

Getting A Girl Pregnant Then Leaving

The Doctor's Pregnancy Bombshell - Janice Lynn 2007

"Dr, Melissa Conner steeled herself to tell her partner her news: James, the man who'd always insisted he never wanted kids, was going to be a daddy! Only A & E consultant James Stanley dropped his own bombshell first - unhappy with the way work had overtaken their relationship, he was leaving! And then he discovered Melissa's pregnancy. A baby would re-open long-painful scars from his past. But he still loved Melissa, and after the ultrasound scan he was surprised to find he loved his unborn baby, too. Could this tiny scrap of life bring these two complex souls back together again? Yes, he hoped so."--P [4] cover.

Leaving the World - Douglas Kennedy 2010-06-15

#1 International Bestseller "In this surging epic, a veritable decathlon of the spirit, Kennedy incisively dramatizes the enigma of chance, petty cruelty, and catastrophic evil, 'unalloyed grief,' and the tensile strength concealed beneath our obvious vulnerability." —Booklist (starred review) On the night of her thirteenth birthday, Jane Howard made a vow to her warring parents: she would never get married, and she would never have children. But life, as Jane comes to discover, is a profoundly random business. Many years and many lives later, she is a professor in Boston, in love with a brilliant, erratic man named Theo. And then Jane becomes pregnant. Motherhood turns out to be a great welcome surprise—but when a devastating turn of events tears her existence apart she has no choice but to flee all she knows and leave the world. Just when she has renounced life itself, the disappearance of a young girl pulls her back from the edge and into an obsessive search for some sort of personal redemption. Convinced that she knows more about the case than the police do, she is forced to make a decision—stay hidden or bring to light a shattering truth. *Leaving the World* is a riveting portrait of a brilliant woman that reflects the way we live now, of the many routes we follow in the course of a single life, and of the arbitrary nature of destiny. A critically acclaimed international bestseller, it is also a compulsive read and one that speaks volumes about the dilemmas we face in trying to navigate our way through all that fate throws in our path.

I'm Pregnant, Not Terminally Ill, You Idiot! - Lalita Iyer 2013

A friendly and laugh out loud funny book on the before, during and after of pregnancy. This book is about the good, bad and downright ugly of being pregnant and being a mother. It is about the journey of the author from the time she conceives to motherhood and to everything between and after. What's so different about this book? Unlike usual pregnancy books, *I'm Pregnant, Not Terminally Ill, You Idiot!* does not talk about how the foetus grows, how to have an easy delivery, how to breastfeed, etc. It has fantastic illustrations and is about the real stuff like: How the typical Indian family, friends and colleagues react when they come to know that a woman is pregnant. How a pregnant woman is given an overdose of advice by every relative and friend in the world, and how and why colleagues and friends without children react and feel. What exactly a pregnant woman goes through, which includes gassiness, incontinence, morning sickness, sexual desires, mood swings and much more. The hard truth and politics behind normal and Caesarean deliveries, and breastfeeding. Treatment at work after mothers return from their maternity leave. Hilarious accounts of how men try to (or don't try to) take care of babies and how to find a good baby maid. What a mother goes through physically and emotionally after the baby arrives. Includes real-life stories of many other pregnant women and new mothers. The writing is frank and loaded with humour. This book is those who want to what it's really like to have a baby.

