Love in the Time of Serial Killers Alicia Thompson 2023-03-30

'Unique, sexy, hilarious, charming... The true crime is NOT reading this novel!' Ali Hazelwood, author of *The Love Hypothesis*  
'A criminally addictive romance... this book is sheer perfection from beginning to end' Rachel Lynn Solomon, author of *The Ex Talk* -- Turns out that reading nothing but true crime isn't exactly conducive to modern dating - and one woman is going to have to learn how to give love a chance when she's used to suspecting the worst. PhD candidate Phoebe Walsh has always been obsessed with true crime. She's even analysing the genre in her dissertation - if she can manage to finish writing it. It's hard to find the time while she spends the summer in Florida, cleaning out her childhood home, dealing with her obnoxiously good-natured younger brother, and grappling with the complicated feelings of mourning a father she hadn't had a relationship with for years. It doesn't help that she's low-key convinced that her new neighbour, Sam Dennings, is a serial killer (he may dress business casual by day, but at night he's clearly up to something). But it's not long before Phoebe realises that Sam might be something much scarier - a genuinely nice guy who can pierce her armour to reach her vulnerable heart. What readers are saying about *Love in the Time of Serial Killers*: 'Do you know when you disappear into a book? You, your surroundings, everything, ceases to exist? This book was that for me' ☐☐☐☐☐ 'The cover is gorgeous, and the inside is fun, witty, relatable and so entirely sweet' ☐☐☐☐☐ 'This was such an enjoyable read. I really loved the depths given to Phoebe, the way she created walls around herself, the themes were developed organically and believably' ☐☐☐☐☐ 'Phoebe is one of the best female protagonists I've read in

a long time' □ □ □ □ 'The whole thing made me laugh out loud and smile like an idiot sooo often' □ □ □ □ 'The book was witty and fun, but also thought out and honest' □ □ □ □

Lost and Found Sarah Jakes 2014-04-01 Don't let your past keep you from a full future. Like every girl, Sarah Jakes dreamed of a life full of love, laughter, and happy endings. But her dreams changed dramatically when she became pregnant at age thirteen, a reality only compounded by the fact that her father, Bishop T.D. Jakes, was one of the most influential megachurch pastors in the nation. As a teen mom and a high-profile preacher's kid, her road was lonely. She was shunned at school, gossiped about at church. And a few years later, when a fairy-tale marriage ended in a spiral of hurt and rejection, she could have let her pain dictate her future. Instead, she found herself surrounded by a God she'd given up on, crashing headlong with Him into a destiny she'd never dreamed of. Sarah's captivating story, unflinchingly honest and deeply vulnerable, is a vivid reminder that God can turn even the deepest pain into His perfection. More than a memoir, *Lost and Found* offers hope and encouragement. Perhaps you, like Sarah, find yourself wandering the detours of life. Regardless of how lost you feel, you, too, can be found.

Being Happy (Even When You Don't Get What You Want) Gina Lake 2014-02-28 We expect that getting what we want will finally make us happy, but what we find is that it mostly just leads to wanting more or wanting something different. Our desires toss us

to and fro until we tire of this and begin to question the value of following our desires. Being Happy (Even When You Don't Get What You Want) will help you understand desire and its purpose in your life. It will also help you discriminate between your Heart's desires and the ego's and to relate to the ego's desires in a way that reduces suffering and increases joy. By pointing out the myths about desire that keep us tied to our ego's desires and the suffering they cause, Being Happy (Even When You Don't Get What You Want) will help you be happy regardless of your desires and whether you are attaining them. So it is also about spiritual freedom, or liberation, which comes from following the Heart, our deepest desires, instead of the ego's desires. It is about becoming a lover of life rather than a desirer. A review from Neale Donald Walsch, author of Conversations with God: "Conversations with God says that happiness is not getting what you want, it is wanting what you get. Others have made the same observation, and in fact, this thought seems to be as old as time. Still, it is good to hear it again, to visit it once more, to connect with the wisdom yet one more time. And few books do as good a job, as quickly, of reconnecting us with that wisdom than this one by Gina Lake. This book had a lasting impact on me. I highly recommend it.... It offers a simple, accessible, articulate, and interesting take on the very human experience of desire and gives us the tools to make clear choices about how we want to live our lives. An excellent read." This book was formerly titled Anatomy of Desire.

