Baby Girl: Better Known as Aaliyah Kathy Iandoli 2022-08-23 "By twenty-two years old, Aaliyah had already accomplished a staggering amount: hit records, acclaimed acting roles, and fame that was just about to cross over into superstardom. Like her song, she was already "more than a woman" but her shocking death in a plane crash prevented her from fully growing into one. Now, two decades later, the full story of Aaliyah's life and cultural impact is finally and lovingly revealed. Baby Girl features never-before-told stories, including studio anecdotes, personal tales, and eyewitness accounts on the events leading up to her untimely passing. Her enduring influence on today's artists--such as Rihanna, Drake, Normani, and many more--is also celebrated, providing Aaliyah's discography a cultural critique that is long overdue. Feminist Baby Loryn Brantz 2017-04-11 Feminist Baby likes pink and blue. Sometimes she'll throw up on you! Feminist Baby chooses what to wear and if you don't like it she doesn't care! Meet the irrepressible Feminist Baby in this refreshing, clever board book about a girl who's not afraid to do her own thing, and wants to make as much noise as possible along the way! Praise for Feminist Baby "Feminist Baby is unexpectedly charming and warm. Pictures, here, really are worth a thousand words as Loryn Brantz does the important work of making feminism accessible with a keen understanding of what kids need to know about feminism in their young lives. Even as an adult, I found myself utterly delighted from one page to the next. Feminist Baby is not just for babies. It's for all of us. (But mostly, it's for babies.)" -Roxane Gay, New York Times best-selling author of *Bad Feminist* "Not that you should have a baby for the sole purposes of reading a book to him or her, but if I were to do that it would be because of Feminist Baby. It's cute, inspiring, and a reminder that before society places boundaries on what girls are supposed to do and be like, girls can be anything, including empowered." -Phoebe Robinson, New York Times best-selling author of *You Can't Touch My Hair* "Feminist Baby is for girls, boys, moms and dads. If you want your little person to grow up to be a full and equal person, Feminist Baby is for you." -Rose McGowan, Activist/Director/Artist "Forget sugar & spice-fun & fierce, that's what Feminist Baby is made of!" -Debbie Levy, award-winning author of *I Dissent: Ruth Bader Ginsburg Makes Her Mark* "FINALLY! Feminism for the board-book set! Feminist Baby is cute, funny, right-on, and kind of almost makes me want to have another baby just so she can grow up reading it. That's not gonna happen, though, so I'll settle for getting for every mama-to-be and new baby I know." -Kate Schatz, author of the New York Times bestsellers *Rad American Women A-Z* and *Rad Women Worldwide* "Feminist Baby makes me want to get pregnant again immediately just so I have one more kid to share this wonderful book with. No child's bookshelf is complete without it." -Jessica Valenti, Guardian columnist & New York Times best-selling feminist author "With a palette as brash as her heroine, Brantz pictures this boundary-free little one as a big-eyed, roly-poly dumpling, usually not wearing any more than a diaper and a hair bow. It's just the thing to encourage kids to be loud, proud, and uncowed." -Publishers Weekly "The strong girl power message makes feminism and following your dreams accessible to toddlers. . . . A laugh-out-loud, smart, and much-needed addition to board book collections." -School Library Journal

Baby Girl Lenora Adams 2008-06-17 All I can say is that I never thought it would come to this. I never thought I would run away. For some reason I thought you, of all people, would see and know. Sheree has always been a tough girl, able to take care of herself. Then she finds herself in a situation where she can't. She needs help. She needs answers. But she can't get either from the people she she turns to -- her parents, her friends, and especially, her boyfriend, who calls her Baby Girl and treats her like she's disposable. So who can Sheree turn to? Maybe the answer lies deep within herself, and it's truly time for her to grow up. In a voice that rings strong and true, debut novelist Lenora Adams tells a story that is rich, complex, and achingly real.

