A View from the Bottom Tan Hoang Nguyen 2014-07-28 A View from the Bottom offers a major critical reassessment of male effeminacy and its racialization in visual culture. Examining portrayals of Asian and Asian American men in Hollywood cinema, European art film, gay pornography, and experimental documentary, Nguyen Tan Hoang explores the cultural meanings that accrue to sexual positions. He shows how cultural fantasies around the position of the sexual "bottom" overdetermine and refract the meanings of race, gender, sexuality, and nationality in American culture in ways that both enable and constrain Asian masculinity. Challenging the association of bottoming with passivity and abjection, Nguyen suggests ways of thinking about the bottom position that afford agency and pleasure. A more capacious conception of bottomhood—as a sexual position, a social alliance, an affective bond, and an aesthetic form—has the potential to destabilize sexual, gender, and racial norms, suggesting an ethical mode of relation organized not around dominance and mastery but around the risk of vulnerability and shame. Thus reconceived, bottomhood as a critical category creates new possibilities for arousal, receptiveness, and recognition, and offers a new framework for analyzing sexual representations in cinema as well as understanding their relation to oppositional political projects.

Gay Men and Anal Eroticism Steven G. Underwood 2012-11-12 Gay men reveal their preference—and the reasons behind it! Gay Men and Anal Eroticism: Tops, Bottoms, and Versatiles is a no-holds-barred examination of one of society's most persistent taboos. In a remarkably candid collection of frank and forthright interviews, 21 gay men talk about the role anal sex plays in their lives and relationships and their choices to act as insertive ("top") or receptive ("bottom") partners—or both ("versatile"). Ranging in age from 21 to 65, the men discuss the reasons behind (and consequences of) their choices; how they define their sexual roles (and how those roles are defined by gay society); issues of power, trust, and vulnerability; and the concept (in both straight and gay society) that tops and bottoms are socially and morally unequal. These unique interviews, conducted by the author in the Boston and Provincetown areas, celebrate choice in gay men's sexuality while debating whether preference is genetically based or socially formed—a debate largely ignored in social science studies. The men interviewed—including gay porn icon Cole Tucker—discuss perceptions muddied by stereotypes, preconceived notions, and exaggerated scenarios, and the meanings gay men assign to anal sex, including dominance and submission roles related to masculine/feminine, aggressive/passive implications. The interviews also cover each subject's personal history as a gay man, safe sex in the AIDS era, childhood traumas, first-time sexual encounters, loves, desires, and obsessions. The interviews for Gay Men and Anal Eroticism provide insights that are equal parts thoughtful and outrageous, humorous and heartbreaking: Aaron, age 24: "I sort of fell into this image of myself as being a very aggressive bottom, a guy who knew what he wanted and who didn't want any wimps applying." Danny, 21: "There's a mindset about being a top ... it's kinda like maintaining the ship." Sam, 36: "I hate to say it, but I'm a bottom ... I don't like to be identified like that because I feel it turns me into something all the way from my feet up to my head." Eddie, 42: "I guess I enjoy more being a top than a bottom because I haven't found a good top." and Cole Tucker: "A physical act doesn't really make you a top or a bottom. It's a function, an organic function of what you do. It's the dynamics of where you come from." The revealing disclosures of Gay Men and Anal Eroticism show equality in man-to-man sex to be as varied as the number of individuals who pursue it. Addressing traditional misunderstandings and misconceptions of gay men as either "limp-wrested fairies" or masculine "trade," the book uncovers that there is much more to this complex issue than personal preference.

The Boy Is a Bottom Barry Lowe 2013 Some guys will go all the way to get to the top. In some cultures it's still seen as 'unmanly' to take a cock up your ass, although it's hard to associate the image of someone supposedly 'less than a man' with some of the muscle studs who grunt like a pig to get dicked. Let's face it, oft times it's the bottom who's the power behind the fuck, using his sphincter in such a way that a whole universe of pleasure resides in one tight black hole. In these eleven stories you'll meet power bottoms from Victorian England and the Renaissance, vampires, marines, men at the top of the world, an elf who discovers humans make the best tops, a group who take out their frustration on a mate's boyfriend's ass, a straight boy who'll do anything to get ahead, a net date who's horny for Satan's dick, and a student aching for hard Arab cock. The Boy Is A Bottom includes, Marine Biology, Marine Animals, Attack of the Ass Bandits, The Arab Downstairs, The Extraordinary Victorian Clockwork Derriere, Creaming the Party Dip, Top of the World, Route 666: Signal Driver, The Butler Did Him, Fifty Shades of Fey, and Spinning the Bottom, all previously published as individual eBooks by loveyoudivine Alterotica. Excerpt from Marine Biology: The sight that greeted me as I opened my bedroom door was the hairy butt crack and dangling scrotum of my beefy big bro, Karl. There wasn't time for it to register as erotic as I watched him slide the entire length of his substantial cock into his girlfriend du jour before he screamed, "Get the fuck outa here!" That he'd glanced over his shoulder to see who the intruder was meant that he didn't mind sharing. Just not with his kid pro bro. If I hadn't forgotten my key, of course, none of it would have happened. But I was in such a hurry to surprise my parents for their thirtieth wedding anniversary, I pretty well floored the Toyota Camry for two hundred miles from my uni campus in the capitol to Redneck Central, as I not-so-fondly called my home town. It didn't feel much like a home town any longer. I was particularly out of favor with the populace, as I'd become an outspoken opponent of the country's military policy. Perhaps not a good idea in a town that supplied a rather large contingent to the Marine Corps. They were heroes. I was a traitor. They'd seen action in a war zone. I'd been on the receiving end of a police baton charge at an anti-war demo. I had a cabinet full of swimming medals. Karl had a chestful of bravery awards. It was a no brainer. My brother and his marine buddies are all big gorillas of men. Karl is 6'4" of almost solid muscle and, I'm pleased to say, an increasing amount of fat, and weighs in at 240lbs. Cropped dark hair and an attitude so belligerent that it would feed the messianic zealotry of any medium level dictator. Naturally, he attracts chicks like horse manure attracts flies. Me, I take after mom. She's petite, dwarfed by my dad, with blonde hair and the friendliest disposition you'd ever care to meet. I take after her—except for the disposition. Like my brother, I get that from my dad. And, of course, like my dad, I have a dick. Besides that, I have blond hair, a slim pro swimmer's body that weighs in at 120lbs, and a face that's much too pretty for its own good. Got me beat up a few times. And it's a constant source of friction between me and my bro and his buddies who call me 'Pretty Boy' to my face, as well as behind my back. It's not meant as a compliment. Our parents discourage mutual homecomings, and we're both happy to oblige. This, however, was one occasion where there was a scheduling error. Now the 'wrong' son was crashing the party. I could have turned around and driven away to a hotel or back to the college, but I was simply too stinking tired. And too stinking poor. I banged loudly on the door and there was a whoop from inside. "The chicks are here at last!" The door was yanked open. The smile of expectation became a snarl of recognition...

