**Diaries of Girls and Women** Suzanne L. Bunkers 2001-05-30 Diaries of Girls and Women captures and preserves the diverse lives of forty-seven girls and women who lived in Minnesota, Iowa, and Wisconsin between 1837 and 1999—young schoolgirls, adolescents coming of age, newlywed wives, mothers grieving the loss of children, teachers, nurses, elderly women, Luxembourger immigrant nuns, and women traveling abroad. A compelling work of living history, it brings together both diaries from historical society archives and diaries still in possession of the diarists or their descendants. Editor Suzanne L. Bunkers has selected these excerpts from more than 450 diaries she examined. Some diaries were kept only briefly, others through an entire lifetime; some diaries are the intensely private record of a life, others tell the story of an entire family and were

meant to be saved and appreciated by future generations. By approaching diaries as historical documents, therapeutic tools, and a form of literature, Bunkers offers readers insight into the self-images of girls and women, the dynamics of families and communities, and the kinds of contributions that girls and women have made, past and present. As a representation of the girls and women of varied historical eras, locales, races, and economic circumstances who settled and populated the Midwest, *Diaries of Girls and Women* adds texture and pattern to the fabric of American history.

**Staying Well** Ron Frazer 2016-07-08 Health for \$1 per Day Even a dollar is too much. Good health can cost nothing. Optimal wellness can not be about expensive pills and tests. Dr. Frazer explores hundreds of solutions for busy families that are stressed, and compounding that stress with unhealthy activities and diets. The basic idea is to stop doing the things that are making you sick. That costs nothing. The book was written for Dr. Frazer's daughter who was, and is, a busy mom with a limited budget to care for two growing boys with their own ideas about diet and exercise. This is a reference book that a busy mom can turn to for a quick answer about many health concerns. The small price of this book will save you many dollars in health care costs.

**Hooked On Her** Stacey Lynn 2020-06-23 Tessa Chauncy is the best kind of trouble. Beautiful, sweet and completely off limits. I've sat by and watched other men drool after her and forced myself to stay in check. Hey, I'm in the NHL... I have self-control in spades. Except when it comes to her. With the bat of her lashes and quick whip of that sharply pointed tongue Tessa can knock grown men to their knees. I've seen them wither and crumble under her confident stare— something I'm pretty sure she learned from sparring with me, thank you very much. But I'm not just falling for her. I'm down for the count. She's the girl I wanted, when wanting her was wrong. She's also my new roommate-- And oh yeah, my best friend's little sister. Heaven help me, I'm probably going to get his fist to my face or his hockey stick shoved in very dangerous places for what I'm about to do, but I don't think I care anymore. I'm in love with my best friend's little sister....and I'm done waiting.

**How to Fall in Love with Anyone** Mandy Len Catron 2018-02-01 In 2014, 33-year-old Mandy Len Catron went on a date with an acquaintance. They decided to try an experiment: inspired by a study designed to create romantic feelings, Mandy and Mark spent the evening asking each other 36 increasingly intimate questions, wondering if it would lead to them falling in love. In *How to Fall in Love with Anyone*, this experiment is Catron's starting point for investigating what it means to love someone and to be loved, and how we present our love to the world. What makes love last? Can love ever work the way it seems to in films, books and social media? Is there a "right" way to fall in love? In these candid, charming and wise essays, Catron blends memoir with cultural and social commentary on the psychology, biology, history and literature of love. *How to Fall in Love with Anyone* is a deeply personal, yet universal investigation into the one thing we all want—or think we want—more than anything. Includes "To Fall in Love with Anyone, Do This", one of the most popular essays to appear in the *New York Times*' "Modern Love" column "In our age of total romantic confusion, Mandy Len Catron is a voice of good sense, warm humor, and consoling wisdom. Through the lens of her own relationships, she teaches us—with a deft, convincing intelligence—some of the vital moves in the art of love." —Alain de Botton, internationally bestselling author of *How Proust Can Change Your Life* and *The Course of Love* MANDY LEN CATRON lives in Vancouver, British Columbia. Her writing has appeared in the *New York Times* and the *Washington Post*. She writes about love and love stories at *The Love Story Project*, and teaches English and creative writing at the University of British Columbia.