Prudent Advice Jaime Morrison Curtis 2010-10-12 Prudent Advice isn't what your mother taught you--it's more. Delivering 500 mini-lessons meant to educate and entertain, Curtis writes with wit and fresh insight into motherhood wrought from her own experiences and those of her blog followers. Time-honored canons such as "Dress appropriately for work" and "You reap what you sow" mingle with more unconventional prudence such as "Talk to strangers" and "Don't be afraid to get lost." She teaches how to jump-start a battery and make summer squash with goat cheese pasta--everything a mother wants for her little girl. Curtis emphasizes the importance of being ethical, practicing kindness, thinking for oneself, and seeing the beauty in everything and everyone, especially on the inside. This compelling guide also offers poetry, inspirational quotes, and recipes meant to embellish cultural perspective and cultivate a well-rounded, sophisticated woman. Prudent Advice will inspire mothers and daughters to celebrate their differences while unearthing shared core values that bond them together as family.

Potty Training for Girls Naomi Pierce 2020-11-19 If you want to potty train your girl without stress and hitches, then keep reading... Do you wish that your little girl would be potty trained efficiently and quickly, but you don't have any idea how to begin? Are you scared that everything could go wrong? Maybe you are one of those parents who have started potty training your little girl, but it all went up in smoke, so you badly need some answers. Many argue that only one method works, but we know that it does not and that every child is different and with his own character. This requires a different approach for each child, but another key factor

is definitely timing! With the Potty you can resolve a lot of problems, such as saving money from not buying diapers, eliminating the inconveniences when away from home and the various problems that you may have in kindergarten. It also serves as a precaution for various health problems, such as diaper rash. Potty training strategies are numerous and it is important to choose the right one for your child, with the correct timing to not go wrong from the beginning. This book is intended to give you practical and detailed instructions on how to potty train your child in just 3 days, thanks to many years of direct experience. This may seem difficult, but I will make it easier for you and guide you step by step to success, as I did with hundreds of parents. The Adoption Joseph John Rizzuto 2012-11-09 The Adoption, is the story of a new born girl baby born in rural China. Because of her gender, and for no other reason, with the umbilical cord still attached, she is thrown down a well, "the well of lost children" by her father, the insane son of the last emperor, but she survives. This story explores the social consequences of the Chinese one child policy established in 1979. Since then it has been estimated that more than 15,000,000 new born girl babies have disappeared, most through infanticide and even some through cannibalism. China has the world's highest rate of suicides among women of child bearing age. The pressure to produce that first born male is enormous. When it doesn't happen the woman gets the blame. "A son takes care of his parents, but a daughter takes care of her husband's parents." The baby is immediately rescued by a corrupt police chief associated with a crime syndicate involved in human trafficking, and eventually is placed in their orphanage and prepared for adoption. The baby has a secret that makes her a very valuable commodity in the adoption market. She is the granddaughter of the last emperor of China, Pu Yi of the Ching Dynasty. There are wealthy people throughout the world who would pay enormous amounts for a child of that status. The crime syndicate negotiates the sale of the child to a rich Russian oligarch who accumulated her wealth in construction, and thinks she can penetrate the booming Chinese construction economy with a Chinese child of royal status. She believes being the mother of the heir to the Ching Dynasty would afford her much influence. There is a mistake at the orphanage and the baby is given up for adoption to an American couple, who had no knowledge of the baby's royal status. When the mistake is discovered the crime syndicate attempts to buy her back. When the American couple refuses the crime syndicate kidnaps her. The crime syndicate didn't know that the American father who claimed on the adoption application to be a building contractor, was instead a paramilitary operative for the CIA who has a reputation as a "problem solver, using whatever means it takes to get the job done." He tracks his adopted daughter to Shanghai and then to Ulaanbaatar, Mongolia, eliminating a few members of the crime syndicate along the way, and recovers his adopted daughter. In the epilogue the child as an adult reflects on her past and visits the village of her birth, including the cemetery, and forgives her father while standing over his grave.

