

Erotica Riding With An Outlaw A Forbidden Taboo Sex And Romance Medical Tales Older Man Younger Woman

The Advocate - 2003-08-19

The Advocate is a lesbian, gay, bisexual, transgender (LGBT) monthly newsmagazine. Established in 1967, it is the oldest continuing LGBT publication in the United States.

City of Night - John Rechy 2011-03-01

Bold and inventive in style, *City of Night* is the groundbreaking 1960s novel about male prostitution. Rechy is unflinching in his portrayal of one hustling 'youngman' and his search for self-knowledge among the other denizens of his neon-lit world. As the narrator moves from Texas to Times Square and then on to the French Quarter of New Orleans, Rechy delivers a portrait of the edges of America that has lost none of its power. On his travels, the nameless narrator meets a collection of unforgettable characters, from vice cops to guilt-ridden married men eaten up by desire, to Lance O'Hara, once Hollywood's biggest star. Rechy describes this world with candour and understanding in a prose that is highly personal and vividly descriptive.

Purity and Danger - Professor Mary Douglas 2013-06-17

Purity and Danger is acknowledged as a modern masterpiece of anthropology. It is widely cited in non-anthropological works and gave rise to a body of application, rebuttal and development within anthropology. In 1995 the book was included among the Times Literary Supplement's hundred most influential non-fiction works since WWII. Incorporating the philosophy of religion and science and a generally holistic approach to classification, Douglas demonstrates the relevance of anthropological enquiries to an audience outside her immediate academic circle. She offers an approach to understanding rules of purity

by examining what is considered unclean in various cultures. She sheds light on the symbolism of what is considered clean and dirty in relation to order in secular and religious, modern and primitive life.

Saints, Scholars, and Schizophrenics - Nancy Scheper-Hughes 2001-01-03

"Saints, Scholars, and Schizophrenics, in its original form--now integrally reproduced in the new edition--is a most important seminal study of an Irish community."—Conor Cruise O'Brien

Bump in the Night - Heidi Belleau 2013-10

Turn off the lights . . . and turn on your darkest fantasies. Demon pacts. Ghostly possessions. Monsters lurking in the depths. The things that go bump in the night frighten us, but they also intrigue us. Fascinate us. Even turn us on. Join us as fan favorites Ally Blue and Kari Gregg bring over-amorous aquatic beasts to life with their mythic twists on the Siren and the monster in the lake. Erotic horror pros Heidi Belleau, Sam Schooler, and Brien Michaels show us just how sexy scary can be with a pair of demon deals destined to curl your toes and set your heart thrashing. And literary masters Laylah Hunter and Peter Hansen weave haunting worlds where ghosts and dead lovers can touch our hearts (and other, naughtier places too . . .) and teach us lessons from beyond the grave. By turns exciting, evocative, and exquisitely explicit, the stories in *Bump in the Night* are sure to scratch your sexy paranormal itch. Explore your wildest fantasies with us in this collection of dark erotic tales.

Fire in the Minds of Men - James H. Billington 1999

This book traces the origins of a faith--perhaps the faith of the century. Modern revolutionaries are believers, no less committed and intense

than were Christians or Muslims of an earlier era. What is new is the belief that a perfect secular order will emerge from forcible overthrow of traditional authority. This inherently implausible idea energized Europe in the nineteenth century, and became the most pronounced ideological export of the West to the rest of the world in the twentieth century. Billington is interested in revolutionaries--the innovative creators of a new tradition. His historical frame extends from the waning of the French Revolution in the late eighteenth century to the beginnings of the Russian Revolution in the early twentieth century. The theater was Europe of the industrial era; the main stage was the journalistic offices within great cities such as Paris, Berlin, London, and St. Petersburg. Billington claims with considerable evidence that revolutionary ideologies were shaped as much by the occultism and proto-romanticism of Germany as the critical rationalism of the French Enlightenment. The conversion of social theory to political practice was essentially the work of three Russian revolutions: in 1905, March 1917, and November 1917. Events in the outer rim of the European world brought discussions about revolution out of the school rooms and press rooms of Paris and Berlin into the halls of power. Despite his hard realism about the adverse practical consequences of revolutionary dogma, Billington appreciates the identity of its best sponsors, people who preached social justice transcending traditional national, ethnic, and gender boundaries. When this book originally appeared *The New Republic* hailed it as "remarkable, learned and lively," while *The New Yorker* noted that Billington "pays great attention to the lives and emotions of individuals and this makes his book absorbing." It is an invaluable work of history and contribution to our understanding of political life.

