English Edition

The Bound Series - Ava March 2012-08-06

One erotic night at a brothel changes Lord Oliver Marsden and Lord Vincent Prescott's friendship into something so much more... The Bound Series includes: Bound by Deception Lord Oliver Marsden has a secret. He's in love with his best friend, Lord Vincent Prescott. When he discovers Vincent hires a man once per month, Oliver arranges to take the man's place, and discovers a dominant side to Vincent he never expected. Bound to Him Wealth, status, and a lover who submits to his every desire - Lord Vincent Prescott's life is perfect. Then Oliver asks Vincent if he loves him, Vincent's father demands he marry, and Vincent's neat orderly life spins completely out of control. Bound Forever Lord Oliver Marsden's life is perfect...well, almost perfect. Then a letter prompts him to push Vincent, his dominant lover, to submit to him. Yet the erotic night has repercussions neither of them anticipated. Also includes the short stories Deliberately Unbound and Deliberately Bound. This book contains explicit sexual content, graphic language, and situations that some readers may find objectionable: BDSM theme and content, including bondage and spanking, male/male sexual practices.

One In The Same - Brian Francis Ferguson 2020-12-21

Too close for comfort...until comforting it indeed becomes.

Hollywood Babylon - Kenneth Anger 1975

The Dreamer - E. J. Mellow 2015-05-15

It's night. Always night. Dreams guard against the evil forged by nightmares. Infinite shooting stars illuminate a moonless sky. A city stands alone, surrounded by a darkened field. On its fringes, a man watches one star separate from the masses and fall. What survives the crash will unveil a secret centuries long hidden. Molly hasn't slept well since the night of her twenty-fourth birthday. Being struck by lightning might have something to do with it, but then again, her chicken did look a little undercooked at dinner. Whatever the culprit, her life quickly catapults from mundane to insane as, night after night, Molly is transported through her once dreamless sleep to a mysterious land illuminated by shooting stars. There she meets the captivating but frustrating Dev, and together they discover Molly possesses a power coveted by his people--the ability to conjure almost anything she desires into existence. Seduced by the possibilities of this gift, Molly shifts her attention from waking life toward the man, the magic, and the world found in her dreams. But Molly must ask herself--does something truly exist if you only see it when you close your eyes? Faced with the threat of losing everything--her job, best friend, boyfriend, and most importantly, that little thing called her sanity--Molly will learn just how far she'll go to uncover what is real and what is merely a figment of her imagination.

Skinflicks - David Jennings 2000

So much happens to all of us every day, yet so much is often forgotten. It is easier to remember things when they rhyme; both the momentous moments and the simple ones. Life is not always an adventure. Often it is ordinary occasions and the common place events that bring us the greatest joy. Stop always looking for the next big thing, because more often than not, life is just the next thing. And that next thing is what life is all about. Every rhyme contains a story; some are sincere, some are funny, some are sad, and some are reflective. There is a lesson, a moral, a tale, a smile, or a tear in every single one. They all rhyme for a reason.

The Happy Hooker - Xavier Hollander 1995-12-01

Swingland - Daniel Stern 2015-01-29

The wryly amusing and revealing story of one man's journey into the swinger lifestyle that pulls back the curtain on this fascinating, and often misunderstood, subculture. An estimated fifteen million strong worldwide, swingers are everywhere - a huge community, hiding in plain sight, whose erotic pastime remains a complete mystery to the rest of us. In Swingland, Daniel Stern outs himself and the secretive society he loves, recounting his ten - year transformation from a lonely guy who couldn't get a date into a veteran sexual adventurer. Swingland is much more than just a titillating exposé - there is also plenty of invaluable advice for those thinking of taking the plunge themselves (be honest, sensitive and hygienic!). Lovingly written, with a keen sensibility, Stern's

narrative is as improbably safe as it is fun - and impossible to put down.

Voluptuous Panic - Mel Gordon 2008-08-01

This seductive sourcebook of rare visual delights from pre-Nazi, Cabaret-period "Babylon on the Spree" has the distinction of being praised both by scholars and avatars of contemporary culture, inspiring hip club goers, filmmakers, gay historians, graphic designers, and musicians like the Dresden Dolls and Marilyn Manson. This expanded edition includes "Sex Magic and the Occult," documenting German pagan cults and their often-bizarre erotic rituals, including instructions for entering into the "Sexual Fourth Dimension." Mel Gordon is professor of theater at the University of California, Berkeley, and is also the author of Erik Jan Hanussen: Hitler's Jewish Clairvoyant (Feral House).

