Come, Let Me Love You Constance Kent 2022-02-14 Daniel Razor is that guy. Hot, rich, and written about in every major magazine. A tech boom billionaire who has one soft spot in his impenetrable armor--his agoraphobic brother, Joel. As of last month, I was a low level employee at Razor Industries until Daniel made me an offer that I couldn't refuse. I'm 22, I have no money and an expensive passion that I'm trying to turn into a career--the classical violin. I would do anything to keep playing. The deal I struck was like winning the lottery. For one year, I would be Joel's companion in his attic apartment in their Nob Hill mansion and Daniel would pay me one hundred thousand dollars. Joel was sexy, young and interesting. What could go wrong? Quite a few things as it turns out ... problems I didn't see coming. The dark secret the Razor brothers share that they've now shared with me being one of them. The other being falling in love with the wrong brother ... because Daniel Razor is that guy. The guy a girl never gets over. --- Set in fog-shrouded San Francisco, *Come, Let Me Love You* is a standalone modern gothic romance with a seriously steamy twist.

Let Me Love You Kelsie Rae Sometimes I wonder what my hockey career is worth. Blood, sweat, and tears, sure. But losing Ash? I can't. I shouldn't ask this of her. To ignore the rumors. To let go of the scandal. To accept the spotlight. To give up her dreams so I can chase mine. Balancing it all, though? Well, that's a different sort of torture. I have no idea how long I can hold on without my past catching up to us. And when it does? Shake Down

The Greatest Love Poems of All Time Cook & Brothers 2015-01-09 This book is very humorous, and it gets straight to the point. It could leave you with tears falling from your eyes or make you very angry. My mama was my heart and my soul. She taught me everything I know. I am the man I am because of her. She was my backbone. She was there for me through hard times and good times. What can I say? Words do not explain the things I feel about my mama. She stood by my side when no one else would. She was truly, truly a mother.

The Guests Of Hercules C. N. Williamson 2022-09-15 The Guests of Hercules is a melodramatic page-turner about the young Greek hero. Hercules is the Roman equivalent of the Greek divine hero Heracles, son of Jupiter and the mortal Alcmena. In classical mythology, Hercules is famous for his strength and his numerous far-ranging adventures. Excerpt: "Long shadows of late afternoon lay straight and thin across the garden path; shadows of beech trees that ranged themselves in an undeviating line, like an inner wall Within the convent wall of brick; and the soaring trees were very old, as old perhaps as the convent itself, whose stone had the same soft tints of faded red and brown as the autumn leaves which sparsely jeweled the beeches' silver."

When Dreams Are Murdered Mark Cisper 2014-12 Just like every story there must be a beginning. The same is true with poetry. "When Dreams Are Murdered", in essence, is the Genesis of the works of poetry by Mark Cisper. This is to say, it is not the true beginning except for the first six poems; salvaged from other sources after the original 91 pieces he wrote in 1991/92 while still in high school were lost. The time span in which these pieces

were written is from 1991 to May 1993. This you will see is true for the author has included a Chronology at the end of the book; something he believes has never been done before in literature. This Chronology will demonstrate to you the exact date in which a piece was written; and at times will show several were written in a day as well as the gaps in time between pieces. One last note on the Chronology: you will see exactly when he began keeping track of dates. Let's begin the journey of the life and works of the Word Art of the Poet by the name of Mark Cisper.