The Female Thermometer - Terry Castle 1995

A collection of the author's essays on the history and development of female identity from the 18th to the early 20th centuries. Throughout the book are woven themes which are constant in Castle's work: fantasy, hallucination, travesty, transgression and sexual ambiguity.

Club Cultures - Sarah Thornton 2018-03-08

This is an innovative contribution to the study of popular culture,

focusing on the youth cultures that revolve around dance clubs and raves.

The Wild Boys - William S. Burroughs 2012-08-02

In this funny, nightmarish masterpiece of imaginative excess, grotesque characters engage in acts of violent one-upmanship, boundless riches mangle a corner of Africa into a Bacchanalian utopia, and technology, flesh and violence fuse with and undo each other. A fragmentary, freewheeling novel, it sees wild boys engage in vigorous, ritualistic sex and drug taking, as well as pranksterish guerrilla warfare and open combat with a confused and outmatched army. *The Wild Boys* shows why Burroughs is a writer unlike any other, able to make captivating the explicit and horrific.

Cycling and Cinema - Bruce Bennett 2019-04-30

A unique exploration of the history of the bicycle in cinema, from Hollywood blockbusters and slapstick comedies to documentaries, realist dramas, and experimental films. *Cycling and Cinema* explores the history of the bicycle in cinema from the late nineteenth century through to the present day. In this new book from Goldsmiths Press, Bruce Bennett examines a wide variety of films from around the world, ranging from Hollywood blockbusters and slapstick comedies to documentaries, realist dramas, and experimental films, to consider the complex, shifting cultural significance of the bicycle. The bicycle is an everyday technology, but in examining the ways in which bicycles are used in films, Bennett reveals the rich social and cultural importance of this apparently unremarkable machine. The cinematic bicycles discussed in this book have various functions. They are the source of absurd comedy in silent films, and the vehicles that allow their owners to work in sports films and social realist cinema. They are a means of independence and escape for children in melodramas and kids' films, and the tools that offer political agency and freedom to women, as depicted in films from around the world. In recounting the cinematic history of the bicycle, Bennett reminds us that this machine is not just a practical means of transport or a child's toy, but the vehicle for a wide range of meanings concerning individual identity, social class, nationhood and belonging,

family, gender, and sexuality and pleasure. As this book shows, two hundred years on from its invention, the bicycle is a revolutionary technology that retains the power to transform the world.

The Films of Joseph H. Lewis - Gary D. Rhodes 2012

Explores American Joseph H. Lewis's eclectic career, including his best-known film, *Gun Crazy*.

Paradoxes of Gender - Judith Lorber 1994-01-01

In this pathbreaking book, a well-known feminist and sociologist—who is also the Founding Editor of *Gender & Society*—challenges our most basic assumptions about gender. Judith Lorber views gender as wholly a product of socialization subject to human agency, organization, and interpretation. In her new paradigm, gender is an institution comparable to the economy, the family, and religion in its significance and consequences. Drawing on many schools of feminist scholarship and on research from anthropology, history, sociology, social psychology, sociolinguistics, and cultural studies, Lorber explores different paradoxes of gender: --why we speak of only two "opposite sexes" when there is such a variety of sexual behaviors and relationships; --why transvestites, transsexuals, and hermaphrodites do not affect the conceptualization of two genders and two sexes in Western societies; --why most of our cultural images of women are the way men see them and not the way women see themselves; --why all women in modern society are expected to have children and be the primary caretaker; --why domestic work is almost always the sole responsibility of wives, even when they earn more than half the family income; --why there are so few women in positions of authority, when women can be found in substantial numbers in many occupations and professions; --why women have not benefited from major social revolutions. Lorber argues that the whole point of the gender system today is to maintain structured gender inequality—to produce a subordinate class (women) that can be exploited as workers, sexual partners, childbearers, and emotional nurturers. Calling into question the inevitability and necessity of gender, she envisions a society structured for equality, where no gender, racial ethnic, or social class group is allowed to monopolize economic, educational, and cultural

resources or the positions of power.

CliffsQuickReview Sociology - George D Zgourides 2000-07-24

CliffsQuickReview course guides cover the essentials of your toughest classes. Get a firm grip on core concepts and key material, and test your newfound knowledge with review questions. CliffsQuickReview Sociology provides you with an in-depth review of the principles of sociology — the scientific study of human groups and social behavior. Because sociology examines how social relationships influence people's attitudes and how societies form and change, sociology has an incredibly broad scope. This guide boils sociology down to easy-to-understand terms and concepts, and as you work your way through this reference, you'll be ready to tackle such concepts as The sociological perspective and research methods Cultures and societies, and socialization Social groups and organizations Deviance, crime, and social control Social and global stratification Race and ethnicity, and sex and gender Economics, politics, education, marriage, family, and alternative lifestyles Religion, health, medicine Social change and movements CliffsQuickReview Sociology acts as a supplement to your textbook and to classroom lectures. Use this reference in any way that fits your personal style for study and review — you decide what works best with your needs. You can read it from cover to cover, or just use it when you need important information and put it back on the shelf for later. With titles available for all the most popular high school and college courses, CliffsQuickReview guides are a comprehensive resource that can help you get the best possible grades.