[Find Your Perfect Partner](#) Wayne C. Allen 2012-12-01 You've likely realized that the screwy relationships you have been in were the direct result of you not thinking about how to create an excellent one. Pretending the important, life-altering decision to relate is "a matter of the heart" is not only stupid, it doesn't work! Many moons ago, psychotherapist Wayne C. Allen made a clear decision about his "next" relationship. He decided that his brain (not just his heart) needed to be in charge of the process. He came up with a strategy for finding the person he wanted -- He called it...The List of 50. His strategy worked. He met his perfect partner (in 2017, they've been together 34 years!) Wayne began sharing the process with his clients -- soon, they demanded a book... and *Find Your Perfect Partner* is the result. Written by a therapist with over 30 years of experience, this book gives you the tools you need to actually think through what kind of person you want to be with. His clients have tested this process for the last 30 years, and now it's available to you! Here's a quote from a

client: "When I showed my List of 50 to one friend he said, "Do you have a short list that us mere mortals could aspire to?" My answer was, "I had a short list and it got me my ex-husband. I'm being more particular now." Find Your Perfect Partner is a guide to figuring out the whole attraction / dating / relationship thing. You'll discover: ~reasons for failed relationships and the high divorce rate ~how hormones get in the way ~how past relationships are great guides to getting the next one right ~why you need to think about what works in your successful friendships ~which traits must be a match between you and your perfect partner This book examines what doesn't work, then helps you to map out what's been missing from your past relationships. It gives you an easy to follow strategy for re-setting your mental filters, so that the next person you meet is a much better fit. You'll have a better sense of why compatibility is so important, and have a time tested method for both opening your eyes to new possibilities, and for finding your perfect partner. Follow along with the text, work through the exercises, and put the book's insights into practice. You'll be amazed with the results. One more quote! "My list has been an active part of my relationship building since I drafted it. I have modified the list several times, based on how relationships worked out. It was also interesting to note, how few elements of my list my ex-wife matched, similar to what you said about your first marriage. I feel that using the process you recommend does improve the quality of the choices you make. Of course, building the other relating skills will complement this as well."

**EBOOK: Couple Therapy: Dramas of Love and Sex** Barbara Bloomfield 2013-07-16 GRAPHIC NOVEL "This is an original, creative way of unpicking relationship problems - worth revisiting again and again for more insights." Bel Mooney, Columnist, Daily Mail Anthony and Andrea aren't getting on. It's five weeks away from their marriage and Andrea has caught her fiance cheating on the internet, with an older woman! Share this couple's journey with their counsellor and become a fly on the wall as they journey into their most private and unknown places. Much more than a comic strip, the graphic novel Couple Therapy: Dramas of Love and Sex takes you into the hidden world of the Relate counselling room, and lets you into the private worlds of three fictional couples as they struggle to improve their relationships and their sex lives. Relate counsellor Barbara Bloomfield discusses each case with renowned family therapist, Prof. Rudi Dallos, as they share thoughts, theories and active techniques that will help each couple to understand what's gone wrong and how to make changes for the better. WITH A FOREWORD BY RUTH SUTHERLAND, CEO OF RELATE "Couple Therapy is a very innovative book exploring the private worlds of two fictional couples (plus one family) going through RELATE counselling. It is comic strip type graphic novel which highlights relationship

