[Confessions of a Happily Married Man](#) - Joshua L. Rogers 2019-12-17

Discover God in the messiness of your marriage, as popular marriage and family columnist Joshua Rogers offers spouses hope with real-life stories from his own marriage and helps you see how God is at work in the ordinary and extraordinary of your relationship. *Confessions of a Happily Married Man* is a husband's painfully honest account of his first ten years of marriage. It offers a window into the perspective of a man who went from "hello" to "I do" in nine months and then figured out how hard marriage could be. When Joshua Rogers thought back on the marriage books he had read or sermons about marriage he had heard, it occurred to him that he could only remember one thing about them: the stories. That's why this book is anchored by stories that other couples will relate to and can easily learn from. The stories are cringe-worthy, humorous, inspiring, heart-breaking, and full of wisdom--but the author isn't telling the reader what to do with that wisdom. He's letting the reader learn along with him as he's gradually becoming more self-aware, increasingly grateful for his wife, and surprised to discover what God is doing in the middle of it all.

Girls with Razor Hearts - Suzanne Young 2020-03-17

It's time to fight back in this second novel in a thrilling, subversive near future series from New York Times bestselling author Suzanne Young about a girls-only private high school that is far more than it appears to be. Make me a girl with a razor heart... It's been weeks since Mena and the other girls of Innovations Academy escaped their elite boarding school. Although traumatized by the violence and experimentations that occurred there, Mena quickly discovers that the outside world can be just as unwelcoming and cruel. With no one else to turn to, the girls only have each other—and the revenge-fueled desire to shut down the

corporation that imprisoned them. The girls enroll in Ridgeview Prep, a private school with suspect connections to Innovations, to identify the son of an investor and take down the corporation from the inside. But with pressure from Leandra, who revealed herself to be a double-agent, and Winston Weeks, an academy investor gone rogue, Mena wonders if she and her friends are simply trading one form of control for another. Not to mention the woman who is quite literally invading Mena's thoughts—a woman with extreme ideas that both frighten and intrigue Mena. And as the girls fight for freedom from their past—and freedom for the girls still at Innovations—they must also face new questions about their existence...and what it means to be girls with razor hearts.

6 Fun Date Ideas to Win Her Heart - Kym Kostos 2014-05-15

In my 35 years of dating since I was fifteen years old, I have had my fill of good dates and bad dates. I am pretty sure we have all had those dates from hell that we tell our friends or ones that we just soon want to forget. So, what about the ones that turned out perfect? Don't have too many of those? Don't worry, because in this book I will give you some ideas and dates from start to finish for fun first dates, romantic dates, creative dates, indoor dates, outdoor dates, cheap dates that are easy on your wallet and even a date for those who are miles apart in a long distance relationship. Guys always want to impress a girl and sweep her off her feet, but sometimes have no clue as to where to start. Females by nature are great planners, especially when it comes to events, dinners, parties, and yes, even dates. Why? Because we pay attention to detail and that is what is the most important thing. Details tell a girl how you feel about her. Simple details to intricate ones, either way they are signs of what you really feel about the girl. If you take a lot of time planning a great date, that tells the girl that you are interested in her and want to get to know her better, especially if it's a date that allows you two to talk and get to know each other better. Girls love dates like that! Taking a girl out, tossing a burger down her throat and taking her to a movie is just plain boring. That's something you do AFTER you have won her heart and even then, it's questionable. Whatever happened to the courtship of dating? When you take the time to plan and give her a date to remember, it shows that you care and want to impress the girl. You don't have to have a lot of money either to do this.
