectives on the profession. This study ultimately reveals, then, not a homogeneous tradition but a dense ideological landscape, one in which representations of "the woman teacher" were often caught among contradictory and contested visions.

John Catt's Which School? 2012 - Tom Wheare 2011-09

First published in 1924, 'Which School?' brings together in one volume a wide range of information and advice, updated annually, on independent education for children up to the age of 18 years.

What Every Girl Should Know - J. Albert Mann 2019-02-12

"Historical fiction at its best." —Kirby Larson, Newbery Honor winner "An important, readable novel." —Kirkus Reviews This compelling historical novel spans the early and very formative years of feminist and women's health activist Margaret Sanger, founder of Planned Parenthood, as she struggles to find her way amidst the harsh realities of poverty. Margaret was determined to get out. She didn't want to clean the dirty dishes and soiled diapers that piled up day in and day out in her large family's small home. She didn't want to disappoint her ailing mother, who cared tirelessly for an ever-growing number of children despite her incessant cough. And Margaret certainly didn't want to be labeled a girl of "promise," destined to become either a teacher or a mother—which seemed to be a woman's only options. As a feisty and opinionated young woman, Margaret Higgins Sanger witnessed and experienced incredible hardships, which led to her groundbreaking work as an advocate for women's rights and the founder of Planned Parenthood. This fiery novel of Margaret's early life paints the portrait of a young woman with the passion and courage to change the world.

Unspeakable - Lynn Sacco 2009-08-17

First place, Large Nonprofit Publishers Illustrated Covers, 2010 Washington Book Publishers Named one of the Top Five Books of 2009 by Anne Grant, The Providence Journal This history of father-daughter incest in the United States explains how cultural mores and political needs distorted attitudes toward and medical knowledge of patriarchal sexual abuse at a time when the nation was committed to the familial power of white fathers and the idealized white family. For much of the nineteenth century, father-daughter incest was understood to take place among all classes, and legal and extralegal attempts to deal with it tended to be swift and severe. But public understanding changed markedly during the Progressive Era, when accusations of incest began to be directed exclusively toward immigrants, blacks, and the lower socioeconomic classes. Focusing on early twentieth-century reform movements and that era's epidemic of child gonorrhoea, Lynn Sacco argues that middle- and upper-class white males, too, molested female children in their households, even as official records of their acts declined dramatically. Sacco draws on a wealth of sources, including professional journals, medical and court records, and private and public accounts, to explain how racial politics and professional self-interest among doctors, social workers, and professionals in allied fields drove claims and evidence of incest among middle- and upper-class white families into the shadows. The new feminism of the 1970s, she finds, brought allegations of father-daughter incest back into the light, creating new societal tensions. Against several different historical backdrops—public accusations of incest against "genteel" men in the nineteenth century, the epidemic of gonorrhoea among young girls in the early twentieth century, and adult women's incest narratives in the mid-to late twentieth century—Sacco demonstrates that attitude shifts about patriarchal sexual abuse were influenced by a variety of individuals and groups seeking to protect their own interests.

Finlay Donovan Knocks 'Em Dead - Elle Cosimano 2023-08-22

A USA TODAY BESTSELLER! From Edgar-Award nominee Elle Cosimano, comes Finlay Donovan Knocks 'Em Dead—the hilarious and

heart-pounding follow-up to Finlay Donovan is Killing It. "Cosimano skillfully combines suspense and laughs in the manner of Janet Evanovich's early (and best) novels, finished off with a metafictional twist."—New York Times Book Review "A funny and smart, twisty and surprising series."—Megan Miranda Finlay Donovan is—once again—struggling to finish her next novel and keep her head above water as a single mother of two. On the bright side, she has her live-in nanny and confidant Vero to rely on, and the only dead body she's dealt with lately is that of her daughter's pet goldfish. On the not-so-bright side, someone out there wants her ex-husband, Steven, out of the picture.

Permanently. Whatever else Steven may be, he's a good father, but saving him will send her down a rabbit hole of hit-women disguised as soccer moms, and a little bit more involvement with the Russian mob than she'd like. Meanwhile, Vero's keeping secrets, and Detective Nick Anthony seems determined to get back into her life. He may be a hot cop, but Finlay's first priority is preventing her family from sleeping with the fishes... and if that means bending a few laws then so be it. With her next book's deadline looming and an ex-husband to keep alive, Finlay is quickly coming to the end of her rope. She can only hope there isn't a noose at the end of it...

111 Trees - Rina Singh 2020-10-06

A boy grows up to make positive change in his community. After suffering much heartache, Sundar decides change must come to his small Indian village. He believes girls should be valued as much as boys and that land should not be needlessly destroyed. Sundar's plan? To celebrate the birth of every girl with the planting of 111 trees. Though many villagers resist at first, Sundar slowly gains their support, and today, over a quarter of a million trees grow in his village. A once barren, deforested landscape has become a fertile, prosperous one where girls can thrive. Sure to plant seeds of hope in children. Improving the world is within everyone's reach.