issues in an exciting, easy and highly readable way. A 'must' read for anybody experiencing problems in a relationship." Cary L Cooper, CBE, Distinguished Professor of Organizational Psychology and Health at Lancaster University, UK, and President of Relate "This wonderfully creative book provides a unique insight into the Relate counselling room. It is written with clarity and integrity and I would highly recommend it to anyone interested in learning more about Relate counselling." Jenny Porter, Supervisor, Relate Cymru, and Tutor at The Relate Institute, UK "This graphic novel explores some of the problems we all face in our relationships and beautifully describes what goes on in the counselling room to solve them. I love the real feeling of being in the room that the cartoons convey and then the 'what's going on in the counsellor's head' commentary adds depth, followed by some excellent supervision of the work at the end of each chapter. There's no 'dumbing down' and the book gives real insights into the couple and family counselling process. Marvellous!" Gwilym Roberts, Chief Executive Relate Cymru, UK "This beautifully illustrated graphic novel provides an informative and accessible guide to systemic-oriented couple therapy, with accompanying comments and thoughts helping the reader to understand the way the couple feels and the therapist works with their problems. The book can be recommended to anyone who wants to get an idea of what happens in couple therapy." Dr Andreas Vossler, Director of the Foundation Degree in Counselling, The Open University, UK "Full of the drama and humanity of couple therapy, Barbara Bloomfield's thoughtful holding, interventions and reflections match the vivid characters illustrated by Chris Radley in this energetic graphic narrative that showreels fictionalised episodes from inside the confidential couple therapy room. Entertaining, reflective, moving and educational, this is a riveting read." Claire Williamson, Programme Leader, MSc in Creative Writing for Therapeutic Purposes, Metanoia Institute, UK

**Love Party of One** Kevin Hunter 2016-09-15 Love Party of One examines the current love and dating world and what to expect for anyone struggling with being single and longing for love. Author, Kevin Hunter, is a love expert in love with all things surrounding the word love since he arrived on this planet. He has been out in the field studying the human condition since he was a teenager. This has included conducting social experiments as well as diving head first into the areas of love and dating in his own personal life. One of the ways of surviving modern day dating and relationships in a loveless world is by armoring yourself with knowledge. This includes knowledge over the way things currently are. You've went to psychic readers, you've cast spells, you put yourself out there, did the vision boards, the crystal meditations, and other love rituals presented to you, but you still find you're desperately wishing the person of your dreams was here already. You grow cynical as if it will never happen and that you just have to accept the fact that perhaps it's not in the cards. Dating is a battlefield, be prepared to get dirty. Kevin Hunter is best known for his endless array of spiritually based books. In Love Party of One, he answers some of the practical issues that readers posed regarding their personal conflicts in the current dating market. This is a non-denominational book with some light spiritual slang for anyone struggling as a single person in a loveless world. This is regardless of age, background, or whether you are straight, bi, gay, male, or female. The dating market is an equal opportunity killer and no soul is exempt from the challenges they face when it comes to love. Some of the topics discussed surround technological dating, falling in love with someone you've never met, codependency, exes, communicating, compromise, sex, marriage, monogamy vs. adultery, ageism, and more! What Readers Have Said: "As much as the author's personality seems to be the work of Picasso, I read the intro and first chapter of "Love Party of One". I was glued to it, because I really can relate. The things Kevin Hunter touches on in this book

are right-on." - A Reader "Loved this book. This line really stood out to me: "Desiring a love partner is not co-dependent...to equate a basic human need with desperation is absurd." - A Reader "An amazing read. Realistic. The book touches upon confusions, thoughts, and emotions in one's journey to the find the one. Also relevant were a focus on couples issues after they are together. Issues such as infidelity and monogamy which is so significant in today's age. It was good to see the author reinstate the old school belief that true love is about that commitment." - A Reader "Quite a bit of my dating struggles in my own consciousness I found to be already written down in this book. Love Party of One really vibes with me. Loved it. Thank you." - A Reader "I have been reading this book and can't put it down! It's soooo good!!! Fantastic work Kevin Hunter! He should be a teacher in a school or college, or a counselor! This stuff he wrote in 'Love Party of One' is right to the point and on the mark! Damn he's good! His Archangel team guided him to a best seller in my opinion! I'm just about to start chapter 8 and each chapter is like, "Damn, he's so right! He is good! Great job with this! What a gifted Angel and Wise One he is. A true Warrior for sharing the right stuff! Thank you!" - A Reader