A Panorama of American Film Noir (1941-1953) - Raymond Borde 2002

This first book published on film noir established the genre—a classic, at last in translation.

Vengeance Road - Christine Feehan 2019-01-29

Christine Feehan takes romance full throttle in the second gripping novel in her No.1 New York Times bestselling *Torpedo Ink* series. Breezy Simmons was born into a ruthless motorcycle club - and now that she's out, she's never going to be that girl again. But when her past catches up with her, Breezy must go to Sea Haven to seek out the man who almost

destroyed her. The man who chose his club over her and left her feeling used and alone. As vice president of Torpedo Ink, Steele is ride or die for the brothers he lived through hell with. He never thought he'd find something as pure as his feelings for Breezy, or that keeping her safe would mean driving her away with cruel words that turned her love for him to ash. Now, Steele won't let her walk away twice. He'll do whatever it takes to make Breezy his woman again - especially when he learns the real reason she came to him for help, and that the stakes are higher than he ever could have imagined . . .

White Horses - Alice Hoffman 2014-09-23

A story about the fairy-tale fantasies of girlhood and the realities of growing up by "one of our quirkiest and most interesting novelists" (Jane Smiley, USA Today). When Teresa sleeps—sometimes for days at a time, the scent of roses surrounding her—she dreams of the Arias, outlaw riders on white steeds, who roam the desert at night. She was told about the dark-eyed horsemen by her mother, Dina, who left her own bedroom window open at night in the hopes that one would take her away from her parents' house in Santa Fe. Teresa, who cannot find a cure for her mysterious sleeping sickness, has one true ally: her brother, Silver. Wild and handsome, Silver exerts an irresistible force over everyone he meets—women especially. He pursues a life of crime and danger, and the older he grows, the more reckless he becomes. Teresa wants to break free but is drawn back to her brother again and again, pulled by the belief that he is the night rider of her dreams. Only when she realizes that she has the strength to save herself will she finally be able to open her eyes and walk away. A lyrical blend of the mythical and the real, *White Horses* has been hailed by the *San Francisco Chronicle* as a book that "will reverberate in readers' imaginations for a long time."

Trifles - Susan Glaspell 2016-06-10

"Trifles" is a one-act play by Susan Glaspell, who is considered an important feminist writer of the early Twentieth Century. The play was first performed in 1916 by the Provincetown Players in Provincetown,

Massachusetts. The playwright played the role of Mrs. Hale. Glaspell is the author of seven full-length plays and eight one-act plays. In addition, she wrote nine novels and three collections of short stories.

Breaking the Magic Spell - Jack Zipes 1979

This text explores, in both historical and critical contexts, the evolution of folk tales and fairy tales, their influence on popular beliefs, the politics behind them and their incorporation in mass media culture today. It focuses particularly on socio-historical forces which have changed the function of fairy tales since the 1700s.

Filmmakers' Choices - John Gibbs 2006

Designed for the launch of the Close-Up series, *Filmmakers' Choices* explores different areas of decision-making within film production, focusing on each in the analysis of a film. The discussion of *Talk to Her* (Pedro Almod'var, 2002) examines the detailed construction of point of view; the account of *Lured* (Douglas Sirk, 1947) is simultaneously a reflection on narrative construction and a look at the creative possibilities of coincidence. *The Pop Song in Film* offers a series of detailed interpretations of moments in films where the pop song adopts a decisive storytelling role. The study focuses on both on-screen musical performances and the use of the song as a kind of musical voiceover. *Reading Buffy* looks at Joss Whedon's acclaimed television series, *Buffy the Vampire Slayer*, through a close-reading approach more usually applied to films. The series is seen not just to create a richly detailed and satisfying fictional world, but to be an abundant source of complex meanings. Several aspects of *Buffy* are examined: its visual intelligence, the playful sophistication of its narrative strategies and the interest the series takes in its relationship with its many fans.

The Spartans - Paul Cartledge 2003-05-26

Traces the history of the ancient Greek city-state of Sparta, describes its distinctive military society and the unusual freedom of Spartan women, and discusses the influence which its culture has had on later civilizations.