Tell-Tale Hearts - H. A. Blackwood 2019-11-24

Darcy Ford is coming off an ill-advised relationship that ended in disaster. When she's at her lowest point, she meets a woman who takes her back ten years to a night of wild passion. A night when she met-and lost-someone who opened new worlds to her. A night where her heart was stolen. A night which was the beginning of this most recent disastrous affair. Only by re-telling these tales can she find her way back to her lost love and the return of her heart.

Getting Off - Robert Jensen 2007

Does porn make the man?

Anagram Solver - Bloomsbury Publishing 2009-01-01

Anagram Solver is the essential guide to cracking all types of quiz and crossword featuring anagrams. Containing over 200,000 words and phrases, Anagram Solver includes plural noun forms, palindromes, idioms, first names and all parts of speech. Anagrams are grouped by the number of letters they contain with the letters set out in alphabetical order so that once the letters of an anagram are arranged alphabetically, finding the solution is as easy as locating the word in a dictionary.

Feel Me Fall - James Morris 2017-05-06

A young adult adventure and drama novel that takes place in the jungle.

Cum For Bigfoot - Virginia Wade 2012-07-26

On a weeklong outing in Mt. Hood National Forest, what begins as a flirty, fun-filled trip soon turns into a nightmare, when an ape-like creature kidnaps a group of teen girls with the purpose of procreating with them. Thus begins the erotic adventure of a lifetime, and an inconceivable love story between a young woman and her horny Sasquatch. "Right mix of horror and erotica" - Scarlett Jones. "If you like a skillfully developed group of characters, a descriptive setting, and a plot that actually has you rooting for the characters, you'll like this read." - Natalia Darque, author of *Breeding Mom and Daughter* and *Breeding the Millionaire* "...the abduction of the three girls by an old woman and her "son" leonard the bigfoot is treated like hostel; where the porn world meets the horror world. and it's not at all bad." - Karen Woodside, NY "I'm completely hooked on this series." - Katie Cramer, author of *What Money Can Buy* and *Loving The Alien* (Sci-Fi Tentacle Sex Erotica) (Quick and Dirty Reads)

Lilac - B B Reid 2020-12-06

I, Braxton Fawn, am the luckiest girl alive. Or so the world keeps telling me. Every so often, gods walk the earth. This time they came as musicians. When Bound loses its lead guitarist, yours truly is chosen to fill his shoes. From dive bars to the big stage, my instant claim to fame is nothing short of a fairytale. The only problem? My new bandmates. Jaded, gorgeous, and ridiculously talented--they're determined to turn my dream into a nightmare. It's no secret I wasn't their first choice. I wasn't even their last. The label wants a new image, Bound wants me gone, but I've got my own agenda. To succeed I have to survive a world tour, public scrutiny, and idols turned enemies. But the biggest threat of all isn't a meticulous frontman, a narcissistic bassist, and a drummer with too many secrets. It's me. Somehow, I must resist the temptation of Houston Morrow, Loren James, and Jericho Noble. It seemed easy enough when I boarded their tour bus, but it only took one city for the lines we'd drawn to blur. Only ninety-nine more to go. Lilac is a contemporary reverse harem and standalone suitable for 18+.

[Gangbang Bliss and Orgy Love](#) - Cassie Hacthaw 2020-06-15

Gangbangs! The intensity can just be amazing. The stories in this

collection are hot, and they all approach from the rear! They also approach from below, above, front and center! No hole is safe here! If you want to read about first anal sex experiences, this is it. Rough first anal sex, group anal sex... Backdoors are busted wide open in this collection. That's not enough, though. Penetration is best when it's double or triple! So go ahead and click, and you can enjoy the lovely ladies bent over for some real excitement. It's just a click away, and inside the book you'll even find instructions on how to get a free erotic audiobook. What are you waiting for? Call it a gang bang, a gangbang or just an incredible time! Click now! Warning: This ebook contains very explicit descriptions of sexual activity and includes first lesbian sex, first anal sex, rough sex, orgy sex, grangbang sex, reluctant sex, group sex, wife sex, domination, double penetration and more explicit content. Only mature adults who won't find that offensive and are legally able to view such content should read this ebook.

