Fearless Intelligence Michael Benner 2018-07-15 "The best parts of you are hidden where you're most afraid to look." --Michael Benner, *Fearless Intelligence*"Fear is a doorway to understanding yourself better. The secret is to plumb the depth and breadth of your anxiety and confusion in relaxed levels of expanded awareness. Becoming more self-aware of your anxious feelings reveals the personal wisdom hidden within heartache and upset. "As we understand our self better, we become less alienated and more content -- calmer, happier, and more self-confident. Fewer random thoughts demand our attention. This or that occurs as this and that, and behavior becomes less reflexive -- more appropriate, even-tempered and well reasoned. Soon, defensiveness yields to acceptance, competition surrenders to cooperation -- lines fade, borders dissolve, and your perspective expands to include the 'Wholeness' of life."

The Guyde Howie Reith 2016-11-19 The Guyde is the most comprehensive men's dating and self-improvement book ever written, designed to be everything you need to transform into the most confident version of yourself. There are no lines or routines; instead you'll find exercises and information to improve your self-esteem, social skills, and other elements integral to social success. Everything in these pages is backed with scientific evidence, and when I say scientific evidence, I mean cited peer-reviewed literature, not pop evolutionary psychology or the "law of attraction." You won't be reading anecdotes telling you about my "successes" or opinions; you'll be learning the practical steps necessary for the specific changes you want to manifest in your life. The Guyde is divided into four sections: Part I - Psychology Part I focuses on the internal elements of social interaction. How do you overcome your toxic self-limiting beliefs that keep you from being authentic with people? How do you overcome your fears? How can you stay motivated to make your changes? You will learn clinically effective approaches to all of these and more. Part II - Social Skills For many men, the biggest barrier between themselves and social success is a lack of social skills and awareness. In Part II, you'll learn how to shore up this weakness. You will learn how to listen, banter, share stories, and assert yourself with others. You'll learn how to improve your body language and vocal tonality to project confidence and charisma. Part III - Physical Attractiveness Part III will teach you how to improve your physical features. The first two chapters detail the most clinically effective approaches to diet and exercise. We'll also discuss the basics of fashion and how to dress to impress. Master Part III, and when you go out, you will turn heads. Part IV - Dating The final portion of The Guyde deals with dating, in this version, in a heterosexual male context. You'll learn the best places to meet potential dates, how to flirt, and how to ask someone out. You'll learn how to plan brag-worthy romantic evenings and how to address problems like rude cancellations and "ghosting." You'll learn how to interact physically while being sensitive to your date's wishes, as well as how to perform better in bed. You'll learn why relationships fail and how to avoid the pitfalls most couples fall into, and you'll come to understand a bit about what it's like to date from a woman's perspective, including many of the cultural factors they face that most men don't understand. The Guyde is a labor of love. I wrote it to be everything I wish I'd known when I was younger, the sorts of things that turned my life around for the better. I hope it does the same for you.

Summary of Dave Perrotta's Conversation Casanova Everest Media, 2022-03-13T22:59:00Z Please note: This is a companion version & not the original book. Sample Book Insights: #1 Your mindset is especially important when it comes to dating and conversation. For example, if you have a negative mindset like I need women to prove my self-worth, you’ll be more insecure and likely to freak out when a girl doesn’t respond to you. But with a positive mindset like All women are attracted to me until proven otherwise, you’ll be more flirtatious and confident.

Life is Motivation Connor LaRocque 2014-12-16 The fact is that life truly is motivation. You have a choice to get up in the morning as you do to stay within the comfort of your bed. We as individuals must understand that the choices we make today, dictate the future. We can never go back in a moment because nothing lasts forever. This is why it is our job to control our mentality, promoting a positive, unstoppable mindset. Always remember, that at the end of the day even after you believe you have given it everything you have, you can always get more from your body. It’s evident that we are unable to control external factors within our lives but what we can control are the internal factors such as our attitude and perception on any given situation. It is our job in this lifetime to face our fears and let nothing stop us from achieving anything we desire. Live your life with a plan of action, fear nothing and this world is yours for the taking. If all doesn’t work out switch your strategy and come back full force.

