The Old Woman's Daughter Claire Douglas 2006 Also available in an open-access, full-text edition at <http://oaktrust.library.tamu.edu/handle/1969.1/86078> *The Old Woman's Daughter* offers men and women alike a way to make sense of their lives and find more healing alternatives than offered by our present culture. In gentle, evocative imagery, Jungian analyst Claire Douglas invites readers to reconnect with the ancient tradition of the feminine, the "Old Woman," symbolized by her own Celtic

grandmother. After considering the dangers to individuals and the society of the masculine-focused dualities of our own culture, Douglas describes an alternative that incorporates the feminine self within each of us, man or woman. Douglas draws on myth and story, her own experiences, poetry, the dreams of some of her patients, and images available from Tibetan Buddhism to find archetypes that help us recognize our inheritance from the Old Woman. She describes a form of therapy that emphasizes "cherishment" or bonding for the purpose of recovering our ties to the ancient feminine, and she deftly incorporates her search for her own voice in shaping the book into an organic whole. Rising from Douglas's lifelong interest in the psychology of the feminine, this book shows how healing is related naturally to a Motherline of attunement, connection, and cherishment.

Love Spilled Out Ginny Lee Hamm 2015-11-03 It's the spring of 1850, and Ada Wilcox wants nothing more than to grieve in private for her son who recently died of fever and ague in their Missouri farmhouse. But a law passed by Congress—making fertile land available in the Oregon Territory—would capture her husband's imagination and change their lives forever. The Wilcox farm has been unprofitable for years, threatening the family's survival. But now, acres of free land are up for grabs in Oregon to any family willing to make the long, treacherous journey there by wagon train and claim it. Ada has no choice but to abide by her husband's decision to sell the farm and travel west with him and their eight-year-old daughter, Ruthie. Her resentment festers against her husband for taking her away from her home and her son's grave, and against God, who had not healed her son—leaving her angry, confused, and despondent. During the grueling trek across the plains, mountains, and rivers, Ada learns how to work through grief from those she befriends on the wagon train to Oregon. But more importantly, she learns what it means to submit to God's authority and trust Him completely. While ministering to the needs of others, she transforms their lives as well as her own and begins to restore her relationship with her Lord, her husband, and her daughter.

When I Date an Older Woman? SANKIT BANERJEE " When I Date an Older Woman ? " this story is completely based on the question mark written in the title. That question mark is the most important thing in this book. The story is about a boy, who is completely unaware of the upcoming drastic events in his life. The villain of this story is hidden till the second last chapter of this book. Friends are very much important and good friends are rare to find. Better keep your friendship forever.

An Older Woman Loving a Younger Man Bradley Preston 2008-11 What could they possibly have in common? She's old enough to be his mother. I just don't see how it could ever work. Have you ever been confronted with one of these statements because you're with someone younger? You are about to embark on a journey that will change your mind about May/December relationships. So many times in life people make judgments about one another based solely upon the traditions of the sect of society in which they were raised. More times than not their judgments are wrong, simply because they've chosen to base them on incomplete information. Once they have all the pertinent information concerning that subject their perception changes drastically. Changing people's perceptions is precisely why we wrote this book. Our hope is that once people read this book about our lives they will see that love truly does conquer all. Society says it's OK for a much older man to date a much younger woman. Yet when it comes to a much older woman dating a much younger man the double standard is revealed. Love truly transcends all of our societal misinformation. Love does not look at age, appearances, wealth, health, or any of the other ridiculous limitations that humans have put on relationships. Love knows no boundaries. It's not limited by our finite thinking. Love is the pure essence of two souls merging to become one. This is our story of two souls becoming one.

**How Not to Become a Little Old Lady** Mary McHugh 2002-03 You can be little, and you can be old, but that doesn't mean you have to be a little old lady. We've all seen her. She's hunched forward, her blue hair is tucked neatly under a plastic rain bonnet, she's clutching expired coupons, and she's discussing her latest health problems over lunch. She's a little old lady . . . and she's coming your way at 2 m.p.h. Little old ladies have elastic waistbands on all their slacks. They save rubber bands, remember 15-cent McDonald's hamburgers, and have never seen a public rest room that was clean enough. How Not to Become a Little Old Lady is for any woman who is proud to have escaped little old ladyhood, and it's the perfect, lighthearted gift to give women in danger of slipping into those awful little old lady tendencies. The charming illustrations from Adrienne Hartman perfectly capture the senior syndrome. Say good-bye to little old ladies who pass off their liver spots as beauty marks and say hello to this fresh and fun gift book.

Getting Back on Track Jo-Anna Culy 2016-12-05 Imagine a church where many of the needs of younger women are being met by trained older women. It would not be a problem-free church, but it would be a healthy church where pastors are free to focus on their biblical responsibilities. Although younger women need the guidance of godly older women more than ever, older women remain the most untapped resource in the church today. Some feel dispensable, undervalued, or overlooked. Many simply don't understand the role God calls them to have with younger women, or know how to fulfill it. Getting Back on Track is an invitation to discover from Scripture what the role of the biblical mentor is and how God wants to use older women to help move younger women toward maturity in Christ. It is solidly grounded in Scripture from beginning to end and is written for the older woman, church leader, or younger woman who aspires to be a godly older woman someday.

**Why Men Fall Out of Love** Michael French 2005 Addressing both men and women, novelist and nonfiction author French (Abingdon's) provides an insider's view of what drives men away from their partners and what both parties can do about it. loss, issues of masculine identity, popular culture's emphasis on happiness, and communication differences between men and women. Interestingly, women generally act to change their unhappiness, while men tend to live with it. Most articles on relationships are written from a woman's perspective, but French offers a look from the male perspective. Well done and helpful; recommended for all libraries.