The Paramount Rule - Tanya Simmonds 2009

The Black Neighbor - Jenna Powers 2012-03-09

In a quiet suburb off the outskirts of Portland, a black man moves in. Cristina, a frustrated white wife of a man who's too busy trying to get promoted, greets the suburbs first black neighbor. She decides to show the warm, plush hospitality that the Mansion Estates are known for. But is Cristina taking on more than she can bite? Or for that matter, swallow?

Plays Well in Groups - Katherine Frank 2013-06-27

From tribal religious rituals to the Playboy mansion, and from ancient Rome to Burning Man, *Plays Well in Groups* explores the phenomenon of group sex. Author Katherine Frank draws on surveys, ethnographic research, participant interviews, and more to provide explanations for both, participation in group sex and our complex reactions to it, from fascination to fear. This book looks at group sex across cultures—who has it, and why. Group sex is almost always taboo and often criminalized, and yet it persists across cultures throughout history. *Plays Well in Groups* looks at the symbolism of orgies, as well as contemporary manifestations of group sex in bathhouses and public sex venues, at BDSM and swinging parties, on Craigslist, and in political scandals, Tantra classes, reality television, and more. Frank explores the many reasons people participate in group sex, from arousal to spiritual transcendence, in this bold study of subversive sexuality.

From Behind The Glitter Curtain - Carolyn Toney 2021-02-04

From Behind The Glitter Curtain: An Erotic Memoir, breaks the boundaries. Think HBO's *Sex and the City* meets HBO's *Insecure*. *FBTGC* is sexy, funny, and real. Carolyn Toney straps you in and takes you on a

roller-coaster journey of sexuality and self-love. At times you'll feel like you're reading an erotic novel, and just when you're at your peak, she swiftly transports you to a comedy show. She beautifully weaves in stories of heartbreak, bad sex, self-harm, therapy, and racism to remind you that you're reading stories that someone actually lived. From losing her virginity to coming to grips with her sexuality to the headaches of online dating, ghosting culture, and unrequested dick pics, she discusses it all. Not shying away from uncomfortable topics, she addresses sex education and sex-positivity from a human perspective, with no judgments, just facts. She refers to herpes as glitter, a whimsical reference for herpes (because it lasts forever). It's discussed so openly and candidly, it will make you question, Why is there a stigma in the first place? From STD/Is to feminine issues to self-pleasure, she steps from behind the glitter curtain to let you know you're not the only one, and it's going to be OK. This book is honest, vulnerable, and unapologetically human.

Getting Off - Erica Garza 2018-01-09

"Erica Garza has written a riveting, can't-look-away memoir of a life lived hardcore...In an era when predatory male sexual behavior has finally become a topic of urgent national discourse...*Getting Off* makes for a wild, timely read" (Elle). A fixation on porn and orgasm, strings of failed relationships and serial hook-ups with strangers, inevitable blackouts to blunt the shame—these are not things we often hear women share publicly, and not with the candor, eloquence, and introspection Erica Garza brings to *Getting Off*. What sets this courageous and riveting account apart from your typical misery memoir is the absence of any precipitating trauma beyond the garden variety of hurt we've all had to endure in simply becoming a person—reckoning with family, learning to be social, integrating what it means to be sexual. Whatever tenor of violence or abuse Erica's life took on through her behavior was of her own making, fueled by fear, guilt, self-loathing, self-pity, loneliness, and the hopelessness those feelings brought on as she runs from one side of the world to the other in an effort to break her habits—from East Los Angeles to Hawaii and Southeast Asia, through the brothels of Bangkok and the yoga studios of Bali to disappointing stabs at therapy and twelve-steps back home. In these remarkable pages, Garza draws an evocative, studied portrait of the anxiety that fuels her obsessions, as well as the exhilaration and hope she begins to feel when she suspects she might be free of them. *Getting Off* offers a brave and necessary voice to our evolving conversations about addiction and the impact that internet culture has had on us all—"a profoundly genuine, gripping story that any reader can appreciate" (Vice). "In reading Garza's insight into her own experiences, we better understand ourselves" (The New York Times Book Review).