*Letters to Louise* Louise Hay 2011-01-01 Updated Edition, with a Revised Cover! "This book is a collection of letters I've received and answered over the years from people all over the world. The letters express deep concerns about 20 different topics—including addictions, dis-ease, family relationships, the inner child, and parenting, just to name a few. Almost all of the people who have written to me have wanted to change themselves—and their world—in some way. In my replies, I've tried to be the catalyst that helps these individuals accomplish their goals. I think of myself as a stepping-stone on a pathway of self-discovery. Perhaps you will see some aspect of yourself in these pages. It is my belief that by reading about other people's challenges and aspirations, we can see ourselves and our own

problems in different ways. Sometimes we can use what we learn from others to make changes in our own lives. I hope this book will allow you to realize that you, too, have the strength within to change, and to find solutions on your own—that is, to seek the answers that are within you." — Louise L. Hay

All About Love bell hooks 2018-01-30 A New York Times bestseller and enduring classic, All About Love is the acclaimed first volume in feminist icon bell hooks' "Love Song to the Nation" trilogy. All About Love reveals what causes a polarized society, and how to heal the divisions that cause suffering. Here is the truth about love, and inspiration to help us instill caring, compassion, and strength in our homes, schools, and workplaces. "The word 'love' is most often defined as a noun, yet we would all love better if we used it as a verb," writes bell hooks as she comes out fighting and on fire in All About Love. Here, at her most provocative and intensely personal, renowned scholar, cultural critic and feminist bell hooks offers a proactive new ethic for a society bereft with lovelessness—not the lack of romance, but the lack of care, compassion, and unity. People are divided, she declares, by society's failure to provide a model for learning to love. As bell hooks uses her incisive mind to explore the question "What is love?" her answers strike at both the mind and heart. Razing the cultural paradigm that the ideal love is infused with sex and desire, she provides a new path to love that is sacred, redemptive, and healing for individuals and for a nation. The Utne Reader declared bell hooks one of the "100 Visionaries Who Can Change Your Life." All About Love is a powerful, timely affirmation of just how profoundly her revelations can change hearts and minds for the better.

**Don't Wait Til I Die to Love Me** Michael Tavon 2019-10-08 Don't Wait Til I Die To Love me and is a book about life. The author takes his readers through a journey of self-discovery. In vivid detail he spills his thoughts and deepest feelings towards love in every dimension. Tavon hopes readers will gain a new

outlook life while learning how to appreciate the little things in life. 'Don't Wait Til I Die To Me' is such a simplistic title with a nuanced meaning which can relate to people in many ways. The people who find themselves to be overlooked or undervalued will resonate with pieces like "To The Ones Who Hurt Me " and "For The Misunderstood". Pieces such as "Dying Mother" and "Five Sense" will have the readers feeling remorseful towards humanity and Mother Earth. The purpose of this book is to allow each reader to learn more about themselves and become hopeful on their healing journey. Tavon wants his readers to know they're not alone. He also hopes people will become proactive when it comes to loving themselves, other people, and the environment. This book is a guide for the lost souls with many unanswered questions. This is one of the most complete poetry collections of the modern era. Goodreads review "First of all, thank you to the author for a pdf copy of "Don't Wait Til I Die To Love Me". Reading this book: marking each and every single poem in this collection and realizing that I can't quote EVERY one in my recommendation. I really enjoyed reading the poems. Each one let me feel something different and inspired me, motivated me. I don't like to give stars because I think it's always up to the readers book taste, but if I had to, I'd give 5/5 stars for this poetry collection because I loved each poem. This book is so so good and full of love. First, let us talk about the title: "Don't Wait Til I Die To Love Me". I wanted to read this book the exact moment I've read the title It's perfect "Maybe, I was placed in your life to be there When you were falling apart And once you put the pieces back together, You felt strong enough To stand on your own Thank you for allowing me in during Your most difficult time And trusting me to place bandages On your broken heart Just know if you ever need me again I'm one call away" There's just something about this lines.. love it The perfect book for a person who needs to let go of someone or something. I love books that make you question something and make you thoughtful in a good

