The Baffled Parent's Guide to Coaching Youth Softball - Jacque Joseph 2001-03-19

Hands on approach to coaching kids softball.

Book of Etiquette - Lillian Eichler 2013-01-01

The only serious competitor to Emily Post as etiquette maven to America between the wars, LILLIAN EICHLER WATSON (b. 1902) was a 19-year-old copywriter for the book publisher Doubleday when she was commissioned to rewrite the outdated Encyclopedia of Etiquette by Emily Holt. This is the guide to good manners she produced in 1921, mining her own experience as a social misfit and would-be social climber, and it was a huge hit with those aspiring to a grander station. Volume I covers: [why it pays to be agreeable [the secret of social success [engagements and weddings [how and when to make an introduction [the intricacies of the social call [calling cards for the young lady, the married couple, and others [correspondence and invitations [appropriate dress for children [addressing titled people [and much more.

A Taste of Power - Elaine Brown 2015-05-20

"A stunning picture of a black woman's coming of age in America. Put it on the shelf beside The Autobiography of Malcolm X." —Kirkus Reviews Elaine Brown assumed her role as the first and only female leader of the Black Panther Party with these words: "I have all the guns and all the money. I can withstand challenge from without and from within. Am I right, Comrade?" It was August 1974. From a small Oakland-based cell, the Panthers had grown to become a revolutionary national organization, mobilizing black communities and white supporters across the country—but relentlessly targeted by the police and the FBI, and increasingly riven by violence and strife within. How Brown came to a position of power over this paramilitary, male-dominated organization, and what she did with that power, is a riveting, unsparing account of self-discovery. Brown's story begins with growing up in an impoverished neighborhood in

Philadelphia and attending a predominantly white school, where she first sensed what it meant to be black, female, and poor in America. She describes her political awakening during the bohemian years of her adolescence, and her time as a foot soldier for the Panthers, who seemed to hold the promise of redemption. And she tells of her ascent into the upper echelons of Panther leadership: her tumultuous relationship with the charismatic Huey Newton, who would become her lover and her nemesis; her experience with the male power rituals that would sow the seeds of the party's demise; and the scars that she both suffered and inflicted in that era's paradigm-shifting clashes of sex and power. Stunning, lyrical, and acute, this is the indelible testimony of a black woman's battle to define herself. "A glowing achievement." —Los Angeles Times "Honest, funny, subjective, unsparing, and passionate. . . A Taste of Power weaves autobiography and political history into a story that fascinates and illuminates." —The Washington Post

Forthcoming Books - Rose Army 2003

Introduction to Academic Writing - Alice Oshima 2007

This book helps "students to master the standard organizational patterns of the paragraph and the basic concepts of essay writing. The text's time-proven approach integrates the study of rhetorical patterns and the writing process with extensive practice in sentence structure and mechanics." - product description.

Golf - Susan Comolli Davis 2001

This latest addition to the "Woman's Guide" series addresses the 24 million women who have been bitten by the golf bug. Avid golfer and writer Susan Comolli Davis covers the game from the inside out, from its allure as both a business and recreational pastime to the nuts-and-bolts of choosing the best instructional method, buying equipment, learning the way

around a golf course, and more. Illustrations. Photos.

Cycling and Cinema - Bruce Bennett

2019-04-30

A unique exploration of the history of the bicycle in cinema, from Hollywood blockbusters and slapstick comedies to documentaries, realist dramas, and experimental films. *Cycling and Cinema* explores the history of the bicycle in cinema from the late nineteenth century through to the present day. In this new book from Goldsmiths Press, Bruce Bennett examines a wide variety of films from around the world, ranging from Hollywood blockbusters and slapstick comedies to documentaries, realist dramas, and experimental films, to consider the complex, shifting cultural significance of the bicycle. The bicycle is an everyday technology, but in examining the ways in which bicycles are used in films, Bennett reveals the rich social and cultural importance of this apparently unremarkable machine. The cinematic bicycles discussed in this book have various functions. They are the source of absurd comedy in silent films, and the vehicles that allow their owners to work in sports films and social realist cinema. They are a means of independence and escape for children in melodramas and kids' films, and the tools that offer political agency and freedom to women, as depicted in films from around the world. In recounting the cinematic history of the bicycle, Bennett reminds us that this machine is not just a practical means of transport or a child's toy, but the vehicle for a wide range of meanings concerning individual identity, social class, nationhood and belonging, family, gender, and sexuality and pleasure. As this book shows, two hundred years on from its invention, the bicycle is a revolutionary technology that retains the power to transform the world.

