Whether you want to know how to get a girlfriend or just date around, *The Charm her Pants off* has the answers that have worked for tons of men. The girl of your dreams is out there...will you get her? *Charm her Pants Off* is the ultimate and only guide to getting girls and to understand women once and for all. This is why guys that read it don't read or recommend anything else. Because the few men who "get it" spend the rest of their lives enjoying sexy girls in abundance - and so can you. You can learn to get ANY girl you want, the same way that all men who are naturally good with women have. The only difference is that you may learn it much FASTER, instead of wasting tons of time and money on fruitless dates or a new car/haircut/shirt that you BELIEVE will make you more attractive - but really doesn't. You see; men LACK success with women because they either don't understand what women are attracted to, or because they THINK that they do know, but have the wrong ideas and hence waste a lot of time - sometimes their entire life - chasing things they don't need. You know you have to get this book if you believe women want men with money, cars, or anything else that is manmade, because that doesn't make any sense. If women really were attracted to something unnatural, how did men meet women before any of those things were invented? The approach you'll learn in *The Manual* is very different from conventional dating and the advice you find in the mainstream media because it focuses on natural attraction - on what women REALLY want - not what they CLAIM they want or what males in general BELIEVE women want. It incorporates men's and women's socialization and explains phenomena's such as why men think women are attracted to things such as money (yet money is a man-made invention that has not even EXISTED very long) and why women "play hard to get" (a well-known phrase which amusingly reveals that women ARE easy but only pretend not to be). This is why the beginning of the book addresses your basic beliefs and mindset, because if you learn to THINK correctly, you will automatically behave correctly around women. Even if they are so stunning they normally take your breath away, your mind goes blank,

and you run out of words. You already have what it takes to seduce women. Like, if you never run out of words around your close friends or family, you should be able to talk to a hot girl without making a fool out of yourself. You are the Man!!!

Thai Love Course - Thailand Redcat 2016-08-16

Sure a lot of Thai girls are good in English especially hookers. But what if you want to ask a "normal" Thai girl out for a date? There are countless of nice Thai girls that have never dated a foreigner before but would love to if you can at least speak some basic Thai. Or think of all the university girls most of them don't speak English or are too shy but how if you tell them in Thai "You are cute, do you want to go for dinner with me?" Imagine how many more Thai girls you can meet if you know some really useful Thai vocabulary and phrases! Leaving alone to impress girls no matter if they speak English or not. And not just for arranging quick dates - if you are in a relationship with a Thai girl it does make sense to know how to ask her if she's horny or ask her to undress. You will learn all this and much more in this book. The Thai Love Course is divided into

two parts: The first part is about teaching you all the language skills you need in order to talk to Thai girls confidently. There are 6 lessons: 1. Courting / Arranging a Date Learn everything from "What's your name?", "Where do you go?", "You are cute" to "Are you free tonight?" and "Do you want to have a meal together?" Step by step from the first thing you tell her to arranging a date. 2. During the Date / Bring her back to your room Once it's time to meet her and take her out for the date you will have a repertoire of more than enough questions and statements to convince her to go back to your or her room like "It's hot here, isn't it?", "Do you live alone?", "Do you want to watch a movie in my room?" and many more. 3. In the Apartment / Making Love The tools for your bedroom: "I love your skin", "Can I hug you?", "Can I kiss you?", "Don't be shy" to "What is your favorite position?", "Does it hurt?", "That feels good?" are just a few things you will be able to tell your girl. 4. Talking about Feelings If you want to be able to ask your honey why she loves you as well as understanding her answer - this chapter provides all relevant words and phrases you need to know. Also including useful tools for pickup lines ("You are so kind", "I don't want to sleep alone", "Do you want to be my girlfriend?" etc). 5. Breaking up Sooner or later you may want to end the relationship with your Thai girl and rather than ignoring her messages there are several ways to tell her that it's over and also give a reason for it ("You don't care about me at all", "You barely call me", "It's better we break up" etc). 6. Talking to Bar Girls / Hookers There is not one foreigner that I know who comes to Thailand on holiday or lives here permanently and has not been in "contact" with Thai bar girls. So in the final chapter you'll find everything related to talking to bar girls and hookers ("What time do you finish work?", "I want to take you outside", "How much do you want?", "That's too much" etc). You'll love this one. Each chapter has a list of relevant vocabulary followed by useful sentences for real conversations. Everything comes in English, Thai transliteration and Thai script. The second part is about understanding the way Thai girls are thinking and what they expect from you in a relationship. Plus bonus content including Pick Up Lines that really work and the most important Isaan Words.

The Easiest Way to Meet and Pick Up Girls-Ever!! - Dusty White
2006-07-27

As of January 2014 I am taking this book off of the market forever. I stated when I wrote this that it was not for mass public distribution. This book was always to be limited to under 10,000 copies. Sales have been astounding (far more than I ever imagined) and it is time to let the existing copies wear out, and return this information back to the few people who actually do it well. I have unpublished all digital versions of this book and they will not return either. This book will not be sold again. Thank you to everyone who read--and used it--when you did. That was an interesting period in my life. But that was then, and this is not then. This book takes all of the guesswork out of meeting women. It is not about relationships or raising a family, and it is not another hokey book on how to have some mysterious "secret power" over women. This book teaches you how to get a date tonight-without having to spend any money. Anyone can do this. You will approach women any time, anywhere,

instantly getting them interested in knowing you, without feeling nervous or having to resort to pick-up lines. You will know what to say first, what to say after that, how to grab her attention and focus it exclusively on you-and get her number or a date on-the-spot. The first section of this book analyzes every possible way you could approach women. The second section of this book reveals a secret, devious way to pick up almost every woman you meet without her even guessing that you are working your magic on her. Subsequent sections provide help and troubleshooting guides. We won't make you a "guru of getting girls." We will get you "dates." The biggest problem most men have in getting dates is knowing how to approach attractive girls they see every day of the week (at the office, gas station, standing in line anywhere). Too many men rely on nightclubs, bars, and personal ads to get dates, ignoring the women they see e-v-e-r-y d-a-y.

Not knowing how to talk to women. For many men, dating just sucks. But it doesn't have to. There's a simple, yet powerful, way to gain instant confidence and attract a great girlfriend: Be authentic. Whether you want to confidently approach women, get quality matches on dating apps, or learn how to avoid the "friend zone," Dating Sucks, but You Don't is your step-by-step blueprint for landing your soulmate. Using the power of "radical authenticity," you'll unlock your most awesome self and learn how to: -Be magnetic as you...even if you're not rich, tall, or great-looking -Always know what to say to ignite chemistry -Get dates and connect with great women without using creepy "pickup artist" tricks -Conquer fear and anxiety and confidently approach women (in a way they love) -Get great matches and dates on Tinder, Bumble, Match, Hinge, or any other dating app -Be a true gentleman of the #MeToo era who respects women and understands the boundaries surrounding consent -Create a healthy, supportive relationship with someone who loves you for you You definitely don't suck. And when you have total self-confidence and great results, neither does dating.