**The Noticer** Andy Andrews 2011-04-10 A *New York Times* bestseller! From the author of *The Traveler's Gift* comes a story of common wisdom based on the remarkable true story of "Jones," a mysterious old man who has a knack for showing up in people's lives at just the right time, providing priceless lessons about love, life, and the importance of perspective. Orange Beach, Alabama, is a simple town filled with simple people. But like all humans on the planet, the good folks of Orange Beach have their share of problems—marriages teetering on the brink of divorce, young adults giving up on life, businesspeople on the verge of bankruptcy, as well as the many other obstacles that life seems to dish out to the masses. These situations can seem like dead ends, but to an old drifter named Jones with a gift for seeing what others miss, there is no such thing as a dead

end. It only takes a little “perspective,” he says, to recognize the miracles in our moments, the seeds of greatness tucked into our struggles. Appearing when things look darkest, the mysterious, elderly man with white hair carrying a battered old suitcase shows up when he’s needed most. “Your time on this earth is a gift to be used wisely,” he says. “Don’t squander your words or your thoughts. Consider even the simplest action you take, for your lives matter beyond measure...and they matter forever.” The Noticer will provide you with: A better understanding of life’s challenges and proper perspective for tackling them Practical yet powerful methods of motivation, encouragement, and resolve for those struggling A fresh and insightful perspective on how people can change their view of the world, find strength, and move beyond their problems Based on a remarkable true story, The Noticer beautifully blends fiction and allegory in an entertaining and inspiring instruction manual for better living. The story of Jones continues in The Noticer Returns and Just Jones.

*Putting Her in Her Place* Ryan Hale 2016-10-24 Girls are hardwired to obey and submit. The problem is men and women have reversed gender roles. This is causing men to become feminized and women to become masculinized. I can prove this. You don't see many girls wearing dresses any more, do you (?), because they are all out wearing what men wear; namely: pants, teeshirts, etc. I mean come on, SERIOUSLY! If you want to have the best possible relationship with a girl, where she obeys and submits like a good little girl, then you have to train her back to childhood obedience. You must instill the fear of God in her, letting her know that you are in control of her, and that she must obey you. The more you train her, the more she will start to fall in love with you. The more she will start to accept you as her dominant master. The more she will submit to you and obey you in everything you tell her to do. The less she will try and make decisions on her own. The more she will accept your punishments when she has wronged you. I am not a mysoginistic man. I don't want you reading this thinking I am. I am a man who has a wonderfully loving relationship with my girl, who learned this secret and now want to share it with you. I watch too man of my male friends go through the pain and torment of relationships with girls. They don't know how to train a girlfriend, so they keep getting hurt, fucked, and you whatever other adjective you want to fill in the blank with. It doesn't have to be this way. It should not be this way. This book will help you fix it. I don't let my girl do anything adult. She has to play and do childlike activities. I am the adult, she is the little girl. I make her color, fingerpaint, journal in a diary (that I get to read), make her stand in a corner when she acts up, make her take a nap when she's tired, and withhold privileges from her when she doesn't want to comply with my instructions. She loves me, let me assure you. She will never leave me, because she knows I am her answer and have her best interest at heart. She yearns to be taken care of and protected by me. She loves submitting and being dominated. The sex is amazing, let me share. You can have the same. Read this book. Do what it instructs you to do. Start training your girl today. You will win in the end, I promise. Start reading and taking notes! This is more than a book, it's a course! Grab Your Copy Now

These narratives, along with photographs and illustrations, show the history of the region alongside a portrait of the people themselves."--

*Band of Sisters* Kirsten A. Holmstedt 2007 Profiles twelve women soldiers who have served in the Iraq War, describing their experiences in the war, discussing the pressures of the job, and touching on the difficulties of being a woman in the military.

*The Spanish Love Deception* Elena Armas 2022-02-08 A wedding. A trip to Spain. The most infuriating man. And three days of pretending. Or in other words, a plan that will never work. Catalina Martín, finally, not single. Her family is happy to announce that she will bring her American boyfriend to her sister's wedding. Everyone is invited to come and witness the most magical event of the year. That would certainly be tomorrow's headline in the local newspaper of the small Spanish town I came from. Or the epitaph on my tombstone, seeing the turn my life had taken in the span of a phone call. Four weeks wasn't a lot of time to find someone willing to cross the Atlantic-from NYC and all the way to Spain-for a wedding. Let alone, someone eager to play along with my charade. But that didn't mean I was desperate enough to bring the 6'4 blue eyed pain in my ass standing before me, Aaron Blackford. The man whose main occupation was making my blood boil had just offered himself to be my date. Right after inserting his nose in my business, calling me delusional, and calling himself my best option. See? Outrageous. Aggravating. Blood boiling. And much to my total despair, also right. Which left me with a surly and extra large dilemma in my hands. Was it worth the suffering to bring my colleague and bane of my existence as my fake boyfriend to my sister's wedding? Or was I better off coming clean and facing the consequences of my panic induced lie? Like my abuela would say, que dios nos pille confesados.The Spanish Love Deception is an enemies-to-lovers, fake-dating.
