Girl Talk - Yvonne Johnson Pressley 2023-11-01
Has anyone truly understood the many nuances of relationships and navigated them successfully? I would venture to say no one. Mother, daughter, father, son--I would still say none. Keep in mind that a man and a woman or a romantic relationship seems to be the most problematic. Everyone wants to be loved, but receiving and giving love are two completely different things. The heart is a delicate thing; in the wrong hands, a heart can be torn to pieces. This book can both help and save you from heartache and pain. Just trust in God's Word and guidance. You'll find peace, love, and joy when you lean on and depend on God's guidance. Unfortunately, there are too many who don't believe in or know much about God. They amble alone, doing harm and leaving brokenness in their path. Don't be a victim anymore. Just be wise enough to learn from past mistakes. Read, apply, be loved, receive love, and be happy!
The Five Love Languages - Gary Chapman 2009-12-17

Marriage should be based on love, right? But does it seem as though you and your spouse are speaking two different languages? #1 New York Times bestselling author Dr. Gary Chapman guides couples in identifying, understanding, and speaking their spouse's primary love language-quality time, words of affirmation, gifts, acts of service, or physical touch. By learning the five love languages, you and your spouse will discover your unique love languages and learn practical steps in truly loving each other. Chapters are categorized by love language for easy reference, and each one ends with simple steps to express a specific language to your spouse and guide your marriage in the right direction. A newly designed love languages assessment will help you understand and strengthen your relationship. You can build a lasting, loving marriage together. Gary Chapman hosts a nationally syndicated daily radio program called A Love Language Minute that

Do you have trouble getting matches on your dating apps? Ever wonder why women don't reply to your messages? Did you just delete your dating apps just because they never seemed to work? If you find any of these sound familiar, don't worry, you are not alone. One in three couples finds each other online. The COVID-19 pandemic has transformed the dating apps use from last resort to the first choice, as well as shifted dating into the online space. However, many men who have signed up to dating apps/sites, never get even one date, not to mention the rejection and ghosting. So, how can you win her over from zillions of your competitors online? Honest and hard-hitting, these principles tackle: Practical struggles of choosing a partner in the modern day. Identifying a potential mate with the right qualities. The advantage that women have in the dating stage. The tools necessary to form a committed, long-lasting bond. These keys of success are custom-fit for those who are searching for the right partner or for those who would like to be sure that their current relationship is on the right track. Most people never get a second date. This is despite the first date going apparently as they had planned. This book aims to explore the reasons why this happens and hopefully, give you an insight that will help you increase your chances of getting the second date and eventually landing your dream partner. I invite you to dig into the pages of this book and glean the wisdom therein. It is time to kiss goodbye those lonely nights. It is time to experience successful dates that lead to fulfilling relationships. It is my hope that the insight you get from this book will help you achieve exactly that.