way. Like this lines: "Would a blue jay stop flying After being knocked down by a few storms? I doubt it. So why are we afraid to love After we get hurt? Pain should make us Want to love harder Not become distant, Or seek vengeance," Not only this book tries to help you deal with love it also reminds you how you should treat people. And that's so important His poems are full of truth and everyone will find a piece of himself in this book and will enjoy it because in the end we love to talk about ourselves but what we love more is reading about us and the things we can't describe. Sometimes it's heartbreakingly true, other times it's just all you need. "The world ain't fair You deserve more", like reading this poetry book. Do it" - Sultan Goodreads review #2 " I am so grateful that I had the opportunity to read this amazing collection before the release date. I loved it obviously I felt so much reading this, I felt the pain in the words, the past struggles, the heartache and heartbreak. But I also felt the love and enjoy and just the raw emotion in every single poem. There was everything in here, poems about love and lose, fighting and losing battles, growing as a person and coming to know and love yourself as well. I could relate to so many of these poems, they made me think about life and the world and also my past. It was great and I am for sure reading more from him in the future, along with picking up his past collections" - Chesney

You Can't Force a Man to Value You Kissy Denise 2019-09-16 You Can't Force A Man To Value You is the book that every woman should be handed when she turns eighteen-years-old. This book not only teaches a woman how to value herself outside of a man and find her worth, but also how to be a good woman and have healthy relationships with high value men who will honor,

cherish, and pull you deeper into your Goddess throne. If you've been trying to figure out the keys to men or not knowing why your relationships went wrong, or watching other women land their dream guy or other women who seem to get the rich men who provide, take them on exotic vacations, buy them cars, completely adore them and do whatever they want, while you meanwhile pay half the bills, and end up in relationships with ungrateful men who aren't even half as smart as you, then this is the book for you. If you find yourself asking why do men seem to choose the needy women over you, the boss chick who doesn't need a man and can do everything on her own, then Sis this book is about to change your life. If you've suffered from a broken heart after pouring all of your love into a man who failed to provide for you, this book will not only heal you but send you back out into the dating world fully equipped to attract the man of your dreams. *You Can't Force A Man How To Value you* helps a woman step into her purpose, become a high value woman and finally understand how to become an alluring Goddess who understands men and is able to capture the heart of the man of her dreams. You will learn the key to enlightened relationships and develop beautiful, nurturing communication skills that will have the strongest man not being able to get enough of you. This book helps powerful women *Unleash The Goddess Within*. This book is perfect for the beautiful soul who craves an open, loving, supportive, growth oriented, empowered relationship with a soulmate. You desire to break generational curses, show your children and future generations a better way by being a living, breathing example of kindness, wholeness, confidence, and self love, within a healthy relationship that grants you an honest mate who will grow with you in both love and business. You continuously choose love and the call of your soul, over logic. You have a habit of dumbing yourself down, in order to relate to people. You tend to be the smartest person out of all of your friends. 9/10 you're way more smarter than your chosen

partners. Not matter how much love you pour into your relationships, they tend to end really badly. They move on fast to the next person, meanwhile you're left crushed, heartbroken and having to pick up the pieces of your shattered life all by yourself. Yet, you understand that you are not a victim in your relationships. If someone treats you poorly, you reflect on what this experience is trying to teach you and why this manifested without being hard on yourself. No matter how many times you've been hurt you live from your heart, and have great vision. Often you attempt to help activate a man's King DNA to no avail. You would rather be alone, than to play with anyone's heart. Because you know the kind of love you and everyone deserves. You love hard and want to find someone to spend the rest of your life with. Femininity is something you are a bit iffy on but you would love to become more of a lady. I got you Sis. This book is for you. It's the answer to your dating problems.