The Impact of Teenage Pregnancy on School Dropout among

Secondary School Girls in Embu Municipality - Winnie Osulah 2012-11-28

Diploma Thesis from the year 2007 in the subject Sociology - Children and Youth, , course: Diploma in Social Work, language: English, abstract: Although considerable attention has been paid to the prevalence of adolescence childbearing in Kenya today, few studies have focused on the educational consequences of the schoolgirl pregnancy. Using data collected in selected schools in Embu Municipality, this study examines the factors associated with schoolgirl pregnancy as well as the likelihood of school dropout and subsequent re-enrollment of schoolgirls who become pregnant. The analysis is derived from the data collected from secondary schoolgirls, education officials and teachers on factors that predispose girls to pregnancy, the extent to which teenage pregnancy contributes to school dropout and the eventual levels of re-admission. The data analysis shows that girls in secondary schools are actually already sexually active though they lack the relevant information to help them make the right choices as far as their sexuality is concerned. The little information that they have is not conclusive and it is evident that they yearn for information which would be useful for them. Policy on re-admission has been formulated but the extent to which it is applied is still a questionable issue. A lot of gaps also exist in record keeping of the girls who become pregnant while in school and what becomes of them when they dropout. Such records would be vital in determining for sure if these girls become pregnant before dropping out of school or otherwise and subsequently tracking them down for re-admission purposes. A question is then raised on what other factors would be causing these girls to drop out of school other than just the pregnancy. However, poverty, cultural practices and peer pressure are among the factors assumed to be predisposing girls to pregnancy from the findings of this study, while these factors in themselves would also cause dropouts. Given the increasing levels of female school participation in Kenya today through the affirmative action motion targeting the girl child, the findings of this study suggest that future studies will benefit from exploring the causal relationships between the factors mentioned above, adolescent reproductive health behavior and subsequent school attendance.

Pregnant by the Alien Healer - Mina Carter 2017

She's pregnant without nookie. Someone slap her ass and call her Mary & hellip;A 'guest' of the Lathar, Jess has become used to being at court, especially as it allows her to be close to a certain tall, handsome healer. But Laarn might as well not know she exists, far more interested in his tests and her genetic code than her as a woman & hellip; maybe. A hot encounter after a combat trial prove that Laarn HAS noticed her, more than noticed her. But before they can act on the attraction between them, Laarn is called away to the battlefield leaving Jess all alone at court. Not wanting to both any of the other healers when she feels unwell, Jess gets treatment from the automated systems in Laarn's lab, only to get worse days later. She's pregnant, without a sniff of between the sheets action and worse, there's a bunch of fanatics loose in the palace trying to kill her and her baby & hellip;He aches to claim her, but saving his people must come first. To do that, he can't waste time with a female & hellip;Lord Healer for the Lathar, Laarn must find a way to save his people from the plague that claimed all their women a generation ago. Now it speeding up and if he doesn't do something, the Lathar will be gone in a generation. Salvation arrives in the form of humanity, descendants of a lost Lathar colony, who might just hold the key to reversing the damage to the Lathar genetic code. His scars mark his rank, but will they also lose him the woman he loves?Laarn never thought anything of his scars before. In his culture they mark his rank as the best healer in the empire, but he starts to cover them when Jessica, the delicate little human female who holds his interest, won't look at them. He wants her, but his duty lies elsewhere until everything changes & hellip;Between a pregnancy, mating marks and a fanatic out to kill the woman he loves, can Laarn remain detached enough to do his duty & hellip; or will he give into emotion and save his heart?

Whoogles - Kendell Almerico 2010-10-18

"If I use a tampon, am I still a virgin?" "How drunk am I?" "Can I catch herpes from my cat?" "Is it bad to make yourself throw up?" There's strange and then there's Google strange. People turn to Google to ask

the questions they don't dare ask anyone else. This collection of unbelievable Google searches reveals the bizarre, ill-informed, and sometimes sick nature of everyday people. Whether it's researching how to manually force poop out of their body or wondering if jail is really that bad, this book proves that the truth really is stranger than fiction.

That discovery could change your life.

