Couples will be much more confident about whether or not to pursue marriage after completing these in-depth and personal questions. Norm also addresses the delicate subject of calling off the wedding if readers discover that a potential mate isn't actually meant to be a life partner.

When Couples Walk Together - Cindi McMenamin 2011-01-01

make it a constant challenge to find quality time alone. Hugh and Cindi McMenamin have put together an innovative devotional about meaningful ways that husbands and wives can draw closer together. Each reading in this 31-day book offers simple, helpful (and fun!) steps a husband and wife can take to nourish closeness and intimacy. Among the topics are the power of a note making a memory extending grace splurging on love finding a getaway lighten the load flirting again sharing your heart Key thoughts from Scripture are interwoven into each devotion, and each ends with "Points to Ponder Together" as well as a couple's prayer. Especially helpful are the frequent anecdotal tips from a woman's perspective (Cindi) and a man's (Hugh).

The Sacred Romance - Brent Curtis 2001-04-01

If you're feeling lost, disconnected, or longing for something more, join bestselling authors John Eldredge and Brent Curtis as they explore the greatest love of our lives: our faith. Eldredge and Curtis believe that modern Christians have lost touch with our hearts. We've left that essential part of ourselves behind in the pursuit of efficiency, success, and the busyness of our lives. The Sacred Romance will guide you through a journey to getting to know yourself and your creator even better, asking you: What is this restlessness and emptiness I feel, sometimes after years into my Christian journey? How will my spiritual life touch the rest of my life? What is it that is set so deeply in my heart, that simply will not leave me alone? When did I stop listening to God's leading? The Sacred Romance is a journey of the heart. It is a journey full of intimacy, adventure, and beauty, that will guide you to your fondest memories, your greatest loves, your noblest achievements, and even your deepest hurts--but the reward is worth the risk.

First Comes Marriage - Reva Seth 2008-06-03

Seven time-tested secrets to dating the husband of your dreams -- taken

from the centuries-old tradition of arranged marriages Want commitment, love, and romance? Forget The Rules, and stop waiting for an idealized Prince Charming. In *First Comes Marriage*, Reva Seth shares the wisdom of more than three hundred women in arranged marriages...and shows how this classic tradition can teach twenty-first-century women important lessons about how to find -- and keep -- Mr. Right. The men you date will become the men you marry. The seven secrets in this counterintuitive guide will help you become more selective and increase your chances of finding the right person to share your life with. Seth knows her secrets work -- she married her husband after only meeting him seven times. Secret #1: Your man doesn't have to be your best friend. (That's why you've had a best girlfriend all along, right?) Secret #4: It doesn't matter if he doesn't dance. (Common interests are less important than shared values.) Secret #6: Sexual chemistry isn't always organic. (Attraction can be created -- if you know how to unlock your passion.) A practical, surprisingly progressive guide to love and romance, *First Comes Marriage* will open your eyes to what makes a guy perfect for you...and will help you find him, date him, and keep falling in love with him forever.