Afraid of All the Things Scarlet Hiltibidal 2019-01-15 What does the gospel say about your fears? What does it say about the irrational ones, like sinkholes in the Target parking lot? How does it speak to the rational ones, like pet scan predictions? And does the gospel have a word for the fears you feel you'll have for life, like the possibility of losing the one you love most? Growing up in the green room of SNL, being born to a fire-eater and adopted by a SWAT cop, having internal organs explode, and adopting a deaf girl from China, Scarlet Hiltibidal has been given some strange life experiences—and lived in fear through most of them. But life changed for Scarlet when she learned to hold the gospel up to her fears. She realized that though she can't fix herself or protect herself, Jesus walked into this broken, sad, scary place to rescue, love, and cast out her—and your—fear. Seeing life in light of the cross will help you avoid fear, overcome fear when you can't avoid it, and live beyond fear when you don't overcome it. You don't have to be afraid of all the things.

The Anti-Procrastination Workbook Abigail Billingslea

The Shyness and Social Anxiety System Sean Cooper 2014-08-10 This is the first book ever written on how to overcome shyness and social anxiety... from the perspective of someone who has actually overcome these issues himself. Most of the "confidence" self-help books out there tell you useless advice like "fake it 'til you make it" or "just think about what's the worst that can happen." You won't find that garbage in this book. Instead, you'll learn specific, science-based techniques to quickly eliminate your shyness and social anxiety. The System Has 3 Parts: 1. The first part of the book explains the overall strategy for "rewiring your brain" to transform your personality to stop being shy, quiet and withdrawn. You'll finally be confident and comfortable in your own skin, even at parties and around the opposite sex. 2. The second part of the book reveals 3 techniques that allow you to almost instantly stop feeling anxious, nervous and tense in social situations. 3. The third part of the book shows you how to change the way you THINK so you don't feel insecure and self-conscious anymore. You also learn how to be more talkative and spontaneous... even if you've always had problems not knowing what to say in conversations. Some Reviews For The System: "As a clinical psychologist specializing in social anxiety and self-help systems, I was amazed at how well Sean has distilled many of the principles that can actually make a difference for those of us who battle social anxiety. Sean's information is straight to the point and focused on some of the most critical skills for managing shyness and anxiety." - Dr. Todd Snyder, Licensed Clinical Psychologist, Chicago "As a former shy, "invisible" guy myself, I find something fascinating in what Sean teaches in this program because you can tell he's been through it, he knows personally what it's like to have shyness and social anxiety, and he grasped how to beat it." - Eduard Ezeanu, Professional Communication Coach "I have only used your information for a short time, but I already notice I am more confident now. One specific situation was that I got the job in my last job interview, cause I was able to be more calm and confident."- Ask T. Borgen, 25, Musician Kongsberg, Norway "Up until 50 years old I knew something was wrong with me but did not know what it was. I was different from many other people and wondered why I couldn't socialize. It was about this time that I purchased Sean's Shyness and Social Anxiety Program. It helped a lot. Sean described what I went through very accurately. His section on how to have a conversation was the best part. At age 63, for the first time in my life, I went to someone's house to meet socially with a group of people." - John Kaye, 64, Stained Glass Artist "My biggest problems before were not knowing what to say to people and being too self conscious. Since reading your information, I've started improving my conversation skills and being more spontaneous. I can start conversations with people I never would have before. I have more confidence and am revealing myself more to people." - Anna, 17, Middlesbrough England "I was terribly shy. It was hard for me to make friends at school. I couldn't really talk to anyone but my teachers and when I would talk to people, I'd be very nervous and anxious. It's so much better now, like I don't know how much to thank you. Moving on to a newer school, I made new friends and they all love me for who I am. I talk a lot more now and even my family noticed and are happier with me." - Misha, Montreal Canada