The Girl with a Baby Sylvia Olsen 2003-12-01 Jane has always been the good Williams. Her brothers might be highschool dropouts and rowdy late-night partiers, but not Jane. Jane never drinks, smokes dope or misses a single day of school. She's in the drama club, gets top marks, and is one of the popular kids. Or she used to be. Now she's one of those: the teenage mothers packing diaper bags, wheeling strollers into the highschool daycare. Jane is only fourteen, and she can feel the stares in the school hallway. She can hear the whispers on her whitebread street, too: Too bad. Gone the way of her brothers. Guess those Indians are all the same. Jane isn't what she used to be--but then, maybe she's more. When the baby was born, Jane's grandmother told her she came from a long line of strong mothers, and Jane is discovering it's true. Because of baby Destiny, Jane dares to demand the best, not just of herself, but of her whole family. This Jane accepts the consequences of her decisions, good and bad, and pushes through prejudices the former Jane just tiptoed around. This Jane is a strong link in something bigger than herself. She's a girl with a baby, two feet on the ground, one hand in the warm grasp of her Indian past, and the other holding firmly to the future.

The Modern Girl's Guide to Motherhood Jane Buckingham 2009-10-13 From the author of the bestselling *The Modern Girl's Guide to Life* comes a must-have book for the young mom, including best-kept secrets, practical advice, and multiple solutions for problems from birth to age four Just when you thought you could cook (hey, one meal counts), clean (if the queen was coming), and seduce a man (well, long enough to get married), life throws you a curveball that makes all of your previous ineptitudes in life pale in comparison. With the appearance of one little extra line on a pregnancy test, you're thrown into a world of covering up leaks on shirts and taking a pacifier away from a two-year-old who has the grip of a pit bull. In this funny, smart, and honest book, Jane Buckingham cuts through the clutter to give you simple information and practical advice

for navigating the different stages of motherhood. From how to get your child to sleep and how to wean, to how to get him off the pacifier and how to stop his tantrums, this book will help moms feel in the know and in control! Some of Buckingham's favorite tips: If your baby has a hard time feeding because of a stuffy nose, turn on the shower to steam up the bathroom and feed her there. Put your children's paints in an empty egg carton -- it's the perfect size, and there's no mess to clean up when you're done. Use an old raincoat with the arms cut off as a smock. You should buy a new car seat, rather than borrowing a friend's old car seat, as there are constant safety upgrades. Also, be sure you are the person registered to that car seat (send in that registration card!) so that you'll be notified in case of a recall. Keep the three-day rule in mind: Almost any bad habit can be broken in three days. Granted, they may be tough, torturous days, but you can do it! The Modern Girl's Guide to Motherhood helps modern moms do it all with love, style, and flair!

Baby Names: A Complete Name Book With Thousands of Boys and Girls Names - Including the Means and Origins Behind Them Daniel Rott 2019-08-18 Are you expecting a new baby soon? Have you decided on a name for him or her? Or are you stuck between what you want or what family tradition dictates? Choosing a name for a baby is one of the most important jobs for new parents. Get it right and it can shape a life. Get it disastrously wrong, as some have in the past, and your child could be the subject of ridicule for their entire life. In this book, Baby Names, you will find not just the usual list of popular choices, but also: The meanings of names and their origins Trending names Inspiring names from Hindu Traditional names that maintain popularity Biblical names and their meanings Names based on locations And much more? It is not too trite to say that by choosing a name that is right for your child you thereby provide the pathway to their future. The name you pick will be the one, with some exceptions, that they will have for the rest of their lives... Choose wisely and let Baby Names guide you in making the right choice!

Game Day Baby Frankie Love I had it all planned out. I'd find a girl, marry her, get the white picket fence and make a family. But then a baby is dropped off at my doorstep. My baby. Turns out I'm more than an NFL quarterback -- I'm a father. And my daughter's mother is missing. Or she ran away. No one knows, not even her sister Aria Ryan. Aria carries a gentle grace that doesn't match her story. She has every reason to run -- her sister has made her life a living hell. But Aria is different. And I want her to stay. A baby changes everything and this game I'm playing isn't won on the field. It's dirty, it's dangerous, and I'm in it to win it. Game Change Baby features Tatum Madden, from the Princeton Charming books! This time he isn't letting the girl of his dreams get away. He's fighting for more than touch down -- he's fighting for his daughter's life.

