**Our Seas of Fear and Love** Richard Shain Cohen 2013-07 Our Seas of Fear and Love is a romance-family saga set primarily in Maine but also in Europe, Boston, and the Southwest. Calm and stormy seas are emblematic of the characters, their influence upon one another, and the conflicts and love expressed among the four main characters - Brigit, Deirdre, Gregory and Étienne Moreau, a man who searches out art treasures to sell to museums. Étienne takes as his partner Deirdre, a dark haired, vivacious beauty he meets during World War II when she was an OSS member and he was head of a Maquis group. Brigit, an extremely attractive red-haired woman and nurse cares for Gregory wounded during the war and who becomes a well-known medical researcher. Gregory and Brigit have fallen in love and plan their marriage. Deirdre then sets her sight on Gregory, ignoring her lover and partner Étienne, and a conflict occurs between the two women. In the end, the effects of love triumph in contrast to vainness that damages self and others as the seas of fear and love engulf all. Reviews "In Our Seas of Fear and Love the characters are well developed and believable as they are interwoven into a story that hits the emotional highs and lows of couples through times of adversity. The story reminds us that even people of high moral standards and values can be corrupted through lust and money. This story will draw you in from the first chapter and keep you reading until the last word. You actually feel as if you are living the story which can only happen when the writing is superb like Cohen's." - Bonnie Kaye, M.Ed., Counselor and Author of ManReaders: A Woman's Guide to Dysfunctional Men "This meticulously crafted novel reads like a family saga, spanning about fifty years. The author weaves the warp of individual characters into the woof of both national and global affairs with great clarity. The tangled love relationships are described with candor. Sharply observed and deeply felt, the narrative plays out against the unifying backdrop of the ocean, which with its changing moods serves as a natural metaphor for the tempestuous changes that occur in history and the lives of individuals. A compelling must read." - J. Arthur Faber, Professor of English Emeritus, Wittenberg University About the Author Richard Shain Cohen of Cape Elizabeth, Maine, is originally from Boston. He retired from the University of Maine at Presque Isle after serving as Vice President of Academic Affairs and Professor of English. He holds B.S., M.A., and Ph.D. degrees. He served as editor of the journal Husson Review and was principal participant in a National Endowment for the Arts Grant for "Images of Aroostook" that was exhibited throughout the State of Maine. His own publications include: Healing After Dark: Pioneering Compassionate Medicine at the Boston Evening Clinic (2011), The Forgotten Longfellow: Man in the Shadows (2010), Only God Can Make a Tree, poetry from himself and his brother, Alfred Robert Cohen; and the novels Our Seas of Fear and Love, Monday: End of the Week, Be Still, My Soul, and Petal on a Black Bough. He also wrote chapters for Aroostook: Land of Promise, academic reviews, other articles, and - with the help of a Shell Grant - a monograph on Samuel Richardson that can be found in major library holdings.

*She Wrote Her Blueprint* Blanche Piper 2006-10 This book is about the turbulent trek of one woman, as a toddler, teen and a tormented adult, who wrote her blueprint and lived her life in order to ultimately, learn her lessons-but did she? Having been brought up in a strict Catholic environment where physical affection was not shown, Lee looked for love in all the wrong places. At sixteen and a virgin, her boyfriend's brother raped her. Was this the reason she went on to having three marriages, two of which could be described as disastrous, and four children by four different fathers? At twenty years of age she fell in love with a married man, and longed for him for almost half her lifetime. Lee blames no one but herself for the traumas that transpired over her lifetime and thanks God for her life today.

*Waiting for Zoë* James R. Ament 2013-09-17 "A sweeping novel of love and loss, city and country, growing old and staying young. Waiting for Zoë is a thoughtful look at the ability of grown men and young women to confront change and absorb life's most challenging moments," writes Mark Stevens, author of Antler Dust: An Allison Coil Mystery. Waiting for Zoë is a genre-bending character driven, mainstream novel that explores a person's ability to endure in the face of tragedy—and love. James R. Ament says, "It's a love story, but it's not a romance. There are underlying religious themes, but it's not a philosophical book. There's a little political commentary here and there, but it's not about politics. It explores some very serious themes, but there are light moments and humor, too." Set in Wyoming, Colorado, New York City, and Southern California, it makes the reader ask the hard question: who is in charge of creating ourselves? Ament says, "I had this story in mind about a young person who apparently has everything going for her, but then her life falls apart. The question is: Does she get it back? And if so, how?" And from writer Stephen Knapp, Evergreen Newspapers. "The characters are sharply defined and appealing, and the dialogue flows smoothly and moves the narrative along at a comfortable pace. The settings and situations are neither contrived nor trite, and the conflicts are at once challenging and accessible. In short, there's nothing within Waiting for Zoë that marks its author as a newcomer to the literary stage,"(Reprinted with permission of Evergreen Newspapers).

**I Carry a Hammer in My Pocket for Occasions Such as These** Anthony Tognazzini 2007 "Reading Anthony Tognazzini is like having a surprise party thrown in your honor on every page. I Carry A Hammer In My Pocket For Occasions Such As These turns cartwheels, plants daisies, and sings love songs in honor of all that is strange, sad, serious, and sublime about being alive."--Myla Goldberg, author of Bee Season I Carry A Hammer In My Pocket For Occasions Such As These is a collection of fifty-seven pieces that range in length from compressed paragraphs to ten-page stories. Characters, voices, and surreal scenarios are unified in a playful vision of the world sustained by metaphor, memory, cartoon, tragedy, love story, and song. Speed and brevity are a large part of the collection's design. In a culture where attention spans are shorter and more fractured, the need for a literature for the subway and the waiting room--something to resonate in the smaller gaps of our lives--is emerging. To this end, I Carry A Hammer In My Pocket For Occasions Such As These is quick, colloquial, and comic, yet challenges readers to think. It offers--at a glance--a journey into a fictional world that is poetic and narrative, fantastic and familiar, accessible and adventurous. "The Difference" Although I was never an early riser, my father always counseled me to rise with the sun. "Early bird gets the worm!" he told me. "Sure," I said, "but the worm who sleeps late, lives." Anthony Tognazzini lives in New York City, where he makes his living as a teacher and freelance journalist. His awards include an AWP Award, an Academy of American Poets prize, a Greer Artist Foundation Fellowship, and a Hemingway Fellowship.

**The Banjo on Record** Uli Heier 1993 The appeal of the banjo has been shown to be timeless and universal--adaptable to almost any form of popular music. It was one of just a few instruments that could be faithfully reproduced in the early days of sound recording, and its recording history dates back to 1889. Heier documents that history on cylinders and 78-rpm disks in the pre-LP era ending in the mid-1950s. The book offers a comprehensive compilation of all such recordings on which the banjo plays a solo role or dominant part. Organized by performer or performing group, the recordings are listed chronologically with location, date, matrix number, and take-digit as available, as well as manufacturer and catalog number. Biographical information on the banjoist is provided wherever possible, and all performers anywhere in the world known to have recorded any type of music on banjo are included even if no data on the actual disks is available. Introduced in a foreword by British discographer Brian Rust, the discography also includes a narrative account of the banjo in phonograph recording history by Lowell Schreyer and an essay on the history of the banjo itself by Robert Lloyd Webb. In addition to the discography proper, the editors have provided a preface, A Quick Look at the Banjo Family, identifying the instruments; an extensive bibliography of sources; an index of all tune titles; and reproductions of 92 recording labels. These elements all combine to make this volume a true discopedia of the banjo.
