

Falling On Main Street

Falling on Main Street - Tara Grace Ericson

2018-10-30

A sweet contemporary Christian romance, which introduces readers to the idyllic Midwest town of Minden, Indiana. Can Charlotte, an accomplished business woman, and Luke - a blue-collar widower, overcome their differences and find love? Will Charlotte salvage the reputation left in tatters when she was forced to leave town in disgrace?

Falling Sky - Harry Sidebottom 2022-10-13

The thrilling new historical adventure in the Warrior of Rome series from Sunday Times bestseller Harry Sidebottom. *** 'What Bernard Cornwell is to the Napoleonic Wars, Harry Sidebottom is to Roman legions: unassailable' -

THE TIMES ***

AD 265, Gaul - The Roman Empire is on the brink. Emperor Gallienus has amassed a huge army across the Alps to seize back the mountains from the usurper Postumus. War has come. Ballista and his cavalry are on the frontline, battling in the most brutal of conditions. But if he is to survive the campaign and finally retire to his beloved Sicily, it's not just the battlefield he needs to navigate. As he and Praetorian Prefect Volusianus lay siege to Postumus' armies, it becomes clear the greatest threat to Ballista's life might just come from within his ranks. After all, Volusianus has shown he will go to any distance for his own ends. Is Ballista just another pawn in his game?

Praise for Harry Sidebottom's historical novels: 'An extraordinarily vivid take on the ancient world' - EVENING STANDARD 'Explosive action and knuckle-whitening drama' - GUARDIAN 'The best sort of red-blooded historical fiction' - ANDREW TAYLOR 'More twists and turns than the Tiber itself' - RORY CLEMENTS 'Sidebottom's prose blazes with searing scholarship' - THE TIMES 'Relentless, brutal, brilliant' - BEN KANE 'A storming triumph' - DAILY TELEGRAPH 'Epic' - MARY BEARD *Utopia Falling* - R.C. Vielee 2023-09-19 "Utopia once created, cannot long endure the onslaught of human nature." The Great Destruction brought Earth to its knees. As centuries passed, humanity grew into the near-utopian realm of Tartica, founded on free love, dedicated to living off nature, a committed to repopulating civilization. Reyne's only desire is to marry Mithany, raise a family, and reap the promise of a simple life. But Reyne's hopes are

shattered when assassins from the parallel domain of Evidar, a brutal world condemned to exist forever in darkness, arrive on Tartica just days before his wedding... and mark him for death. Elsewhere, benevolent leaders guiding Tartica's ideal society succumb to dark ambitions based on tainted promises and spark events that threaten to set millennia of cultural harmony ablaze. As Reyne refuses to accept that he alone can pass through to a parallel realm—that he doesn't believe exists—to kill its leader, secrets are revealed, lies are laid bare, and what cannot be real... is. Driving everything towards chaos, the Devil's Blacksmith, Evidar's master manipulator, has secrets of his own and will stop at nothing to secure salvation for his world and freedom from its perpetual darkness at the expense of Reyne's life and Tartica's existence. *Utopia Falling: A Darkness Rises* begins the dark epic fantasy trilogy, *The Utopia Falling Saga*.

Shame chases her to Minden. Grief traps him in the past. But they can't deny the spark between them. Charlotte's world as a high-powered executive recruiter comes crashing down after a classified document under her care is leaked to the press. Taking refuge in a small Indiana town, she is determined to heal before taking back her life. Luke Brand chases off any threat to the memory of the wife he lost too soon. When his world is invaded by a city-slicker with stunning green eyes, Luke struggles to follow God's instruction to help the town's newest resident. Between the infuriating hot and cold signals of her landlord's son and the sincere faith of those

in her new circle, Charlotte is left questioning a lot more than how to take back her career. Can this time together in the charming town of Minden spur healing for both Charlotte and Luke? He saw the soft cedars of San Pedro Island, its high, rolling hills, the low mist that lay in long streamers against its beaches, the whitecaps riffing its shoreline. The moon had risen already behind the island - a quarter moon, pale and indefinite, as ethereal and translucent as the wisps of cloud that travelled the skies. A fisherman is found dead in the net of his boat off the coast of a North American island. When a local Japanese-American man is charged with his murder, it becomes clear that what is at stake is more than one man's guilt. For on San Pedro, memories grow as thickly as cedar trees - memories of a charmed romance between a white boy and a Japanese girl. Above all, the island is haunted by what happened to its Japanese residents during the Second World War, when an entire community was sent into exile while its neighbours watched.

Tripping from the Fall Line - David K. Brezinski
2015-10-07

"Emanating from the Fall Line city of Baltimore, site of the 2015 GSA Annual Meeting, these trips reflect the diversity of geological features in the mid-Atlantic region including the Piedmont, Appalachian Mountains, and Coastal Plain, and the importance of geology on the development and construction of the Baltimore-Washington, D.C., metropolitan area"--

The Inconvenient Process of Falling - Katie Neipris
2015-04-03

Seven childhood friends go camping together for the second summer in a row. Last summer they had just graduated high school and believed in their ability to remain so tightly-knit even when separated by several months and thousands of miles. Last summer they'd been so confident that nothing would change. They could not have been more wrong. Their first year of college did not go as expected. Everything that they took for

granted fell apart in ways they never could have foreseen. This weekend is their last chance to put themselves back together. *The Inconvenient Process of Falling* describes the real struggle of growing up and accepting the unpleasant realization that life is not going to turn out exactly how you planned. It depicts the real coming-of-age experience of returning home and seeing how much you've changed. Ultimately, it's a novel about realizing that friends are the family you get to choose. These seven friends undergo the same experience endured by all nineteen-year-olds. It's a time of transition and trying to stay afloat in this strange state of quasi-adulthood. Growing up is a strange process, and this novel shows that no one is exempt from it. No matter where you live, where you go to school, or what aspirations you use to define yourself, nineteen is a hell of a year. The hardships endured at this age - the money troubles and family struggles and broken hearts that are an inevitable part of growing up - are

their own brand of battle. When you emerge scarred and battered and kind of an adult, you probably still don't know what you want to do with your life or how you're going to become a full person, but you know who your friends really are, and that's all you can ask for.