The Girl No One Wanted Maggie Hartley 2017-12-21 Eleven-year-old Leanne is out of control. Since being taken into care at the age of three, she has had over forty placements, each carer less able to cope with her anger and destruction than the last. Late one night, foster carer Maggie Hartley receives a terrified call from Leanne's current placement, who has barricaded herself in her bathroom to protect herself from Leanne's rage. With the police on standby, Maggie manages to diffuse the situation but Leanne is left without a home once more. Maggie is Leanne's only hope. But this is her last chance. If this placement fails, she will have to be put in a secure unit. Then Leanne threatens Maggie with a knife and makes accusations against her that have to be investigated by Maggie's superiors. Where most others would simply walk away, Maggie refuses to give up on the little girl who's never known love. Can Maggie get through to Leanne and begin to help her heal? Will the girl no one wanted find her forever home?

Boy Or Girl? You Decide! Nkiru Ojima 2017-10-19 How to make a baby boy or a baby girl, depending on your need. I wrote this book because I wanted to make it help millions of women (especially in Africa and Asia) escape the stigma of not having the desired baby choice. In some countries, the quest for a baby boy make many families commit abortions on the news that the baby in the womb is female. You will also learn to make a baby girl, if you have all boys. Master the several essential tips of making the baby you desire, which includes, diet, habits and several more. This book is an essential part of family planning.

Worth the Wait Positively Fabulous You 2019-10-13 If you're looking for the perfect place to record the fascinating, awe inspiring, precious moments of your pregnancy, this journal is it! Pregnancy is a wonderful time of life, filled with many insights, hopes, joys, fears, sentimental moments and memories that should last a lifetime, but it's easy for those precious memories to get cloudy over time, and many cherished moments get forgotten once your little bundle of joy arrives. Using a pregnancy journal can help you capture and hold onto all of those meaningful moments. Whether you're a first time mom or a mom adding another jewel to her tiara, this beautifully designed and adorable guided journal is something you and your child will cherish forever. Exploring the Biological Contributions to Human Health Institute of Medicine 2001-07-02 It's obvious why only men develop prostate cancer and why only women get ovarian cancer. But it is not obvious why women are more likely to recover language ability after a stroke than men or why women are more apt to develop autoimmune diseases such as lupus. Sex differences in health throughout the lifespan have been documented.

Exploring the Biological Contributions to Human Health begins to snap the pieces of the puzzle into place so that this knowledge can be used to improve health for both sexes. From behavior and cognition to metabolism and response to chemicals and infectious organisms, this book explores the health impact of sex (being male or female, according to reproductive organs and chromosomes) and gender (one's sense of self as male or female in society). *Exploring the Biological Contributions to Human Health* discusses basic biochemical differences in the cells of males and females and health variability between the sexes from conception throughout life. The book identifies key research needs and opportunities and addresses barriers to research. *Exploring the Biological Contributions to Human Health* will be important to health policy makers, basic, applied, and clinical researchers, educators, providers, and journalists-while being very accessible to interested lay readers.

Baby! Baby? Baby!? Holly Kerr 2012-08 Thirty-five-year old kindergarten teacher Casey Samms has always dreamed about having her own baby. With her copy of *A Young Woman's Guide to the Joy of Impending Motherhood* on her bedside table, Casey has been steadily wading through the pool of eligible bachelors for years-with absolutely no luck. Now as she bids farewell to a cheating boyfriend and to dating in general, Casey just needs to figure out how to get pregnant without having a man in her life. Casey immediately discounts her male friends as potential fathers and decides to pursue having a baby the artificial way, even though her sister and friends do their best to try to talk her out of it. But Casey is determined to see her dream come to fruition and begins looking at every male as a potential donor. Just when she is beginning to give the word desperate an entirely new meaning, an old ex-boyfriend, David Mason, saunters back into her life. All Casey has to do now is try to convince him that he is the one who can help her become a mother. As Casey prepares to realize her lifelong dream, she is about to get the surprise of her life-a surprise that changes everything.

It's A Girl Rick Kirkman 2010-02-16 Young Hammie has it all until the day his parents bring home a baby sister. In an instant, Hammie goes from the revered position of "baby of the family" to, ugh, middle child. It's not a smooth transition to big brotherhood for Hammie, but it's definitely a humorous and heartwarming story.