How To Be Gay David M. Halperin 2012-08-21 A pioneer of LGBTQ studies dares to suggest that gayness is a way of being that gay men must learn from one another to become who they are. The genius of gay culture resides in some of its most despised stereotypes—aestheticism, snobbery, melodrama, glamour, caricatures of women, and obsession with mothers—and in the social meaning of style.

Dual Attraction Martin S. Weinberg 1995-06-01 For the past two generations, extensive research has been conducted on the determinants of homosexuality. But, until now, scant attention has been paid to what is perhaps the most mysterious--and potentially illuminating--variation of human sexual expression, bisexuality. Today, as ignorance and fear of AIDS makes greater awareness of all forms of sexual behavior an urgent matter of private and public consequence, leading sex researchers Martin Weinberg, Colin Williams, and Douglas Pryor provide us with the first major study of bisexuality. Weinberg, Williams, and Pryor explore the riddle of dual attraction in their study of 800 residents of San Francisco. Fieldwork, intensive interviews, and surveys provided a wealth of data about the nature of bisexual attraction, the steps that lead people to become bisexual, and how sexual preference can change over time. They found that heterosexuals, more often than homosexuals, become bisexual; that bisexual men and women differ markedly in their sexual behavior and romantic feelings; that most bisexuals ultimately settle into long-term relationships while continuing sexual activity outside those relationships; and they also explain why transsexuals often become bisexual. Moreover, the authors discovered that as the AIDS crisis unfolded, many bisexual men entered into monogamous relationships with women, and bisexual women into more lesbian relationships. Recent media accounts attest that a growing number of researchers and writers are narrowing the fundamental cause of sexual preference to a single factor, biology. But if, as this study shows, learning plays a significant part in helping people traverse the boundaries of gender, if past and present intimate relationships influence their changing preferences, and if bisexual activity is inseparable from a social environment which provides distinctive sexual opportunities, then a mosaic of factors far more complex than those previously considered must be entertained in explaining the fuller spectrum of sexual preferences. Dual Attraction is one of the most significant contributions to our understanding of sexuality since the original Kinsey reports and Bell and Weinberg's 1978 international bestseller, *Homosexualities*. It is must reading for all those interested in the study of sexual behavior--especially now, since the onset of AIDS.

Annie Sprinkle is interviewed as a "metamorphosexual," Sally Trash writes on porn videos' effect on lesbians, Lawrence Schimel offers "Pumping Iron, Pumping Cocks: Sex at the Gym," and T.A. King writes on masochism. One of the more interesting articles concerns the "backsplash" over an advertising campaign conducted on urinal screens printed with the following affirmation: "You hold the power to stop rape in your hand." Men Are Pigs, But We Love Bacon: not So Straight Answers From America's Most Outrageous Gay Sex Colum Michael Alvear 2014-11-06 If You're Looking For Warmth And Compassion About Your Sexual Worries, You Picked The Wrong Book. . . Yes, you'll get all your burning and why-is-it-burning questions answered, but the advice is coming from a son-of-a-bitch with a breathtaking gift for the gratuitous insult. In these pages, you'll find medical answers to everything from how you can ejaculate farther to how you can take--ahem--more cargo on your loading dock. Alvear answers questions with the compassion of a caffeine addict out of coffee, lining up a panel of doctors and psychologists against the wall and beating the truth out of them. The result is a marriage of impeccably accurate information, politically incorrect opinion and withering sarcasm. Because the questions come from gay men all over the country, they're like a peephole into the anxieties, concerns and worries that gay men have about sex. Here's a sampling of what you'll learn: . . . Only 6% of the population need extra-large condoms. Get over it. . . . The average erect penis is 5.1" long and 4.8" around. Unless you're in a chat room. Then double it. . . . Kegel exercises will give you harder hard-ons and more powerful orgasms. But then, so will an 18-year-old. . . . 50% of men on anti-depressants experience sexual side effects. And no, having an affair is not considered a side effect you can blame on medicine. With buzz-saw wit, Men Are Pigs, But We Love Bacon will leave you laughing, howling, and knowing everything you need to know about sex.
