The Reunion - Guillaume Musso 2019-07-09
A glamorous prep school girl goes missing after a love affair with a teacher in this "immensely satisfying" thriller from France's #1 bestselling novelist (Harlan Coben). Twenty-five years ago, on a campus paralyzed by a snowstorm, beautiful 19-year-old Vinca Rockwell ran away with her philosophy teacher after they began a secret affair. For Vinca, "love is everything or nothing." She is never seen again. The once

inseparable Manon, Thomas and Maxime -- Vinca's best friends -- have not spoken since graduation. Twenty-five years earlier, under terrible circumstances, the three of them committed a murder and buried the body in the gymnasium wall, the same wall that is about to be demolished to make way for an ultramodern new building. Now, the three friends are about to meet again at their reunion. Will decades of lies unravel to reveal what really happened on that deadly winter night? Taut, suspenseful, and addictive, *The Reunion* will grip you until its haunting final page.

Godard On Godard - Jean-luc Godard 1986-03-22
Jean-Luc Godard, like many of his European contemporaries, came to filmmaking through film criticism. This collection of essays and interviews, ranging from his early efforts for *La Gazette du Cinéma* to his later writings for *Cahiers du Cinéma*, reflects his dazzling

intelligence, biting wit, maddening judgments, and complete unpredictability. In writing about Hitchcock, Welles, Bergman, Truffaut, Bresson, and Renoir, Godard is also writing about himself-- his own experiments, obsessions, discoveries. This book offers evidence that he may be even more original as a thinker about film than as a director. Covering the period of 1950-1967, the years of *Breathless*, *A Woman Is a Woman*, *My Life to Live*, *Alphaville*, *La Chinoise*, and *Weekend*, this book of writings is an important document and a fascinating study of a vital stage in Godard's career. With commentary by Tom Milne and Richard Roud, and an extensive new foreword by Annette Michelson that reassesses Godard in light of his later films, here is an outrageous self-portrait by a director who, even now, continues to amaze and bedevil, and to chart new directions for cinema and for critical thought about its history.

Words of Passion - Elodie François 2023-06-07
Les plus belles histoires d'amour s'écrivent à quatre mains. Depuis que Toni a accepté de rencontrer Noah, alias Lewis C., un auteur de thrillers avec qui elle discute sur un chat en ligne, elle a peur d'avoir fait une énorme erreur, de se précipiter trop vite dans une nouvelle histoire. Pourtant, son mariage avec Fred est bel et bien terminé, d'ailleurs c'est elle qui y a mis le point final en demandant le divorce. À présent, il est trop tard pour revenir en arrière car, le destin étant facétieux, Toni et Noah participent tous deux au Salon du livre de Montpellier en tant que romanciers en dédicace. Mais, lorsque Toni croise le regard d'acier de

l'écrivain, elle le sent au plus profond de son cœur : rien ne sera plus jamais pareil. Malgré ses craintes, ses doutes et les zones d'ombre qu'elle devine en Noah, elle sait qu'il la voit vraiment, perçoit ses faiblesses et connaît ses blessures, ses fragments. Et Toni est certaine d'une chose : cela fait bien longtemps qu'elle n'avait plus éprouvé des sentiments aussi forts... A propos de l'auteur Élodie François est une rêveuse à l'imagination débordante. À travers ses écrits, elle invite les lecteurs à un voyage au cours duquel ils vibreront d'émotion et découvriront un chemin parsemé de personnages vrais, fragiles et forts à la fois.

De Gré ou de Force - Elsebeth EGHOLM
2014-11-27

Après Millenium, The Killing, Borgen, la nouvelle fiction scandinave à succès de l'auteur de Traque en série. Après Millenium, The Killing, Borgen, la nouvelle fiction scandinave à succès. Deux attentats frappent simultanément le centre-ville d'Århus, au Danemark. Une première bombe explose dans un institut de beauté, causant la mort d'une jeune handicapée, une autre dans la voiture de Francesca Olsen, candidate controversée à la mairie. Témoin de la première explosion, la journaliste Dicte Svendsen est immédiatement au cœur de l'action. Alors que la police creuse la piste terroriste, Dicte s'intéresse de près à Francesca Olsen. De toute évidence, quelqu'un cherche à briser la carrière politique de celle-ci, en dévoilant à la presse des vérités de plus en plus

dérangeantes sur son compte. Bientôt, une relation complexe se noue entre les deux femmes... Dans ce roman, salué par la critique danoise, Elsebeth Egholm mêle habilement actualité politique, faits de société, intrigue criminelle et vie personnelle. Numéros 1 des ventes au Danemark, la série des thrillers mettant en scène la journaliste Dicte Svendsen est, depuis 2013, délinée en une série télévisée, intitulée Dicte, qui connaît un succès retentissant. Auparavant, Elsebeth Egholm avait écrit pour la télévision Traque en série, diffusée en France par Arte.

Dictionary of Louisiana French - Albert Valdman 2009

The Dictionary of Louisiana French (DLF) provides the richest inventory of French vocabulary in Louisiana and reflects precisely the speech of the period from 1930 to the present. This dictionary describes the current usage of French-speaking peoples in the five broad regions of South Louisiana: the coastal

marshes, the banks of the Mississippi River, the central area, the north, and the western prairie. Data were collected during interviews from at least five persons in each of twenty-four areas in these regions. In addition to the data collected from fieldwork, the dictionary contains material compiled from existing lexical inventories, from texts published after 1930, and from archival recordings. The new authoritative resource, the DLF not only contains the largest number of words and expressions but also provides the most complete information available for each entry. Entries include the word in the conventional French spelling, the pronunciation (including attested variants), the part of speech classification, the English equivalent, and the word's use in common phrases. The DLF features a wealth of illustrative examples derived from fieldwork and textual sources and identification of the parish where the entry was collected or the source from which it was compiled. An English-to-Louisiana French index

enables readers to find out how particular notions would be expressed in la Louisiane .

Twelve Years A Slave, Illustrated Edition -

Solomon Northup 2014-04-08

Kidnapped and sold into slavery in the American South, freeman Solomon Northup spent twelve years in bondage before being freed. *Twelve Years a Slave* is Northup's moving memoir, revealing unimaginable details of the horrors he faced as a slave on Southern plantations, and his unshakable belief that he would return home to his family. Written in the year after Northup was freed and published in the wake of Harriet Beecher Stowe's *Uncle Tom's Cabin*, Northup's story was quickly taken up by abolitionist groups and news organizations as part of the fight against slavery, and continues to resonate more than a century after the end of the American Civil War.
