The secret to finding out anything you want to know is amazingly simple: Ask good questions. Most people trip through life asking bad questions—of teachers, friends, coworkers, clients, prospects, experts, and suspects. Even people trained in questioning, such as journalists and lawyers, commonly ask questions that get partial or misleading answers. People in any profession will immediately benefit by developing the skill and art of good questioning. Find Out Anything From Anyone, Anytime will give you the power to: Identify and practice good questioning techniques Recognize types of questions to avoid Know the questions required when hearing unconfirmed reports or gossip Practice good listening techniques and exploit all leads Determine when and how to control the conversation Gain real expertise fast Within professional interrogation circles, author James Pyle is known as a strategic debriefer—meaning there is no one around him more skilled at asking questions and getting answers. He has been training other interrogators in questioning techniques since 1989.

Girl Mans Up - M-E Girard 2016-09-06

Lambda Literary Award Winner! "Pen is an inspiration to anyone who's struggled to be understood, and a vital addition to the growing world of genderqueer protagonists." —New York Times Book Review All Pen wants is to be the kind of girl she's always been. So why does everyone have a problem with it? They think the way she looks and acts means she's trying to be a boy—that she should quit trying to be something she's not. If she dresses like a girl, and does what her folks want, it will show respect. If she takes orders and does what her friend Colby wants, it will show her loyalty. But respect and loyalty, Pen discovers, are empty words. Old-world parents, disintegrating friendships, and strong feelings for other girls drive Pen to see the truth—that in order to be who she truly wants to be, she'll have to man up. M. E. 1 New York Times Bestseller The inspiration for season two of BRIDGERTON, a series created by Shondaland for Netflix, from #1 New York Times bestselling author Julia Quinn: the story of Anthony Bridgerton in the second of her beloved Regency-set novels featuring the charming, powerful Bridgerton family. ANTHONY'S STORY This time the gossip columnists have it wrong. London's most elusive bachelor Anthony Bridgerton hasn't just decided to marry—he's even chosen a wife! The only obstacle is his intended's older sister, Kate Sheffield—the most meddlesome woman ever to grace a London ballroom. The spirited schemer is driving Anthony mad with her determination to stop the betrothal, but when he closes his eyes at night, Kate's the woman haunting his increasingly erotic dreams... The Guyde - Howie Reith 2016-11-19

The Guyde is the most comprehensive men's dating and self-improvement book ever written, designed to be everything you need to transform into the most confident version of yourself. There are no lines or routines; instead you'll find exercises and information to improve your self-esteem, social skills, and other elements integral to social success. Everything in these pages is backed with scientific evidence, and when I say scientific evidence, I mean cited peer-reviewed literature, not pop evolutionary psychology or the "law of attraction." You won't be reading anecdotes telling you about my "successes" or opinions; you'll be learning the practical steps necessary for the specific changes you want to manifest in your life. The Guyde is divided into four sections: Part I - Psychology Part I focuses on the internal elements of social interaction. How do you overcome your toxic self-limiting beliefs that keep you from being authentic with people? How do you overcome your fears? How can you stay motivated to make your changes? You will learn clinically effective approaches to all of these and more. Part II - Social Skills For many men, the biggest barrier between themselves and social success is a lack of social skills and awareness. In Part II, you'll learn how to shore up this weakness. You will learn how to listen, banter, share stories, and assert yourself with others. You'll learn how to improve your body language and vocal tonality to project confidence and charisma. Part III - Physical Attractiveness Part III will teach you how to improve your physical features. The first two chapters detail the most clinically effective approaches to diet and exercise. We'll also discuss the basics of fashion and how to dress to impress. Master Part III, and when you go out, you will turn heads. Part IV - Dating The final portion of The Guyde deals with dating, in this version, in a heterosexual male context. You'll learn the best places to meet potential dates, how to flirt, and how to ask someone out. You'll learn how to plan brag-worthy romantic evenings and how to address problems like rude cancellations and "ghosting." You'll learn how to interact physically while being sensitive to your date's wishes, as well as how to perform better in bed. You'll learn why relationships fail and how to avoid the pitfalls most couples fall into, and you'll come to understand a bit about what it's like to date from a woman's perspective, including many of the cultural factors they face

that most men don't understand. The Guyde is a labor of love. I wrote it to be everything I wish I'd known when I was younger, the sorts of things that turned my life around for the better. I hope it does the same for you.