Hired Girlfriend, Pregnant Fiancée? - Nina Milne 2019-04-01

A surprising proposition! A binding consequence? When a bachelorette party challenge means she must kiss a stranger, Gabby Johnson never expects to find herself lip to lip with Zander Grosvenor—her former teenage crush! Soon self-made millionaire Zander is proposing a fake relationship to fend off his well-meaning yet interfering family. But when a romantic trip to Portugal ignites the spark between them, Gabby and Zander must face the unexpected consequences—her pregnancy! “Most of us aren't royalty but with this series Ms. Milne has really given insight to the reality and it's not all high tea and tiaras. This is a lovely book, with characters who have real issues but learn that love can conquer your past and help you forge your future.” — Harlequin Junkie on *Conveniently Wed to the Prince* “Ms. Milne has done an amazing job bringing these characters to life and giving them a living and breathing background. There are so many things I could say about this but I will leave it with this is the best life giving, heart breaking, people building novel I have read in all of 2018 thus far.” — Harlequin Junkie on *Marooned with the Millionaire*

The Kid - Dan Savage 2000-06-01

Dan Savage's nationally syndicated sex advice column, "Savage Love," enrages and excites more than four million people each week. In *The Kid*, Savage tells a no-holds-barred, high-energy story of an ordinary American couple who wants to have a baby. Except that in this case the couple happens to be Dan and his boyfriend. That fact, in the face of a society enormously uneasy with gay adoption, makes for an edgy, entertaining, and illuminating read. When Dan and his boyfriend are finally presented with an infant badly in need of parenting, they find themselves caught up in a drama that extends well beyond the confines of their immediate world. A story about confronting homophobia, falling in love, getting older, and getting a little bit smarter, *The Kid* is a book about the very human desire to have a family.

Loving Glory - Joleen James 2013-10

The citizens of Fortune, WA are shocked when former town bad boy Jace Stone buys the small town. Everyone wonders how Jace can come back, especially after getting Fortune's golden girl Glory Moon pregnant, then leaving her alone to raise their autistic son. No one is more shocked than Jace when he discovers that Glory kept the baby she'd promised to give up for adoption ten years ago. Seriously in debt, Glory and her son are one step away from food stamps and welfare. When Jace suggests a business arrangement—marry him and he'll pay off her debts and get their son the finest medical care and private school money can buy, Glory has no choice but to accept his proposal. But Jace's proposal comes with a price, and love is never simple—especially when the heart is involved.

His Little Pregnant Mate: Book 4 - Pakhi Das 2021-06-01

(COMPLETED) :- David Grimwald is a 21 old alpha of Blue Hounds Pack. Even though he is 21, he didn't found his destined mate yet and waiting for her patiently. Until one day, he finds a rogue girl in the middle of the forest, near the border of his territory. He immediately realizes that this petite little girl is his mate. But what was she doing there? What is she running away from? Mila is a little 18 year old orphan and wolfless slave of Beaufort Wolves Pack. She escaped from her pack to avoid the threat on her life. But she is not alone. She is carrying a baby in her womb along. What is the secret behind this baby? Why is she running away from her pack in such a condition? Who is the father of her child? Will David accept her as his mate? Will he accept the baby growing inside her? Or will they both end up rejected and alone? Read the full story to know more.. ----- “Oh baby! You have no idea how badly I want to take you up in my room and devour your beautiful body?” My hands stopped wiping the floor and my head instantly snapped up to my mate, whose face is now buried in that girl's neck. Their bodies were

too close to my comfort. What did he just say? Did he just offer her to have s*x? Can't he see me standing here? Am I that invisible to him that he is offering another girl to sleep with him right in front of me? I felt a part of my heart breaking at his words. I know I insisted him to not get physical with me until we make our relationship official, but it doesn't mean he is allowed to do that with someone else. I am still his mate no matter what position our relationship is in. I can see their actions moving towards the direction of the bedroom and I have to stop them before they cross their limits. But how? Suddenly, an idea came into my head. I know this is going to earn me some harsh punishment, but at least I will keep my mate out of that girl's body this way. With this thought, I picked up the bucket filled with dirty water and pretended to slip right in front of them, pouring all the water right on top of that girl's head. “What the f*ck? You bi*ch. What did you do? Ewe.. This is no nasty. I have to take a shower right now. I'm leaving. But I will see you later for this.” My plan was a success. She ran out of there as fast as she can to clean herself and there was finally a satisfied smile on my face in joy. “Mila? Why did you do that? I know you did that on purpose.” My smile vanished when I hear Ralph's angry voice for me. “I have something important to discuss with you. Please meet me at the garden tonight. I will be waiting.” Saying this, I started cleaning the excess water of the floor by myself. I wanted to talk to him right now, but we can't afford to get caught. So I offered him to meet me later. He didn't say anything further and went to his room angrily. Oh goddess. Why did I get such a mate who doesn't understand me?