New Books on Women and Feminism - 2001

Critical Theory Today - Lois Tyson 2012-09-10

Critical Theory Today is the essential introduction to contemporary critical theory. It provides clear, simple explanations and concrete examples of complex concepts, making a wide variety of commonly used critical theories accessible to novices without sacrificing any theoretical rigor or thoroughness. This new edition provides in-depth coverage of the most

common approaches to literary analysis today: feminism, psychoanalysis, Marxism, reader-response theory, new criticism, structuralism and semiotics, deconstruction, new historicism, cultural criticism, lesbian/gay/queer theory, African American criticism, and postcolonial criticism. The chapters provide an extended explanation of each theory, using examples from everyday life, popular culture, and literary texts; a list of specific questions critics who use that theory ask about literary texts; an interpretation of F. Scott Fitzgerald's *The Great Gatsby* through the lens of each theory; a list of questions for further practice to guide readers in applying each theory to different literary works; and a bibliography of primary and secondary works for further reading.

Scuba Diving - Claire Walter 2000

Claire Walter's nurturing guide inspires and instructs women on getting started in scuba diving. *Scuba Diving: A Woman's Guide* features women telling in their own words how they overcame fears, met challenges, and improved skills. Written by an experienced diver, this thorough guide also covers choosing the best instructor, gear, gear care, obtaining certification, and more.

[The British National Bibliography](#) - Arthur James Wells 2002

[The Origin of Consciousness in the Breakdown of the Bicameral Mind](#) - Julian Jaynes 2000-08-15

National Book Award Finalist: "This man's ideas may be the most influential, not to say controversial, of the second half of the twentieth century."—Columbus Dispatch At the heart of this classic, seminal book is Julian Jaynes's still-controversial thesis that human consciousness did not begin far back in animal evolution but instead is a learned process that came about only three thousand years ago and is still developing. The implications of this revolutionary scientific paradigm extend into virtually every aspect of our psychology, our history and culture, our religion—and indeed our future. "Don't be put off by the academic title of Julian Jaynes's *The Origin of Consciousness in the Breakdown of the Bicameral Mind*. Its prose is always lucid and often lyrical...he unfolds his case with the utmost intellectual rigor."—The New York Times "When Julian Jaynes . . .

speculates that until late in the twentieth millennium BC men had no consciousness but were automatically obeying the voices of the gods, we are astounded but compelled to follow this remarkable thesis."—John Updike, *The New Yorker* "He is as startling as Freud was in *The Interpretation of Dreams*, and Jaynes is equally as adept at forcing a new view of known human behavior."—*American Journal of Psychiatry*
The American Directory of Writer's Guidelines - Stephen Blake Mettee 2005-12

Perhaps the best-kept secret in the publishing industry is that many publishers--both periodical publishers and book publishers--make available writer's guidelines to assist would-be contributions. Written by the staff at each publishing house, these guidelines help writers target their submissions to the exact needs of the individual publisher. *The American Directory of Writer's Guidelines* is a compilation of the actual writer's guidelines for more than 1,600 publishers. A one-of-a-kind source to browse for article, short story, poetry and book ideas.

[Skiing](#) - Maggie Loring 1999

Women will love this smart and entertaining guide, written by and for women skiers. *Skiing: a Woman's Guide* is tailored to the subtly different approach women have to learning, full of personal stories by other women skiers, and packed with savvy, woman-specific advice about gear. This introduction to alpine skiing has everything: Finding the right instructor; Skill drills (novice to intermediate); Staying comfortable and safe on the slopes; "how to Take your Family and Still Love Them When It's Over" Getting and Staying Fit and much more. Skiing answers questions from how to buy the right skis to how long it takes to get proficient. Also included: a list of resources for the woman skier.

Master the Cast - George V. Roberts 2005-02-11
Hone your fly-casting skills in just a few hours! The better you can cast, the more you'll enjoy fly-fishing. With good casting technique you can place the fly where you want it, effortlessly and with precision and grace, even when wind or obstructions conspire against you. In *Master the Cast*, George V. Roberts Jr., a lifelong fly-fisher and sought-after instructor, walks you through a course that breaks the complicated mechanics into a few simple components. Then, with the help of hundreds of photos and illustrations, he

shows you how to master these in seven concise lessons, including: The Roll Cast, which builds your rod-arm mechanics (how the hand, wrist, forearm, and upper arm function to make the rod work) The Pick-Up-and-Lay-Down Cast, which forms the foundation of all straight-line casting False Casting, which allows you to keep the fly airborne for several strokes before delivering it plus Shooting Line, Casting in All Planes, Drift and Follow-Through, Off-Vertical Casting, and an advanced lesson on Hauling
Master the Cast is an indispensable resource for all fly-fishers, beginner to advanced, that will have you casting flies with confidence, precision, and consistency after only a few hours' practice. "Most fly-fishers cast mechanically without understanding the mechanics of the cast. But understanding precisely what is going on and why is what makes a good caster into an excellent one. George Roberts understands casting mechanics inside and out, and his *Master the Cast* will help you do just that."—James R. Babb, editor, *Gray's Sporting Journal* Praise for George Roberts' *A Fly-Fisher's Guide to Saltwater Naturals and Their Imitation*: "A book in a class by itself."—*Fly Fishing Saltwater* "It is difficult to overestimate the importance of this book."—*The Fly-Tyer's Catalog*

Scottish by Inclination - Barbara Henderson 2021-06-23

'Gradually I forgot I was a foreigner.' Barbara Henderson has been Scottish by inclination for 30 years. She fell in love with Scotland and its people when she left Germany at the age of 19. Now a children's author, storyteller and teacher in the Highlands, she gives us a lively glimpse of Scotland through the eyes of an EU immigrant - from her first ceilidh to Brexit and the choppy seas of citizenship. *Scottish by Inclination* also celebrates the varied contributions of 30 remarkable Europeans - beer brewers, entrepreneurs, academics, artists and activists - who have chosen to call Scotland home. 'All voices matter and deserve to belong. Belonging is more than a privilege. Belonging, I am now convinced, can be a choice.'

[American Book Publishing Record](#) - 2002

The American Directory of Writer's Guidelines - Brigitte M. Phillips 2005

Perhaps the best-kept secret in the publishing industry is that many publishers both periodical publishers and book publishers make available writer's guidelines to assist would-be contributors. Written by the staff at each publishing house, these guidelines help writers target their submissions to the exact needs of the individual publisher. The American Directory of Writer's Guidelines is a compilation of the actual writer's guidelines for more than 1,500 publishers. A one-of-a-kind source to browse for article, short story, poetry and book ideas.

Concepts of Physical Fitness: Active Lifestyles for Wellness - Charles Corbin 2008-10-30

Through the use of activity labs and logs, 'Concepts of Physical Fitness' provides readers with the self-management skills necessary to

adopt a healthy lifestyle.

American Directory of Writer's Guidelines - 2007-02

Perhaps the best-kept secret in the publishing industry is that many publishers--both periodical publishers and book publishers--make available writer's guidelines to assist would-be contributors. Written by the staff at each publishing house, these guidelines help writers target their submissions to the exact needs of the individual publisher. ""The American Directory of Writer's Guidelines"" is a compilation of the actual writer's guidelines for more than 1,700 publishers. A one-of-a-kind source to browse for article, short story, poetry and book ideas.