Pregnant Then Screwed - Joeli Brearley 2021-03-04

Modern-day motherhood is hard and discrimination against women who are, have been or could be pregnant is on the rise. *Pregnant Then Screwed* tells us what the barriers to motherhood and work are, and how we can work together to overcome them.

The Marriage Bed - Constance Beresford-Howe 2012-06-19

Meet Anne Graham, mother of two young children, young, attractive, heavily pregnant — and alone. Things have not worked out at all the way Anne intended. Her promising academic career was cut short by an unexpected pregnancy and an early marriage. Her stable home life crumbled with her husband's announcement that he was leaving her to move into a commune with his secretary. Now she is a housebound single mother, whose intellectual life has shrunk to stolen moments of bedtime reading. The solution to her problem is clear to her friends and neighbours. She must find someone to mind the children and then go back to school or get a job. It's obvious. Or is it? Once again, Constance Beresford-Howe has approached a common theme from an uncommon point of view, with her own blend of perceptiveness and dry humour.

7 Simple Habits of Extraordinary Salespeople - Michael Hannon 2015-08-28

An often-quoted statistic is, "5% of salespeople earn 90% of the commission generated in residential real estate sales". The same statistic holds for true in many industries. The obvious question is, "Why do a select number of salespeople earn extraordinary incomes, while others with the same apparent ambition do not?" Extraordinary salespeople develop a business plan that reaches for an extraordinary reputation that provides a powerful stream of enthusiastic referrals and repeat business. The result is a marketing advantage that cannot be matched by any other method. The common elements driving these extraordinary salespeople are 7 Simple "Take the High Road" Habits

Theorising and Representing Maternal Realities - Julie Kelso 2009-05-05
Maternal research is a rapidly expanding, multi-disciplinary form of scholarship. Prior to second wave feminism most motherhood literature was written from a male perspective. This literature focused on telling mothers how to practice mothering without acknowledging the expertise of the mothers themselves. Research on motherhood as it is experienced in all its facets by mothers has only emerged in recent decades. This book is aimed at expanding academic knowledge of motherhood, from a feminist perspective, looking particularly at how maternal subjectivities can be represented and theorised. When mothers themselves (academic or not) are responsible for theorisation and representation of maternal 'realities', dominant theories and representations of motherhood are

radically challenged. In *Theorising and Representing Maternal Realities* the contributors argue that it is no longer acceptable to regard mothers as mere objects of knowledge and research. They are primarily the subjects of knowledge and research.

Imperfectly Matched - Laurie Therese Bordeaux 2011-10-01

Fighting Women - Victoria Katherine Burbank 2018-07-10

Fighting is common among contemporary Aboriginal women in Mangrove, Australia. Women fight with men and with other women—often with “the other woman.” Victoria Burbank’s depiction of these women offers a powerful new perspective that can be applied to

domestic violence in Western settings. Noting that Aboriginal women not only talk without shame about their angry emotions but also express them in acts of aggression and defense, Burbank emphasizes the positive social and cultural implications of women’s refusal to be victims. She explores questions of hierarchy and the expression of emotions, as well as women’s roles in domestic violence. Human aggression can be experienced and expressed in different ways, she says, and is not necessarily always “wrong.” *Fighting Women* is relevant to discussions of aggression and gender relations in addition to debates on the victimization of women and children everywhere. This title is part of UC Press's *Voices Revived* program, which commemorates University of California Press’s mission to seek out and cultivate the brightest minds and give them voice, reach, and impact. Drawing on a backlist dating to 1893, *Voices Revived* makes high-quality, peer-reviewed scholarship accessible once again using print-on-demand technology. This title was originally published in 1994.
